Medicine and Compassion Chokyi Nyima,David R Shlim,2012-01-30 Sure to be welcomed by caregivers of all types, the groundbreaking new Medicine and Compassion can help anyone reconnect with the true spirit of their caregiving task. It is estimated that some 54 million people in the U.S. act as informal caregivers for ill or disabled loved ones. We can add to these countless workers in the fields of health and human service, and yet there is still not enough help to go around: as many as three fourths of our informal caregivers report going it alone. It's no wonder that caregiver burnout and depression afflict so many. Sure to be welcomed by caregivers of all types, the groundbreaking new Medicine and Compassion can help anyone reconnect with the true spirit of their caregiving task. In a clear and very modern voice, Chokyi Nyima Rinpoche and Dr. David R. Shlim use the teachings of Tibetan Buddhist philosophy to present practical tools for revitalizing the caring spirit. Readers, in turn, will find their patience, kindness, and effectiveness re-energized. Offering practical advice on dealing with people who are angry at their medical conditions or their care providers, people who are dying, or the families of those who are critically ill, Medicine and Compassion will strike resonant chords with medical professionals, hospice workers, teachers, and parents of children with special needs, and those caring for aging and infirm loved ones.

Food Security for Papua New Guinea R. M. Bourke,2001 People have adequate food security when households have the capacity to access sufficient food at all times, either through self-production or through market purchases. Overall, food security is high in PNG as most rural people have access to land and can grow most of their food requirements. The food security situation is considerably better in PNG now than it was before the Pacific war. This is because high-yield staple crops have been adopted and people have access to cash income that can be used to purchase food. The adoption of new staple crops provided a once-off benefit, however, this phase is now ending in PNG. This proceedings contains the 120 papers presented at the Papua New Guinea Food and Nutrition 2000 Conference held at the PNG University of Technology in Lae from 26-30 June 2000.

The Beautiful Sarima Tondang Eben E. Siadari, Sarimatondang adalah desa kecil yang penuh warna. Di sanapembaca akan menemukan sukacita-sukacita kecil, suasana hangat, hati yang tulus, orang-orang jenaka dan kadang-kadang nekad. Monang mengajarkan bagaimana menunggang kerbau dan membawanya merumput dengan ramuan yang unik. Guru Agama yang legendaris yang tak pernah mengecewakan muridnya. Ada mata air Aek Simatahuting yang tiada berhenti mengalir jernih dan memberi inspirasi. Belajar sepeda di halaman gereja dengan sembunyi-sembunyi. Bagaimana grogi dan paniknya ketika pertama kali menginjakkan kaki di kota Medan. Lalu 'Preman Siantar' yang ketahuan tidak dapat berenang ketika pergi ke Jakarta. Juga tentang Nanas Sidamanik, hasil bumi kampung ini, yang kini hilang dan tinggal kenangan. Serta kue yang berkancing yang hanya dapat ditemukan di terminal Parluasan. Lepau SJ yang tidak kalah bermakna dari resto McDonalds di era modern. Lalu apa Pelajaran Mengarang yang tidak pernah terlupa? Buku ini merupakan sketsa-sketsa ringan dan jenaka tentang arti kampung halaman dalam makna 'rumah', home. tempat dimana hati selalu ingin kembali dan menemukan jati diri yang penuh.

Vita di Nicolò Machiavelli, Fiorentino Giuseppe Prezzolini,1927

Gusti Allah ternyata Membaca Surat-surat Kita Eben E. Siadari,2021-10-19 Menulis adalah salah satu pekerjaan wartawan. Barangkali bukan hanya sebagai pekerjaan, melainkan juga kebiasaan, habit. Bahkan lebih dari sekadar habit, ia juga seperti detak jantung. Ritme hidup rasanya tak bergerak tanpa menulis. Selama 20 tahun karier jurnalistiknya, penulis buku ini telah menghasilkan lebih dari 3000 artikel, baik berupa hard news, wawancara, features dan artikel opini. Itu semua dikerjakan agar dapur ngebul. Namun di luar itu, ia juga menulis sebagai upaya kanalisasi gagasan dan menggerakkan ritme hidup. Setidaknya 500 tulisan ia hasilkan sebagai blogger, berupa esai-esai ringan tentang kehidupan dan kemanusiaan. Di buku ini disajikan 24 esai pilihan yang diinspirasi oleh buku-buku yang ia baca. Sepucuk Surat Mengetuk Pintu Keajaiban satu di antaranya. Ini merupakan refleksinya atas begitu banyaknya surat-surat pembaca di Majalah Tempo yang berhasil mengetuk pintu hati orang-orang baik untuk memberi pertolongan. Termasuk pertolongan yang diperoleh oleh penulis sendiri. Buku ini dimaksudkan untuk menggalang optimisme tentang kemanusiaan, bahwa kebaikan masih merupakan aspirasi dan karya terbaik manusia. Ia bisa diwujudkan lewat aneka ragam tindakan, mulai dari berempati pada masalah yang dihadapi sesama, memaafkan kesalahan, hingga menghargai dan memelihara peradaban, termasuk memuliakan bahasa dan tulisan.
