

Yudhistira Vidhiatama

Mallar Chatterjee

Yudhisthira Mallar Chatterjee, Though the Kuru family survived on Vyasadeva’s seeds, he never belonged to the house. Moreover, being an ascetic, he was even exempted from obligations of the complicated dynamics of human relationships. This armed him with a ruthless dispassion and he could go on telling his stories with stoical detachment, free from any bias and uncontaminated by quintessential human dilemmas. But had any of his characters given his own account of the story, would not that have lent a different dimension to the events seducing ordinary mortals like us to identify, if not compare, our private crises with those of our much celebrated heroes? The Unfallen Pandava is an imaginary autobiography of Yudhishtira, attempting to follow the well-known story of the Mahabharata through his eyes. In the process of narrating the story, he examines his extremely complicated marriage and relationship with brothers turned co-husbands, tries to understand the mysterious personality of his mother in a slightly mother-fixated way, conducts manic and depressive evaluation of his own self and reveals his secret darkness and philosophical confusions with an innate urge to submit to a supreme soul. His own story lacks the material of an epic, rather it becomes like confession of a partisan who, prevailing over other more swashbuckling characters, finally discovers his latent greatness and establishes himself as the symbolic protagonist.
