The Fall of a Sparrow Dina Porat, 2009-10-21

The Fall of a Sparrow is the only full biography in English of the partisan, poet, and patriot Abba Kovner (1918–1987). An unsung and largely unknown hero of the Second World War and Israel's War of Independence, Kovner was born in Vilna, the Jerusalem of Lithuania. Long before the rest of the world suspected, he was the first person to state that Hitler was planning to kill the Jews of Europe. Kovner and other defenders of the Vilna ghetto, only hours before its destruction, escaped to the forest to join the partisans fighting the Nazis. Returning after the Liberation to find Vilna empty of Jews, he immigrated to Israel, where he devised a fruitless plot to take revenge on the Germans. He then joined the Israeli army and served as the Givati Brigade's Information Officer, writing Battle Notes, newsletters that inspired the troops defending Tel Aviv. After the war, Kovner settled on a kibbutz and dedicated his life to working the land, writing poetry, and raising a family. He was also the moving force behind such projects as the Diaspora Museum and the Institute for the Translation of Hebrew Literature. *The Fall of a Sparrow* is based on countless interviews with people who knew Kovner, and letters and archival material that have never

been translated before.

Jerusalem Daniel Jacobs, 1999 This guide gives biblical references, and an explanation of the history of the city. Folktales of the Jews, V. 3 (Tales from Arab Lands) Dan Ben Amos, 2011-05-01 Thanks to these generous donors for making the publication of the books in this series possible: Lloyd E. Cotsen; The Maurice Amado Foundation; National Endowment for the Humanities; and the National Foundation for Jewish Culture Tales from Arab Lands presents tales from North Africa, Yemen, Lebanon, Syria, and Iraq in the latest volume of the most important collection of Jewish folktales ever published. This is the third book in the multi-volume series in the tradition of Louis Ginzberg's timeless classic, *Legends of the Jews*. The tales here and the others in this series have been selected from the Israel Folktale Archives (IFA), named in Honor of Dov Noy, at The University of Haifa, a treasure house of Jewish lore that has remained largely unavailable to the entire world until now. Since the creation of the State of Israel, the IFA has collected more than 20,000 tales from

newly arrived immigrants, long-lost stories shared by their families from around the world. The tales come from the major ethno-linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs, especially rich in Jewish content and context. Each of the tales is accompanied by in-depth commentary that explains the tale's cultural, historical, and literary background and its similarity to other tales in the IFA collection, and extensive scholarly notes. There is also an introduction that describes the culture and its folk narrative tradition, a world map of the areas covered, illustrations, biographies of the collectors and narrators, tale type and motif indexes, a subject index, and a comprehensive bibliography. Until the establishment of the IFA, we had had only limited access to the wide range of Jewish folk narratives. Even in Israel, the gathering place of the most wide-ranging cross-section of world Jewry, these folktales have remained largely unknown. Many of the communities no longer exist as cohesive societies in their representative lands; the Holocaust, migration, and changes in living styles have made the continuation of these tales impossible. This series is a monument to a rich but vanishing oral tradition. This series is a monument to a rich but vanishing oral tradition.

The Rabin File Uri Milstein,Aryeh D. Amit,1999 Even so, most readers until today view the late Israeli Prime Minister and Defense Minister and the Chief-of-Staff during the Six Day War of 1967 as a wise and courageous leader. In his book, *The Rabin File - How The Myth Swelled*, Dr. Milstein reveals, for the first time, Rabin's controversial security biography. Presenting a thorough understanding of Rabin, Dr. Milstein enlightens the reader to the complex political culture of the State of Israel. This riveting and

thought-provoking book will explain how little children were able to chase the mighty IDF from the Gaza Strip; how the Hizballah defeated the IDF in Southern Lebanon; and how Israel turned from a strategic ally of the United States to an American economic burden. [Show more](#) [Show less](#)

Fear and Hope Dan Bar-On, 1995 Genia spent two years in Auschwitz. Ze'ev fought with the Partisans. Olga hid in the Aryan section of Warsaw. Anya fled to Russia. Laura lived in Libya under the Italian fascist regime. All five survived the Holocaust, emigrated to Israel, and started families there. How the traumatic experience of these survivors has been transmitted, even transformed, from one generation to the next is the focus of *Fear and Hope*. From survivors to grandchildren, members of these families narrate their own stories across three generations, revealing their different ways of confronting the original trauma of the Holocaust. Dan Bar-On's biographical analyses of these life stories identify several main themes that run throughout: how family members reconstruct major life events in their narratives, what stories remain untold, and what is remembered and what forgotten. Together, these life stories and analyses eloquently explore the intergenerational reverberations of the Holocaust, particularly the ongoing tension between achieving

renewal in the present and preserving the past. We learn firsthand that the third generation often exerts a healing influence in these families: their spontaneous questions open blocked communications between their parents and their grandparents. And we see that those in the second generation, often viewed as passive recipients of familial fallout from the Holocaust, actually play a complex and active role in navigating between their parents and their children. This book has implications far beyond the horrific reality at its heart. A unique account of the interplay between individual biography and wider social and cultural processes, *Fear and Hope* offers a fresh perspective on the transgenerational effects of trauma--and new hope for families facing the formidable task of working through.

Tradition and Crisis Jacob Katz, 2000-02-01 A new edition of Katz's study of European Jewish society at end of the Middle Ages. It taps into a rich source, the responsa literature of the Rabbinic establishment of the time, a time when self-governing communities of Jews dealt with their own civil and religious issues.

Modern Scholarship in the Study of Torah Shalom

Carmy,1996-07-01 From the Preface: The principal thrust of this book is to challenge the compartmentalization to which we seem all too easily resigned, to discover whether, and to what extent, the methods of modern scholarship can become part and parcel of the study of Torah, conceived as a religious-intellectual way of life. Not 'Modern Scholarship and the Study of Torah,' but 'Modern Scholarship in the Study of Torah.

Total Commitment Yosef Almogi,1982

The Brisker Rav Shimon Yosef Meller,2007 Relates the biography of Rabbi Soloveitchik of Brisk (then in Poland), including the suffering of his community, his family, and other Jews under the Nazis and under the Soviets, whose threat to the souls of Jews, as part of their general militant atheism, was considered more serious than the Nazi threat to Jewish bodies. Ch. 9 (p. 351-391), *Surviving World War II*, includes descriptions of efforts to carry on with Jewish religious life under German occupation in 1939. Soloveitchik fled to Warsaw and then to Vilna, under Soviet control. Ch. 10 (p. 392-476), *In Vilna, the 'Jerusalem of Lithuania'*, depicts Jewish suffering under the alternating German and Soviet occupations, including a pogrom by Lithuanians. While Soloveitchik succeeded in fleeing from Soviet rule to Eretz Israel, his wife and

three of his children remained in Brisk. Ch. 13 (p. 535-576), *The Fate of the Jews of Brisk*, recounts the liquidation of the ghetto there, where Soloveitchik's dear ones apparently perished.

Let My Nation Descend Yosef Deutsch, 2008

Rescuing the Rebbe of Belz Yosef Israel, 2005 Recounts the Holocaust experiences of the Belzer Rebbe, Aharon Rokach (born in 1880), and his brother Mordechai, the Bilgorai Rebbe, who shared his fate. They fled from Belz (in Ukraine) to nearby Sokal and then to Peremyshliany, where several family members were killed. They found temporary refuge in Poland, in Wisnicz and then in Bochnia and Kraków, in both of which the rebbes were interned in the ghettos. In Bochnia the Belzer Rebbe survived in the guise of a master tailor, while preserving, as he did throughout the Holocaust, his devotion to a life of Torah. After an escape to Slovakia failed, one to Hungary succeeded. In Budapest, the Rebbe was able to publicly lead his followers and other ultra-Orthodox Jews. At times he was sought by the Gestapo, but he was also respected by some Nazis as a wonder rabbi. Efforts to rescue him centered in Eretz Israel, but also involved Belzer hasidim around the world. In Hungary, the Rebbe attempted to encourage rescue efforts for the remnants of Polish Jewry. In

Palestine, Berish Ortner convinced Jewish religious and political figures to grant an immigration certificate to the Rebbe, who then made his way to Palestine. There he and his brother made strenuous efforts to inform the Jewish community about the dire situation in Europe and how they might still save part of Hungarian Jewry. Includes many examples of total religious dedication on the part of the Rebbe and those inspired by him to the point of martyrdom. The last chapter recounts the rescue activities in the Bochnia ghetto-labor camp of Eliezer Landau, who used bribes and cleverness to save the lives of thousands of his fellow Jews.
