The Perfect Store Adam Cohen, 2008-12-14 When Pierre Omidyar launched a clunky website from a spare bedroom over Labor Day weekend of 1995, he wanted to see if he could use the Internet to create a perfect market. He never guessed his old-computer parts and Beanie Baby exchange would revolutionize the world of commerce. Now, Adam Cohen, the only journalist ever to get full access to the company, tells the remarkable story of eBay's rise. He describes how eBay built the most passionate community ever to form in cyberspace and forged a business that triumphed over larger, better-funded rivals. And he explores the ever-widening array of enlistees in the eBay revolution, from a stay-at-home mom who had to rent a warehouse for her thriving business selling bubble-wrap on eBay to the young MBA who started eBay Motors (which within months of its launch was on track to sell \$1 billion in cars a year), to collectors nervously bidding thousands of dollars on antique clothing-irons. Adam Cohen's fascinating look inside eBay is essential reading for anyone trying to figure out what's next. If you want to truly understand the Internet economy, *The Perfect Store* is indispensable.

The Seller Ledger Hillary DePiano,2007-03 Set up like a traditional ledger, The Seller Ledger allows sellers to keep track of fees, profits, feedback, addresses, tracking information, shipping and handling costs and much more all in one place. Item information about your sales and auctions is only kept on eBay for 90 days so millions of sellers have found the value of keeping a hard copy of their records to minimize mistakes and for running a more efficient business in the world of internet e-commerce. Whether you are a Power Seller or just someone looking to sell enough to clean out your attic, the value of organizing all your eBay information in one place is immeasurable. Specifically designed for the online marketplace, it also contains the most recent fees for both eBay and PayPal on a handy cheat sheet while including ways to keep track of Non-Paying bidder alerts, returns, and other eBay procedures. With room for over 750 auctions!

The 100 Best Things I've Sold on EBay Lynn Dralle,2003 An entertaining, touching, and inspiring chronicle of the author's most memorable eBay adventures, this book uses the world of online auctions as the setting for a personal story of friendship, loss, and growth. Lynn Dralle is the granddaughter of Cheryl Leaf, an antiques dealer and larger-than-life personality. Over the years, Lynn came to depend not only on her grandmother's broad knowledge of antiques and her business insights, but also on her wisdom, strength of character, and humor. Near the end of her grandmother's life, Lynn returned home to help run the family antiques store. To boost business, she began buying and selling on eBay. As Lynn weaves memories of her grandmother into stories about the items she has sold on eBay, she creates a book that is partly a memoir of the woman who inspired and brought together her entire family and partly a behind-the-scenes look at what it takes to succeed on eBay. Through it all, Lynn's fresh and enthusiastic voice keeps the tone upbeat. This book appeals to everyone!

I Sold My Soul on eBay Hemant Mehta,2007-04-17 Unique insights from an atheist's Sunday-morning odyssey When Hemant Mehta was a teenager he stopped believing in God, but he never lost his interest in religion. Mehta is "the eBay atheist," the nonbeliever who auctioned off the opportunity for the winning bidder to send him to church. The auction winner was Jim Henderson, a former pastor and author of *Evangelism Without Additives*. Since then, Mehta has visited a variety of church services-posting his insightful critiques on the Internet and spawning a positive, ongoing dialogue between atheists and believers. *I Sold My Soul on eBay* tells how and why Mehta became an atheist and features his latest church critiques, including descriptions of his visits to some of the best-known churches in the country. His observations will surprise and challenge you, revealing how the church comes across to those outside the faith. Who better than a nonbeliever to offer an eye-opening assessment of how the gospel is being presented-and the elements that enhance or detract from the presentation. Mehta announced prior to his churchgoing odyssey that he would watch for any signs of God's existence. After spending Sunday mornings in some of the nation's leading churches, what happened to the man who sold his soul on eBay? Did attending church change his lack of belief? The answers can be found inside.

Kepas Vs. Ebay Emmanuel Kepas,2009-05-01 On September 21, 2006, while on medical leave, I was wrongfully released from employment. I wasn't the first person terminated by eBay after being victimized by an immediate supervisor and raising an issue of concern to management - while retaining the offending supervisor. This pattern of abuse, in my opinion, began with Meg Whitman the CEO of eBay, Inc. (Stacie Wilson vs. Anita Gaeta & eBay, Complaint included in book.) For several months after being on medical leave from eBay, I was severely disabled. Frequently, I lay in my bed both day and night, with screaming noise in my head from severe Stress Induced Tinnitus; as well as experiencing severe Anxiety, Posttraumatic Stress Disorder and Depression, as medically diagnosed. I was sedated for two months with prescription medicine in an effort to recover from the effects of the trauma that I experienced. In an attempt to alleviate the effects of tinnitus, I maintain white noise background sounds, such as running fans. When in my bedroom, I keep my Sound Soother machine running. I also have worn ear-mounted Sound Generators, as occasion would permit. Sometimes, I

experience a degree of relief by activities such as: weightlifting, walking by a busy road, driving with the car windows down or sleeping pills. On July 7, 2006, I sent Meg Whitman a personal FedEx letter as an eWatch (Customer Support Escalations) Manager, requesting her assistance (being unaware of her past grievances,) which eBay's hired attorney Matt Durham reported enraged the CEO. Shortly thereafter I was wrongfully discharged by eBay's hired attorney without eBay being able to identify who ordered the termination of my employment. Emmanuel Kepas had it all: a wonderful wife, six children and a promising career with Morgan Stanley. In the aftermath of 9/11 his division was sold and the employees were laid off. In his spare time, he loved buying products from eBay. He always thought it would be great to work for such an innovative company. So when a former peer offered him the position as the eWatch Manager in July 2003, he enthusiastically accepted the job. In February 2005, despite his solid performance evaluations, Emmanuel Kepas was demoted to the position of analyst (while still maintaining full responsibility for the eWatch team,) and placed under the supervision of a lesser qualified young woman who had just been given a poor annual review and had a history of inappropriate behaviors. His pay grade was reduced, which resulted in smaller quarterly bonuses, lower pay increases and fewer stock option allocations. Even worse, his manager sexually harassed him. When he refused her advances, she removed eight employees from his supervision. When he began to raise his concerns it wasn't long before his manager attempted to redistribute his stock option allocation to others. Finally, when he asked for a transfer, he was refused. Learn the disturbing details of one man's battle against the Internet Giant eBay. Help Him Win Justice, by learning the true story of a company gone awry in Kepas vs. eBay.
