Eleven Bravo E. Tayloe Wise,2010-06-28 E. Tayloe Wise served in Vietnam from May 1969 through April 1970. During those 11 months, he wrote an estimated 750–800 letters home. This memoir is based on those letters, which recounted the details of his experiences and also served as an outlet where he could express the terror, tedium and even boredom of his daily life while in Vietnam. It tells the story of the Vietnam War as this foot soldier viewed it from the jungle, as both a rifleman and a combat medic who was forced to learn his medical skills under fire, and who later became a personal waiter in the private mess hall of Major General E.B. Roberts, the Commanding General of the 1st Cavalry Division (Air Mobile). The story begins with a record of Wise’s military history, his training as an infantryman in Leesville, Louisiana and his arrival in Vietnam on May 2, 1969. Chapter two details his first experience under enemy fire on May 11, when suicide squads penetrated their perimeter with the purpose of inflicting the maximum amount of damage with disregard to even the attackers' own lives. Chapters five and six recount the August 1969 battle of LZ Becky, a landing zone that was constructed just south of the Cambodian border and was destroyed only four weeks later. Chapter seven relates Wise’s experiences after receiving a job as a waiter in the Commander General’s mess hall. On April 9, 1970, his service ended and he headed home. The book contains diagrams of several battles and the author’s personal photographs taken while he was in the jungle and in the rear echelon area of Phuoc Vinh.

Eleven Paul Hanley,2014-09-16 Eleven billion people will crowd this marvelous planet by century’s end. If the global economy were to grow five-fold during this period as predicted, humanity’s ecological footprint would exceed Earth’s biocapacity by 400%. We need to chart a new course to the future. The sweeping changes that make a ‘full world’ work—involving dual processes of destruction and reconstruction—will transform global culture, agriculture, and ultimately the human race. ELEVEN is a call to consciousness. Only an ‘ethical revolution’ will allow us to carry forward an ever-advancing civilization. Paul Hanley proposes a transformational model that will help individuals, institutions, and communities make an eleven-billion world work for everyone—and the planet.

11:11 The Time Prompt Phenomenon Marie D. Jones,Larry Flaxman,2009-02-15 Is it happening to you? You wake up at night, look at the clock, and notice that it is 11:11 p.m. This happens again the next night, and the next. You think it is a coincidence, but what if you were to discover that it was happening to others--possibly millions of others--all over the world? And that it meant something...something important? The reports of

people noticing strange and repeated associations with the number 11 are on the rise, prompting theories connecting this phenomenon with the coming Mayan calendar end date of 12/21/2012. But it's not just the number 11 that is showing up in people's lives, it is often accompanied by unusual events or profound insights. Mysterious numbers and strange sequences appear throughout the history of human experience. What do they mean? What secrets do they keep? Are these wake-up calls to a higher state of consciousness, triggers of paranormal experiences, or the activation of what some scientists refer to as junk DNA? In this fascinating new work, You'll learn about: Number-based patterns in nature--such as the Fibonacci spiral, the golden ratio, and DNA sequences--and the secrets of sacred geometry. Synchronicity: The science behind coincidences and what they might be trying to tell us. How the entire universe can be condensed into a handful of mathematical numbers and equations. The power of numerology in human lives. Is God a number? How numbers relate to the creative force behind all reality. We live according to times, dates, and numbers, and 11:11 The Time Prompt Phenomenon will explore the mysteries of 11:11 and the many other ways in which numbers compose the very foundation of our reality.

Departmental annual report 2010-11 Great Britain: Parliament: House of Commons: Foreign Affairs Committee,2012-04-13 Despite the impressive performance of the Foreign and Commonwealth Office in representing the UK's interests across the globe with what is, in Governmental terms, a particularly small budget, the Foreign Affairs Committee believes that the FCO is under-funded. This situation has been exacerbated by the Spending Review 2010 and the lack of detail provided by the FCO and the BBC World Service as to exactly how the spending reductions target will be met is disappointing. There are concerns about the steps taken by the FCO to adjust to its reduced budget: reductions in the deployment of UK-based staff overseas and the optimistic planned programme of property sales will have a detrimental impact on the ability of the UK to protect its interests overseas. The establishment of the European External Action Service (EEAS) will place a further strain on the FCO's resources. The Committee welcomes the appointment of Lord Williams of Baglan to the post of International Trustee with responsibility for the BBC World Service, but reiterates its belief that a formal concordat governing the World Service's budget and output should be drawn up setting out the World Service's independence from budgetary pressures elsewhere in the BBC. The budget cuts faced by the British Council will lead to the Council becoming a substantially different organisation by the end of the Spending Review period. The greater emphasis that the British Council will place on commercial activity risks a diminution of the UK's influence and soft power.

Genesis 1-11 James Chukwuma Okoye, 2018-01-19 Genesis 1-11: A Narrative Theological Commentary combines critical acumen with concern for the theological message of Scripture. It is a commentary in two stages. First, the text is allowed to speak for itself, using a narrative approach. Then, specific Jewish and Christian traditions flowing from the text are identified, and the underlying hermeneutical moves analyzed.

Challenging US Human Rights Violations Since 9/11 Ginger Ann Fagan, 2011-04-29 Activists, lawyers, students, teachers, union members, government officials, and judges will welcome this thoroughly researched, comprehensive examination of human rights violations in the wake of 9/11. Meiklejohn Civil Liberties Institute Executive Director Ann Fagan Ginger has created an accessible, well-organized reference work divided into six parts: Part I, The Mobilization of Shame, describes executive orders and new laws violating basic rights, and citizen reactions, to add up the real score in the War on Terrorism. Part II, Where the People and their Lawyers Can Go to Redress Grievances, spells out the complaint process through the little known Office of Inspector General, and in U.S. federal and state courts. Part III, What the Government Is Committed and Required To Do in the United Nations and the Organization of American States, describes the reporting process and how it has brought about improvements in many countries, such as new treatments for AIDS. Part IV, Report on Human Rights Violations, forms the bulk of the book. It describes all the relevant facts in 184 reports on 30 types of violations. Activists will find all the facts they need and lawyers can reference the specific laws being violated by government officials, military personnel, agents, and contractors. Part V, Text of Petitions, Resolutions, Ordinances, spells out what has been proposed, and adopted, since 9/11 to stop violations. Part VI, Text of Laws Violated and Ignored, provides the language of the U.S. Constitution, Bill Of Rights, Articles in the UN Charter, the Convention Against Torture, the Geneva Conventions, and other human rights and international law treaties the U.S. has ratified or signed. This is an indispensable tool for citizens and lawyers defending civil liberties in the era of the Patriot Act and the War on Terrorism.

Novel 11, Book 18 Dag Solstad,2021-06-01 A brilliant novel by the Norwegian master Dag Solstad Bjorn Hansen, a respectable town treasurer, has just turned fifty and is horrified by the thought that chance has ruled his life. Eighteen years ago he left his wife and their two-year-old son for his mistress, who persuaded him to start afresh in a small, provincial town and to devote himself to an amateur theater. In time that relationship also faded, and after four years of living alone Bjorn contemplates an extraordinary course of action that will change his life forever. He finds a fellow conspirator in Dr. Schiotz, who has a secret of his own and offers to help Bjorn carry his preposterous plan through to its logical conclusion. But the sudden reappearance of his son both fills Bjorn with new hope and complicates matters. The desire to gamble with his comfortable existence proves irresistible, however, taking him to Vilnius in Lithuania, where very soon he cannot tell whether he's tangled up in a game or reality. Dag Solstad won the Norwegian Critics Prize for Literature for Novel 11, Book 18, a concentrated uncompromising existential novel that puts on full display the author's remarkable gifts and wit.
