Words of Power Michael Kelly,2013-09-14 Words of Power is the latest in Michael Kelly's series of Draconian titles. Its purpose is to reveal the Mysteries of the spoken and written word, and how the precise use of words is essential to magic. The book is divided into three sections: In the first section, historical traditions of magic are studied with specific reference to the ways in which they use Words and Names of power. The Graeco-Egyptian magical papyri; Qabalism; the grimoire traditions; runes; ogham; Enochian; Satanism: all are examined closely and their techniques dissected. This demonstrates how the entirety of magical practice is founded upon words and their correct use. In the second section, attention is turned to the use of our own contemporary language as a tool to influence and persuade others, utilising the skills of Lesser Magic. The secrets of persuasion are laid bare, with a full discussion of how to choose the right words to convey the precise meanings and emotions which will persuade others to do what you want, whether you are talking to an individual, addressing a crowd, or using the written word. The third section looks at the Draconian characters created and used by The Apophis Club, demonstrating a method of drawing forth your own personal sound keys by accessing the qualities associated with various letters in your own subconscious. These words and letters are then explored further through three levels of numerological analysis. The reader of this book can expect to come away with not only increased knowledge of the power of applied language, but the skills and techniques to choose the right words to create the changes he or she most desires. For magic is the fulfilment of desires, and this book will show you how to fulfil yours.

Draconian Consciousness Michael Kelly,2012-08-03 Michael Kelly is a Draconian Initiate, a prophet of the Dragon of the Void. He is passionate about Runes and Wyrms and the Mysteries that attend them. Draconian Consciousness is the fourth book in Michael Kelly's Draconian series, and is intended for advanced students. This is pre-eminently a book of 'doing', a practical manual of Work to be performed by the Initiate. It is a challenging and demanding curriculum which gives no quarter and pitilessly turns many cherished ideas and notions on their heads. This book was penned from the heart of the Void. It is deliberately full of the contradictions and about-faces that characterise the Abyss where time and space no longer exist. Where most occult books fail to deliver, there is REAL power here, use it at your own risk. The time has come for Apep, the Ancient Dragon, to swallow the Sun. Let the consciousness of the Dragon permeate your mind. You will never be the same again. NOTHING will ever be the same again.
