Ava Strong, 2022-09-20 A bundle of books #4 (NOT LIKE THIS), #5 (NOT LIKE SHE THOUGHT), and #6 (NOT LIKE BEFORE) in Ava Strong's Ilse Beck FBI Suspense Thriller series! This bundle offers books four, five, and six in one convenient file, with over 100,000 words of reading. In this bestselling mystery series, FBI Special Agent Ilse Beck, victim of a traumatic childhood in Germany, moved to the U.S. to become a renowned psychologist specializing in PTSD, and the world's leading expert in the unique trauma of serial-killer survivors. By studying the psychology of their survivors, Ilse has a unique and unparalleled expertise in the true psychology of serial killers. Ilse never expected, though, to become an FBI agent herself. In NOT LIKE THIS (Book #4), even FBI agents are not invulnerable, especially when targeted by serial killers. And it just may be that Ilse herself is next on this killer's list. In NOT LIKE SHE THOUGHT (Book #5), this case, tougher than she could have imagined, brings up dark memories from Ilse's own past. But the clock is ticking, and she has little time to waste. Can Ilse battle her own demons and solve the twisted puzzle before time runs out? In NOT LIKE BEFORE (Book #6), victims are going missing, clearly victims of a serial killer, and FBI Special Agent Ilse Beck suspects this is no ordinary killer—with no ordinary M.O. With the clock running out, can she crack the case in time to save the next victim? As Ilse goes deeper down the rabbit hole, she soon realizes something isn't adding up. She must put her brilliant mind to the test to make sense of all the evidence—including the clues that may be hiding right under her nose. Will she crack under the pressure? And will it be too late? A dark and suspenseful crime thriller, the bestselling ILSE BECK series is a breathtaking page-turner, an unputdownable mystery and suspense novel. A compelling and perplexing psychological thriller, rife with twists and jaw-dropping secrets, it will make you fall in love with a brilliant new female protagonist, while it keeps you shocked late into the night. *A Fabulous Failure* Nelson Lichtenstein, Judith Stein, 2023-09-12 How the Clinton administration betrayed its progressive principles and capitulated to the right When Bill Clinton was elected president in 1992, he ended twelve years of Republican rule and seemed poised to enact a progressive transformation of the US economy, touching everything from health care to trade to labor relations. Yet by the time he left office, the nation's economic and social policies had instead lurched dramatically rightward, exacerbating the inequalities so troubling in our own time. This book reveals why Clinton's expansive agenda was a fabulous failure, and why its demise still haunts us today. Nelson Lichtenstein and Judith Stein show how the administration's progressive reformers—people like Robert Reich, Ira Magaziner, Laura Tyson, and Joseph Stiglitz—were stymied by a new world of global capitalism that heightened Wall Street influence, undermined domestic manufacturing, and eviscerated the labor movement. Robert Rubin, Larry Summers, and Al Gore proved champions of this financialized world. Meanwhile, Clinton divided his own party when he relied on Republican votes to overhaul welfare, liberalize trade, and deregulate the banking and telecommunications industries. Even the economic boom Clinton ushered in—which tamed unemployment and sent the stock market soaring in what Alan Blinder and Janet Yellen termed a “fabulous decade”—ended with a series of exploding asset bubbles that his neoliberal economic advisors neither foresaw nor prevented. *A Fabulous Failure* is a study of ideas in action, some powerfully persuasive, others illusionary and self-defeating. It explains why and how the Clinton presidency's progressive statecraft floundered in a world where the labor movement was weak, civil rights forces quiescent, and corporate America ever more powerful.

The Badger ,1913 UW Archives holds up to three copies of each volume of the yearbook from its initial publication in 1884 to its final publication in 2014 (129 volumes). The publication of the yearbook did not become annual until 1887, as such there are no yearbooks for 1885 or 1886. The only other interruption in yearbooks was for the years 1973 and 1974. There are still yearbooks from these years, but they were published by the Wisconsin Alumni Association rather than the student body, as such they are spare, consisting mostly of portraits of students. UW Archives currently holds at least one copy of every published volume. The 1st copy of each volume is held onsite at UW Archives while the second and third copies, where they exist, are held offsite.
