North Carolina Reports North Carolina. Supreme Court,1971 Cases argued and determined in the Supreme Court of North Carolina.

Ice Station Nautilus Rick Campbell,2016-06-28 Russia's new ballistic missile submarine, Yuriy Dolgorukiy, is being deployed on its first patrol while America's newest fast attack submarine, North Dakota, is assigned to trail it and collect intel. As the Russian submarine heads under the polar ice cap, its sonar readings reveal the trailing American sub and cause the Russians to begin a radical, evasive maneuver. This, however, fails and the submarines collide, resulting in damage that sends both to the bottom. The Americans immediately set up a rescue mission, sending a new submarine and a SEAL team to establish an ice camp---Ice Station Nautilus---and stage a rescue. The Russians also send men and material, ostensibly to rescue their own men, but the Russian Special Forces team is also there to take the American base camp and the American sub, leaving no survivors or traces of their actions. As the men in North Dakota struggle to survive, the SEAL team battles for possession of the submarine. Rick Campbell's Ice Station Nautilus is an epic battle above and below the ice, Special Forces against SEALs, submarine against submarine, with survival on the line.

Blood Moon Ernest Brawley,2023-03-31 In the year 1880, an impoverished, half-English journalist named Eduardo Dawson, hitching from Mexico for the American border, meets three fellow travelers who could not be more different. The first is Phoebe Surgener, a wry, strong-willed American ranch lady of obvious wealth and influence. The second is Pleasant Honeyflower, a seedy, fast-talking phony preacher. The third is Marcela Sandoval, a magically beautiful Mexican shepherdess. After their meeting on the road, there follows a seemingly endless night that begins with friendly “get-to-know-you chatter and evolves as they cross the desert under a great blood moon into episodes of passionate young love, depraved sexual violence, betrayal, and abandonment that will have unimaginable repercussions for years to come. As fate will have it, they all end up in Pleasant Valley, Arizona, and their chance encounter in the desert will turn out to be a harbinger of The Pleasant Valley War, the bloodiest land war in the history of the American West.

The Music of Bobby Goldsboro Robert Reynolds,2018-11-19 Luck was with Bobby Goldsboro when Roy Orbison came through the area on tour. Orbison took on Goldsboro's band and Bobby stuck with him for the next three years. Bobby went solo and soon scored a modest hit with Molly, a song that he despised. A short while later, however, he scored a top ten song with his own See the Funny Little Clown. Other hits followed but his superb Broomstick Cowboy was mistakenly seen by many radio stations as a Vietnam War protest songs and they refused to play it. Going against the grain, a Detroit station did air it and it became #1 in that area. His Honey was the top record for 1968 reaching #1 on every chart. Watching Scotty Grow was also a big hit. The early 70s saw the excellent Summer (The First Time) make waves. England voted it the best summer song ever. Bobby hosted a top-rated TV variety program, The Bobby Goldsboro Show, wrote and produced an Easter special for Disney and took up oil painting, of which his art is highly regarded.
