Rafael Sánchez Ferlosio

El Jarama Rafael Sánchez Ferlosio,2023-10-26 La publicación de El Jarama (premio Nadal 1955), de Rafael Sánchez Ferlosio, supuso en España uno de los acontecimientos literarios más importantes del siglo XX. Paradigma de la narración objetivista y estímulo tanto para la novela social como para múltiples interpretaciones contextuales y simbólicas, esta crónica de un domingo anodino en la vida de unos personajes a los que no conocemos más que por sus diálogos ha merecido brillantes páginas por parte de numerosos estudiosos, que la consideran una de las creaciones más sobresalientes y complejas de la literatura española, como pretende confirmar esta edición. Por lo que respecta a su autor, y aunque renegó de una parte de su obra que podríamos llamar de ficción (Industrias y andanzas de Alfanhuí, El Jarama y El testimonio de Yarfoz), puede afirmarse sin ninguna duda que se trató de un escritor exigente y magistral, un pensador único y un ensayista lúcido e insobornable, entregado a la palabra en su sentido más pleno y quizá menos popular, todo lo cual se vio reconocido, entre otros galardones, con el Premio Cervantes.

Soccer History Kojo Gyan-Budu,2008

Doggie Style Fernando Nachon,2008-09 In part the story of its own writing, this quasi-autobiographical, postmodern novel weaves a tale of jealousy, sex, dope and alcoholism around the theme of the narrator's so-far frustrated literary ambitions. The integral and inalienable setting is the urban Mexico of the mid-1980s, with the Cold War still the international political backdrop to everyday life. Wending his way through angst-ridden erotic entanglements and a session with his Freudian analyst (an anti-Lacanian, we learn), the narrator, who goes by the author's real name, finally arrives at his dream encounter – and 'dream' may well be doubly apt, because the episode's relation to everyday reality is left undefined – with famed Latin-American author and winner of the Nobel Prize in Literature in 1982, Gabriel García Márquez. Perhaps the laureate will write a preface to his latest novel. "It's about a guy stuck in traffic; he wants to be a writer, to be famous, and Mike, one of the characters, tells him he should write the A Hundred Years of Solitude of the eighties. The guy feels happy at first but then in the middle of the traffic and the smog he realizes that there aren't any Amarantas and Aurelianos Buendías there, there aren't any José Arcadios, that all there are are drunks, gangs, poor people trampled by the yuppies – that after all, the jungle is gone."

Nodame Cantabile Tomoko Ninomiya,2016

Fundamentals of Environmental Engineering Danny D. Reible,1998-10-14 The field of environmental engineering is rapidly emerging into a mainstream engineering discipline. For a long time, environmental engineering has suffered from the lack of a well-defined identity. At times, the problems faced by environmental engineers require knowledge in many engineering fields, including chemical, civil, sanitary, and mechanical engineering. Increased demand for undergraduate training in environmental engineering has led to growth in the number of undergraduate programs offered. Fundamentals of Environmental Engineering provides an introductory approach that focuses on the basics of this growing field. This informative reference provides an introduction to environmental pollutants, basic engineering principles, dimensional analysis, physical chemistry, mass, and energy and component balances. It also explains the applications of these ideas to the understanding of key problems in air, water, and soil pollution.

Oh My Goddess! Volume 16 Kosuke Fujishima,2018-09-25 Ever since a cosmic phone call brought the literal young goddess Belldandy into college student Keiichi's residence, his personal life has been turned upside down, sideways, and sometimes even into strange dimensions! After epic mishaps such as Belldandy and Keiichi's hands becoming unable to part, or Skuld's robot Banpei falling in love, what harm could the arrival of a cute young boy at the temple do to its residents? They say when disaster strikes, time seems to slow down... the problem is, it's slowing down for everybody – for real!

So I'm a Spider, So What?, Vol. 5 (manga) Okina Baba,Asahiro Kakashi,2019-03-19 You think you can beat me? You and what army?! Oh...that army... I think I'm finally getting the hang of things! This Middle Stratum is filled with fiery magma (with monsters to match!), but I've been holding my own. I may be a weak little spider, but I've got brains on my side-three of them, in fact! I've got information brain to call the shots, body brain to execute the moves, and my new magic brain to figure out...whatever the heck is up with magic in this world, sheesh. Think you can take on me, myself, and I, Mr. Big Giant Scary Dragon?!
