Awakened by Autism Andrea Libutti, M.D., 2015-04-01 When she was told that her 20-month-old son had autism, Dr. Andrea Libutti was devastated. Therapists said he would never communicate with others, nor would he ever form meaningful relationships. Still, Andrea refused to accept that dim prognosis and instead embarked on a years-long journey of discovery and healing. Using her position as a physician to gain access to a variety of specialists, she explored every promising biomedical and behavioral therapy. Eventually, she came to see that we must consider autism not just from a physical perspective but from an emotional and spiritual one as well. In Awakened by Autism, Andrea distills the results of the research she undertook and relays her personal experiences as she tried one treatment after another in search of a way to help her son. She shares her understanding of the multifactorial nature of autism and the problems inherent in how many health-care professionals view the disorder—all culminating in her ultimate revelation: that each child has unique needs and requires a personalized plan for healing. More than just a practical guide to our children's health, Awakened by Autism is a starting point for healing ourselves and our world. It calls for a paradigm shift surrounding our beliefs about the possibilities for those with autism, allowing us to uncover their hidden brilliance while taking steps to improve their well-being. With the help of this book, we can heal our families beyond all expectations.

*Pale Blue Dot* Carl Sagan, Ann Druyan, 2011-07-06

"Fascinating . . . memorable . . . revealing . . . perhaps the best of Carl Sagan's books."—The Washington Post Book World (front page review) In *Cosmos*, the late astronomer Carl Sagan cast his gaze over the magnificent mystery of the Universe and made it accessible to millions of people around the world. Now in this stunning sequel, Carl Sagan completes his revolutionary journey through space and time. Future generations will look back on our epoch as the time when the human race finally broke into a radically new frontier—space. In *Pale Blue Dot*, Sagan traces the spellbinding history of our launch into the cosmos and assesses the future that looms before us as we move out into our own solar system and on to distant galaxies beyond. The exploration and eventual settlement of other worlds is neither a fantasy nor luxury, insists Sagan, but rather a necessary condition for the survival of the human race. "Takes readers far beyond *Cosmos* . . . Sagan sees humanity's future in the stars."—Chicago Tribune

*Man Enough* Justin Baldoni, 2021-04-27 A GRIPPING, FEARLESS EXPLORATION OF MASCULINITY The effects of traditionally defined masculinity have become one of the most prevalent social issues of our time. In this engaging and provocative new book, beloved actor, director, and social activist Justin Baldoni reflects on his own struggles with masculinity. With insight and honesty, he explores a range of difficult, sometimes uncomfortable topics including strength and vulnerability, relationships and marriage, body image, sex and sexuality, racial justice, gender equality, and fatherhood. Writing from experience, Justin invites us to move beyond the scripts we've learned since childhood and the roles we are expected to play. He challenges men to be brave enough to be vulnerable, to be strong enough to be sensitive, to be confident enough to listen. Encouraging men to dig deep within themselves, Justin helps us reimagine what it means to be man enough and in the process what it means to be

human.

The Hachette Book of Indian Detective Fiction Volumes I and II Tarun K. Saint, 2024-02-05 The professionals meet the amateurs in this first-ever anthology of Indian detective fiction. Volume 1 An elite squad detective from the future travels back in time to hunt down a time escapee. Across the city of Tokyo, liquids are turning blue, and elsewhere a Tamil actress is kidnapped. The gruesome murder of an adult industry star spirals into a web of deceit and leads to a bizarre

revelation. A journalist races against time to find the missing link between the deaths of a daily soap actress, a classical vocalist and a famous painter. And more... Volume 2 A detective delves into a cold case; a ship that disappeared in the Bay of Bengal in the year 1913. A man is bludgeoned to death in an apartment and a piece of paper with the word 'STOP!' is nailed to his forehead. Six deaths under mysterious circumstances and the only common link is a box of arsenic-laced sweets. A soldier's homecoming dredges up memories of a murder that took place a decade ago in the family. And more... The first-ever anthology of its kind, The Hachette Book of Indian Detective Fiction compiles more than 30 compelling whodunits, supernatural mysteries, serial murders and absurd crimes spread across two volumes. Through hybrid, self-reflexive and experimental forms of writing (including translations from Bengali and Tamil), this collection invites readers to unravel mysteries with every turn of the page, masterfully showcasing distinctive instances of the genre. Red herrings simmered in blood gravy, served up with family feuds, ancient curses, long-haired lady sleuths and many other typical subcontinental chutneys provide a rare feast for the avid reader of crime fiction! **Sold** Patricia McCormick, 2010-07-10 The powerful, poignant, bestselling National Book Award Finalist gives voice to a young girl robbed of her childhood yet determined to find the strength to triumph Lakshmi is a thirteen-year-old girl who lives with her family in a small hut on a mountain in Nepal. Though she is desperately poor, her life is full of simple pleasures, like playing hopscotch with her best friend from school, and having her mother brush her hair by the light of an oil lamp. But when the harsh Himalayan monsoons wash away all that remains of the family's crops, Lakshmi's stepfather says she must leave home and take a job to support her family. He introduces her to a glamorous stranger who tells her she will find her a job as a maid in the city. Glad to be

able to help, Lakshmi journeys to India and arrives at Happiness House full of hope. But she soon learns the unthinkable truth: she has been sold into prostitution. An old woman named Mumtaz rules the brothel with cruelty and cunning. She tells Lakshmi that she is trapped there until she can pay off her family's debt-then cheats Lakshmi of her meager earnings so that she can never leave. Lakshmi's life becomes a nightmare from which she cannot escape. Still, she lives by her mother's words-Simply to endure is to triumph-and gradually, she forms friendships with the other girls that enable her to survive in this terrifying new world. Then the day comes when she must make a decision-will she risk everything for a chance to reclaim her life? Written in spare and evocative vignettes by the co-author of *I Am Malala* (Young Readers Edition), this powerful novel renders a world that is as unimaginable as it is real, and a girl who not only survives but triumphs.
