That Compassionate Touch of Ma Anandamayee Narayan Chaudhuri,1980 &everything that this body says or does, its actions, movements, its going hither and thither, is done for your sake. Whatever is done for you by this body at any time, it is you who cause it to happen. Shree Shree Anandamayee Ma in reply to a devotee s query This book contains miracle-laden incidents and strange little happenings depicting Shree Shree Ma Anandamayee s infinite compassion for Her children. Each narrative carries one particular message- the message of solace and compassion for Her devotees. The stories of miracles described in the volume corroborate the fact that Shree Shree Ma Anandamayee lives solely for Her children; for helping and guiding them to become pilgrims of the supreme path- the path that leads to Self-realization and to supreme ultimate God itself. The book makes a revealing study of Mother s supernatural glory. Its appeal is irresistible not only for the devotees of the Mother but for all seekers of God realization.

*Shami Tree* Narayan G Hegde,2022-04-01 Sham, an aspiring youth from a prosperous rural family, narrates the conflict between ancient cultural values and the emerging modern lifestyle. He realises that in the process of receiving good education to tap new opportunities and lead a lavish life, the new generation has been chasing materialistic acquisition at the cost of social inequality and environmental destruction, ending up in stress and frustration. Realising the erosion of traditional values, the enlightened villagers, with the advice of their spiritual leader, try to strike a balance between moral obligations, cultural values and emerging opportunities of the new world to live happily and in harmony with nature. The Shami tree in Hindu mythology is a symbol of strength and endurance which sacrifices its own life to save other lives while inspiring human beings to search for self-realisation. It also demonstrates its importance in the food chain and in the conservation of biodiversity. This self-help fiction motivates young parents to understand their moral obligations and promote spiritual and cultural values among their growing children.

Narayan Mary Beatina,1993 The integration of the spiritual and the practical is the very culture and tradition of India. R.K. Narayan represents with exceptional clarity and sensitivity the Indian tradition, by presenting the interaction between mundane and transcendent aspects of everyday Indian life. Contrary to many Western notions about the Indian experience, it is only through this interaction that the full range and depth of Indian spiritual life can be represented. Many have worked on Narayan and his fiction but no one has considered the question of mundane-transcendent interactions. This book focuses on Narayan's representation of this Indian tradition and opens new ground by clearly picturing the Indianness of spirituality in ordinary daily life.
