Recollections and Letters Robert E. Lee,2004 Just as its subject, General Robert E. Lee, was no ordinary man, The Recollections and Letters is no ordinary book. In defeat, the formal Confederate general became the personification of the South. This was a remarkable evolution for a man who in 1861 took up arms against the nation of his birth and subsequently led an army to a devastating end. Lee's transformation from defeated general to American hero was due in part to Robert E. Lee, Jr.'s, dedication to his father's memory. In 1904 the younger Lee produced The Recollections and Letters, a book made up primarily of the general's personal correspondence, much of which was written to his wife and children. The book provided touching insights into the general's family life, allowing readers to connect with him on a more human level. Any study of Robert E. Lee, the South, the Civil War, or American history is incomplete without The Recollections and Letters.

Gleanings in the Godhead Arthur W. Pink,2011-09-01 Few who occasionally read the Bible are aware of the awe-inspiring and worship-provoking grandeur of the divine character. That God is great in wisdom, wondrous in power, yet full of mercy is assumed by many as common knowledge. But to entertain anything approaching an adequate conception of His being, nature, and attributes, as revealed in the Scripture, is something which very few people in these degenerate times have done. God is solitary in His excellency. Who is like unto Thee, O LORD, among the gods? who is like Thee, glorious in holiness, fearful in praises, doing wonders? (Ex. 15:11). Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death, ' which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.
