

Bill Santiago

Jon Kofas

Pardon My Spanglish Bill Santiago,2008-07-01 In Pardon My Spanglish, stand-up comedian Bill Santiago chronicles the quintessentially American alegrías of his mother tongue: the quirky, hilariously improvisational fusion of inglés and español spoken by millions (even if they don't know or admit que están doing it). With crash-course efficiency, cada página de este libro empowers your every step toward Spanglish mastery. How can you not love Spanglish? Twice the vocabulary, half the grammar! Readers will learn: • The outlaw syntax of Spanglish (as observed by a comedian with no formal training in linguistics whatsoever) • Advanced tricks of Spanglish conjugation ("to google": Yo googleo, tú googleas, nosotros googleamos) • The Top 10 Best Things About Being Latino (#6: Guaranteed part in high school production of "West Side Story") • Why "People en Español" should simply be called "Gente" • Handy corporate Spanglish phrases, including "Feliz hump day" • The secret Spanglish agenda of Dora the Explorer • ¡And mucho más! Full of dead-on observations about immigration paniqueo, "oprima el dos" backlash, and every politically incorrect sentiment in between, Pardon My Spanglish is essential reading for Latinos—and the Latino-curious.

The Best Way Bill Walker,2011-12-28 Since the times of Thomas Jefferson and Benjamin Franklin, Americans have headed off to Europe on odysseys of self-improvement. But until recently, Americans have not chosen 'the best way'-El Camino de Santiago. Bill Walker (Skywalker) decided to undertake this 500 mile pilgrimage, stretching from the Pyrenees in southern France to the mystical Galician province in Northwest Spain. Better yet, he did it in the 'Holy Year' of 2010. Fully 200,000 pilgrims were struggling on foot to make it to the Great Gothic Cathedral in Santiago de Compostela. The Camino is supposed to be a religious-spiritual pilgrimage. But some European pilgrims told Walker it was really the The European Divorcee Trail. At Walker's side was his 18 year-old nephew, Gavin, who thrives with his special brand of Fonzie-like charm. The towel-snapping banter between the two of them is reminiscent of the frat-boy dialogue between Bill Bryson and Katz. Better yet, the two of them learn just how delightful the French really can be (except, of course, when they're being impossible), why the Germans are almost all model pilgrims, and the tragi-glorious roots of the Spanish national character.

The Chronicles of William John Brickell the Second Stephen Hanisch,2024-02-02 The Chronicles of William John Brickell the Second, Volume 2: Manipulation and Trickery, continues the historical fiction adventure series by Stephen Hanisch. This novel is categorized as 'fact-ton', blending non-fiction narrative history with storytelling flair. The author retells a subject's memoir, maintaining factual accuracy while adding enriched dialogue and physical descriptions beyond established facts. In this sequel, our diverse group of characters embarks on a perilous mission to dismantle a cross-continental smuggling ring. They find themselves both the hunters and the hunted, as those threatened by their efforts relentlessly pursue them. The narrative escalates in intensity as gunshots ring out and deceptions deeper than the Atlantic Ocean come to light. Their journey to uncover the true identities of the culprits takes them from Spain to England and to the coast of France and North Africa. Terrifying decisions test the mettle of William and his friends and crew, but the bond between them all only grows stronger as the hunt continues.

Santiago's Road Home Alexandra Diaz,2021-05-04 Fleeing abusive relatives and extreme poverty in Mexico, young Santiago endures being detained by ICE while crossing the border into the United States.

Rethinking Early Literacies Mariana Souto-Manning, Haeny S. Yoon, 2018-01-12 Rethinking Early Literacies honors the identities of young children as they read, write, speak, and play across various spaces, in and out of pre/school. Despite narrow curricular mandates and policies, the book highlights the language resources and tools that children cultivate from families, communities, and peers. The chapters feature children's linguistic flexibility with multiple languages, creative appropriation of popular culture, participation in community literacy practices, and social negotiation in the context of play. Throughout the book, the authors critically reframe what it means to be literate in contemporary society, specifically discussing the role of educators in theorizing and rethinking language ideologies for practice. Issues influencing early childhood education in trans/national contexts are forefronted (e.g. racism, immigration rights, readiness) throughout the book, with a call to support and sustain communities of color.

The Politics of Gay Marriage in Latin America Jordi Díez, 2015-05-05 Díez explores how and why Latin America has become a leader among nations in the passage of gay marriage legislation.

Politics of Labor Reform in Latin America Maria Lorena Cook, 2010-11-01

Strong Conviction Trevor Scott, 2002-07-05 Trent Strong is back home in his northern Minnesota lake community after spending ten years working on a Chicago daily newspaper as an investigative journalist covering heinous crimes and traveling to war-torn countries. Sick of all the deaths, and content with returning to a slower pace, Trent buys the local weekly newspaper. But Trent is in town for only one week when an old friend asks him to investigate the Mammoth Paper Mill, which he suspects is polluting a small trout stream beyond EPA standards. Since the mill employs over half the town, the friend hasn't made many friends with his claim. The next day, a woman is found stabbed to death in a lakeshore motel. For personal reasons, Trent is compelled to investigate her death, as well as the paper mill. Are the two related? As Trent investigates, he runs across many people from his past. Some are potential suspects, and others make him question if his move back home was the right one. He starts a relationship with the motel manager, but even wonders if she is somehow involved with the murder. Trent must investigate around a small town sheriff and county attorney running for re-election, out-of-state thugs who want to shut him up, and an entire town that would like the whole thing to go away. What he finds will change his life forever...

Skywalker: the Best Way - El Camino de Santiago Bill "Skywalker" Walker, 2015-02-02 Since the times of Thomas Jefferson and Benjamin Franklin, Americans have headed off to Europe on odysseys of self-improvement. Inspired by them, Bill Walker (Skywalker) decided to undertake a 500-mile trek on El Camino de Santiago, which stretches from the Pyrenees in southern France to Santiago in Northwest Spain. Better yet, he did it in the Holy Year of 2010, when 200,000 pilgrims were struggling on foot to make it to the great Gothic Cathedral in Santiago de Compostela. The Camino is supposed to be a religious-spiritual pilgrimage. At Walker's side is his 18-year-old nephew, Gavin. The sharp banter between the two of them is reminiscent of the dialogue between Bill Bryson and Katz in A

Walk in the Woods. Midwest Book Review calls *The Best Way* a strong pick for those considering the journey themselves.

The Sword of Damocles Jon Kofas, 2002-06-30 Focusing on Chile and Colombia during the 1950s and 1960s, Kofas examines the impact of IMF, World Bank, and U.S. foreign policy on the economies and social and political institutions of Latin America. Far from fostering democracy and social justice, foreign loans and aid were major impediments to these ideals. Symptomatic of systematic underdevelopment, cyclical Third World foreign borrowing and debt crises have been responsible for maintaining the debtor nations integrated into the global market economy, perpetuating their dependency, and maintaining low living standards. Comparing Colombia and Chile, the book examines the complex factors of domestic and international forces that account for structural underdevelopment in the Third World. A study on the historical antecedents of globalism and its impact on the Third World, this book analyzes the interplay between IMF, World Bank, and U.S. foreign policy in shaping the economies of the Third World through loans that are the catalyst to global integration. Through its in-depth look at a complex topic, this book will prove provocative and valuable reading to students of globalization, inter-American relations, international finance, Latin American History, and U.S. diplomatic history.

Women, Feminism, and Social Change in Argentina, Chile, and Uruguay, 1890-1940 Asuncion Lavrin, 1998-01-01 Feminists in the Southern Cone countries? Argentina, Chile, and Uruguay? between 1910 and 1930 obliged political leaders to consider gender in labor regulation, civil codes, public health programs, and politics. Feminism thus became a factor in the modernization of these geographically linked but diverse societies in Latin America. Although feminists did not present a unified front in the discussion of divorce, reproductive rights, and public-health schemes to regulate sex and marriage, this work identifies feminism as a trigger for such discussion, which generated public and political debate on gender roles and social change. Asuncion Lavrin recounts changes in gender relations and the role of women in each of the three countries, thereby contributing an enormous amount of new information and incisive analysis to the histories of Argentina, Chile, and Uruguay.

History Made Visible George Edward Croscup, 1915

The Light Fernando Viveros, 2020-11-18 *The Light* is a fiction novel that describes the life of a hypermodern society in which the speed of exponential development of technology has modified behavioral patterns, life expectancy, memory and the imagination of the human being. The plot of “*The Light*” moves in the midst of individual post-truth of the protagonist, President Salvador Leal, and the antagonist, President Jackie Peres, concerning their vision of the planet, the human species and the conservation of freedom in the face of new technology. The characters are from two distinct demographic groups: those who have improved their capacities and the ones who have kept themselves natural. In the middle of their diverse lights and shadows, the possibility remains to preserve the freedom of decision to access or withdraw from new technologies to enjoy natural beauty, shared joy, empathy and solidarity. Hypermodern life is the darkness of uncertainty that can only be survived with the light of candor.
