Toto the Ninja Cat and the Great Snake Escape Dermot O'Leary, 2017-09-21 Meet Toto: she's no ordinary cat, and she can't wait to have an adventure with you! From one of the UK's best-loved broadcasters, purrfect for fans of *The Aristocats*, *The Secret Life of Pets* and *Atticus Claw Breaks the Law*. Toto the cat and her brother Silver live footloose and fancy-free in a townhouse in London. Toto is almost totally blind, and learned to trust her senses from a ninja cat-master who taught her back in Italy where they were born. By day, Toto and Silver seem to be ordinary cats, but by night, they love to have adventures! One evening, news reaches Toto that a king cobra has escaped from London Zoo! Together with help from a very posh cat and two hungry tigers, Toto and Silver must investigate. Can they find the giant snake, before it's too late? Ideal for reading aloud or for children to curl up with and read alone, the story features brilliant black and white illustrations throughout. With gentle themes of friendship, inclusivity and winning in the face of adversity, this is a hilarious must-read for all animal-loving kids! Dermot says: 'The idea for Toto first came to me when my wife and I rescued two stray cats from an olive grove in Italy. One of them, Toto, has been blind from birth, but we quickly realised she had ninja-like reactions. Like a lot of cat owners (or cat servants), we like to imagine our pets having secret lives when we're out or asleep. So before I knew it I was writing about Toto and her brother Silver's nocturnal adventures around London. I really hope that children who pick it up enjoy reading the adventures of our little Italian underdog (cat).' Have you seen Toto's other adventures? *The Incredible Cheese Heist* and *The Superstar Catastrophe* are out now, and make perfect Christmas gifts for young readers.

Father's Music Dermot Bolger, 2008-06 'Father's

Music' tells the story of Tracey, the troubled daughter of an Englishwoman and a wandering musician from Donegal. She knows very little about her father, who returned to Ireland before she was born, but when she is taken to Ireland by her lover, she at last feels she is coming home to her father's land.

Mind Full Dermot Whelan, 2021-04-16 In 2007, comedian and broadcaster Dermot Whelan arrived at a comedy festival in an ambulance after having a panic attack en route. Realising this was not a sustainable way to travel to future gigs, he decided to become a meditation teacher and learn how to de-stress without annoying the emergency services. Telling Dermot's own story and offering useful everyday tips and techniques, *Mind Full* is his funny and accessible guide to meditation. If you feel like you've lost touch with the happier version of yourself and would like to: SLEEP BETTER REDUCE STRESS, ANXIETY AND DEPRESSION HAVE MORE PATIENCE WITH THE PEOPLE YOU LOVE FEEL LESS 'MEH' ENJOY LIFE MORE ... this book is for you. You'll discover that learning to meditate doesn't require you to blow up your life and move to Nepal, but it does help you make very small changes that make a long-lasting difference. With exclusive access to Dermot's guided meditations, *Mind Full* will help you restore your sense of fulfilment, happiness and true contentment. 'Fixed whatever block I had harboured towards the concept of meditation ... I had convinced myself that I wasn't one of those people. Now I realise there is no prerequisite character type. It's just for ... people. A lovely, funny, honest book.' Cillian Murphy, From The Foreword

Long Time, No See Dermot Healy,2012-07-05 From "Ireland's finest living novelist" (Roddy Doyle)—a funny, moving, exquisitely written novel about a community on the cusp of change Acclaimed Irish author Dermot Healy's first novel in more than ten years is a rich, beguiling, and wonderfully funny story about community, family, love, and bonds across generations, an epic in miniature that features an unforgettable cast of innocents and broken eccentrics. The novel presents the bemusing and unsettling misadventures of Philip Feeney, known to one and all as Mister Psyche, a teenager haunted by a recent traumatic event who takes up with two men some fifty years his senior. Its still, lyrical power casts a miraculous literary spell and will appeal to readers of William Trevor, Roddy Doyle, John McGahern, and Anne Enright.

Finding Dermot Graeme Connell,2014-04 An offer to switch winter snow in Canada for summer sunshine in New Zealand presents a wonderful opportunity for magazine writer Blossom O'Sage. Her assignment is simple: find and interview the man who spent a long lonely winter in Antarctica's Dry Valley region. The challenge is that Dermot Strongman and his family, through extreme circumstances, quietly disappeared from the public eye some 30 years earlier. They have effectively vanished. Blossom's investigation leads to a tiny village along the remote and beautiful Forgotten World Highway. Her story uncovers the strangest of tales and a chance encounter that forces her to confront her own emotions. Blossom finds courage in the shadows and realises that what we see is perhaps only one-ninth of what exists....

Presenting Dermot O'Leary - The Biography Neil Simpson,2010-10-14 Dermot O'Leary is the man with the

dreamy good looks, the relaxed, natural charm and the real-life X-Factor. He's in every top ten of the sexiest men on TV, he's long been called 'head boy in the cool school of British broadcasting' and he's now jostling for the position of star of live, prime time entertainment. But there's a whole lot more to Dermot than talent show, reality TV and Radio 2. In this, the first biography of the famously private star, best-selling author Neil Simpson paints the most complete picture yet of a surprisingly complex man. He reveals the truth about Dermot's life as: *The Essex boy whose heart belongs to Ireland - and who's got the tattoos to prove it. *The hunk who couldn't get a steady girlfriend until he reached his mid-twenties. *The television professional whose first ventures in front of a live audience nearly ended in disaster. *The man about town who sacrificed his social life to become the face of youth TV - and then risked everything when he walked away. *The new lad from T4 who found fame alongside Big Brother - but whose most cherished programme was about Catholic priests. *The laid back charmer whose hidden ambitions have made him a millionaire and could turn him into the new Parkinson. Drawing on the memories of friends and colleagues alike this unique biography covers everything from Dermot's relationships to his religion to his religion, his love of football to the support of his family. Famously hard working and endlessly good-humoured, Dermot O'Leary is the man with the million pound smile. This is his refreshing, surprising and inspirational story.

Dermot O'Malley and the Lost Little Boy Patricia A. Richardson, 2013-01-30 Dermot O'Malley and the Lost Little

boy written by Patricia A. Richardson tells the story of a lost little boy named Justus Hendrickson. He had walked a very long way searching for his family. Tired, he stopped to rest in a meadow and falling asleep, he woke to find a very little old man wearing a green suit watching him. The little old man was a leprechaun named Dermot O'Malley. If anyone could help the little boy find his mom and dad, it must be Dermot O'Malley, a leprechaun who has connections with other leprechauns. The word went out and soon, a whole squad of leprechauns arrived to help search for the family of Justus Hendrickson. But will they find him? Will there be a happy ending for Justus Hendrickson and his family?

The Mighty Quinns: Dermot Kate Hoffmann,2012-07-24

But when his grandfather issues a challenge to his grandsons--start a new life with next to nothing--Dermot finds himself on the doorstep of a Wisconsin farm. And now he's face-to-face with a woman who makes him lose every bit of his cool! Farm owner Rachel Howe once had her own dreams. Now she's faced with ruin and losing the family business. On the surface, Dermot looks like he could be the answer to her problems, not to mention her empty bed and lonely nights. But six weeks doesn't seem so long when you find the love of your life--P. Introduction to Phenomenology Dermot Moran,2002-06-01
Introduction to Phenomenology is an outstanding and comprehensive guide to phenomenology. Dermot Moran lucidly examines the contributions of phenomenology's nine seminal thinkers: Brentano, Husserl, Heidegger, Gadamer, Arendt, Levinas, Sartre, Merleau-Ponty and Derrida. Written in a clear and engaging style, Introduction to Phenomenology charts the course of the

phenomenological movement from its origins in Husserl to its transformation by Derrida. It describes the thought of Heidegger and Sartre, phenomenology's most famous thinkers, and introduces and assesses the distinctive use of phenomenology by some of its lesser known exponents, such as Levinas, Arendt and Gadamer. Throughout the book, the enormous influence of phenomenology on the course of twentieth-century philosophy is thoroughly explored. This is an indispensable introduction for all unfamiliar with this much talked about but little understood school of thought. Technical terms are explained throughout and jargon is avoided. Introduction to Phenomenology will be of interest to all students seeking a reliable introduction to a key movement in European thought.

Memoirs of General Sir Henry Dermot Daly ... Hugh Daly, 1905

The Bend for Home Dermot Healy, 2016-07-05 One day, years after he's moved away from his childhood home in rural Ireland, Dermot Healy returns to care for his ailing mother. Out of the blue she hands him the forgotten diary he had kept as a fifteen-year-old. He is amazed to find the makings of the writer he has become, as well as taken aback at the changes his memory has wrought. The silhouettes who have haunted his past come back to inhabit his pages: his father, a kind policeman who plays cards and drinks stout with his cronies; his mother, whose stories young Dermot has heard so often that he believes they are his own; or Aunt Maisie, whose early disappointment in love has left her both dreamy and cynical. Funny, direct and moving, *The Bend For Home* is a family portrait like no other, and a hugely engaging account of a childhood in

small-town Ireland.

Temptation Dermot Bolger, 2001 A marriage and a family reach breaking point on an annual holiday in the loveliest hotel in Ireland. Dermot Bolger is one of the leading figures on the Irish literary scene. Very influential, amazingly energetic and prolific, popular and extremely well respected. Dermot writes fast-paced, incredibly readable novels, usually with a thriller element, always about Ireland, more often than not about its Troubles. 'Temptation' is quite different. It is about family life. It describes five days in the lives of Alison, her husband Peadar and their three children, who are taking their annual holiday on the southeastern coast of Ireland. Each member of the family has his or her own hopes for the holiday and preoccupations about the lives they are briefly leaving behind. The holiday serves as a turning point in their lives, as Alison and Peadar's marriage is put to the test and the vulnerabilities of their children are brought to the fore. Previous novels have always featured a female central character, and Dermot seems to love writing from a female perspective - and very good he is at it too. This new novel takes this strength and makes the most of it. Paciness and great readability are packed in there too.
