The Uprooted Christina Elizabeth Firpo,2016-01-31 For over a century French officials in Indochina systematically uprooted métis children—those born of Southeast Asian mothers and white, African, or Indian fathers—from their homes. In many cases, and for a wide range of reasons—death, divorce, the end of a romance, a return to France, or because the birth was the result of rape—the father had left the child in the mother's care. Although the program succeeded in rescuing homeless children from life on the streets, for those in their mothers' care it was disastrous. Citing an 1889 French law and claiming that raising children in the Southeast Asian cultural milieu was tantamount to abandonment, colonial officials sought permanent, protective custody of the children, placing them in state-run orphanages or educational institutions to be transformed into little Frenchmen. The Uprooted offers an in-depth investigation of the colony's child-removal program: the motivations behind it, reception of it, and resistance to it. Métis children, Eurasians in particular, were seen as a threat on multiple fronts—colonial security, white French dominance, and the colonial gender order. Officials feared that abandoned métis might become paupers or prostitutes, thereby undermining white prestige. Métis were considered particularly vulnerable to the lure of anticolonialist movements—their ambiguous racial identity and outsider status, it was thought, might lead them to rebellion. Métischildren who could pass for white also played a key role in French plans to augment their own declining numbers and reproduce the French race, nation, and, after World War II, empire. French child welfare organizations continued to work in Vietnam well beyond independence, until 1975. The story of the métis children they sought to help highlights the importance—and vulnerability—of indigenous mothers and children to the colonial project. Part of a larger historical trend, the Indochina case shows striking parallels to that of Australia's Stolen Generation and the Indian and First Nations boarding schools in the United States and Canada. This poignant and little known story will be of interest to scholars of French and Southeast Asian studies, colonialism, gender studies, and the historiography of the family.

**Molecular Pathogenesis of Neisseria Gonorrhoeae** Cynthia N Cornelissen, This Research Topic is dedicated to our current understanding of the molecular pathogenesis of Neisseria gonorrhoeae. Topics in this issue include the following: human infection models for testing gonococcal virulence, animal models that mimic lower female genital tract infection, and an ex vivo system derived from the human female lower genital tract. Vaccine development efforts, and the impact of gonococcal infection on the host's immune response are also described. Also part of this issue are reviews of the molecular aspects of several important virulence factors, including: biofilm formation, neutrophil resistance, innate immune factor resistance, iron acquisition, and type 4 secretion systems.

**Viet Nam** Ben Kiernan,2017-02-10 For many Westerners, the name Vietnam evokes images of a bloody televised American war that generated a firestorm of protest and brought conflict into their living rooms. In his sweeping account, Ben Kiernan broadens this vision by narrating the rich history of the peoples who have inhabited the land now known as Viet Nam over the past three thousand years. Despite the tragedies of the American-Vietnamese conflict, Viet Nam has always been much more than a war. Its long history had been characterized by the frequent rise and fall of different political formations, from ancient chiefdoms to imperial provinces, from independent kingdoms to divided regions, civil wars, French colonies, and modern republics. In addition to dramatic political transformations, the region has been shaped by its environment, changing climate, and the critical importance of water, with rivers, deltas, and a long coastline facilitating agricultural patterns, trade, and communications. Kiernan weaves together the many narrative strands of Viet Nam's multi-ethnic populations, including the Chams, Khmers, and Vietnamese, and its multi-religious heritage, from local spirit cults to Buddhism, Confucianism, and Catholicism. He emphasizes the peoples' interactions over the millennia with foreigners, particularly their neighbors in China and Southeast Asia, in engagements ranging from military conflict to linguistic and cultural influences. He sets the tumultuous modern period--marked by French and Japanese occupation, anticolonial nationalism, the American-Vietnamese war, and communist victory--against the continuities evident in the deeper history of the people's relationships with the lands where they have lived. In contemporary times, he explores this one-party state's transformation into a global trading nation, the country's tense diplomatic relationship with China and developing partnership with the United States in maintaining Southeast Asia's regional security, and its uncertain prospects for democracy. Written by a leading scholar of Southeast Asia, Viet Nam presents an authoritative history of an ancient land.

A Descriptive Study of Guided Group Interaction (GGI) : a Discipline Program in a Midwest School Nana P. Makaula,1986

*Portrait of India* Ved Mehta,1993-01-01 Stretching from the snowcapped Himalayas to the droughtprone state of Tamil Nadu, India is a vast and enigmatic country, full of contrasts. Portrait of India presents Ved Mehta's impressions of his native land - his first-hand report on India's villages and cities, its religions, politics and wars, its poets, philosophers, maharajas, and priests. Published in 1970 and now reissued with a new preface by its author, the book evokes the enormous variety of India for the Western reader.

**Violence and the Civilising Process in Cambodia** Roderic Broadhurst,Thierry Bouhours,Brigitte Bouhours,2015-11-13 Surveys violence in Cambodia from the nineteenth century to the present, testing the theories of Norbert Elias in a non-Western context.

*Mixed Race in Asia* Zarine L. Rocha,Farida Fozdar,2017-07-14 Cover -- Half Title -- Title Page -- Copyright Page -- Table of Contents -- Notes on contributors -- Acknowledgements -- Introduction: mixed race in Asia -- Part I China and Vietnam -- 1 'A class by themselves': battles over Eurasian schooling in late-nineteenth-century Shanghai -- 2 Mixing blood and race: representing Hunxue in contemporary China -- 3 Métis of Vietnam: an historical perspective on mixed-race children from the French colonial period -- Part II South Korea and Japan -- 4 Developing bilingualism in a largely monolingual society: Southeast Asian marriage migrants and multicultural families in South Korea -- 5 Haafu identity in Japan: half, mixed or double? -- 6 Claiming Japaneseness: recognition, privilege and status in Japanese-Filipino 'mixed' ethnic identity constructions -- Part III Malaysia and Singapore -- 7 Being 'mixed' in Malaysia: negotiating ethnic identity in a racialized context -- 8 Chinese, Indians and the grey space in between: strategies of identity work among Chindians in a plural society -- 9 'Our Chinese': the mixedness of Peranakan Chinese identities in Kelantan, Malaysia -- 10 Eurasian as multiracial: mixed race, gendered categories and identity in Singapore -- Part IV India and Indonesia -- 11 Is the Anglo-Indian'identity crisis' a myth? -- 12 Performing Britishness in a railway colony: production of Anglo-Indiansas a railway caste -- 13 Sometimes white, sometimes Asian: boundary-making among transnational mixed descent youth at an international school in Indonesia -- 14 Class, race and being Indo (Eurasian) in colonial and postcolonial Indonesia -- Afterword -- Index

*Breast Pathology* David J. Dabbs,2012-01-01 This in-depth resource combines international perspectives and expertise on genomic and molecular information, clinical presentation, gross and microscopic pathologic findings, radiologic and laboratory diagnosis, immunohistochemistry, and theranostics so you can accurately diagnose the full spectrum of breast diseases. Stay current on hot topics in breast pathology, including theranostic aspects of diagnosis, genomic applications and molecular diagnosis, proper handling of breast specimens to ensure proper sampling and processing, and up-to-date immunohistochemical information. Get a clear picture of how diseases present from over 1750 high-quality images in full color. Tap into the expertise of leading authorities from around the world who offer an integrated approach, incorporating genomic and molecular information, clinical presentation, gross and microscopic pathologic findings, radiologic and laboratory diagnosis, and immunohistochemistry. Find information quickly and easily with the consistent format that features quick reference points at the beginning of each chapter.

**Breast Pathology E-Book** David J Dabbs,2011-12-20 Breast Pathology, edited by Dr. David J. Dabbs - leading expert in breast pathology and author of the best-selling reference Diagnostic Immunohistochemistry - presents an integrated and highly visual approach to breast pathology. This in-depth resource combines international perspectives and expertise on genomic and molecular information, clinical presentation, gross and microscopic pathologic findings, radiologic and laboratory diagnosis, immunohistochemistry, and theranostics so you can accurately diagnose the full spectrum of breast diseases. Stay current on hot topics in breast pathology, including theranostic aspects of diagnosis, genomic applications and molecular diagnosis, proper handling of breast specimens to ensure proper sampling and processing, and up-to-date immunohistochemical information. **Issues in Life Sciences—Bacteriology, Parasitology, and Virology: 2012 Edition** ,2013-01-10 Issues in Life Sciences—Bacteriology, Parasitology, and Virology: 2012 Edition is a ScholarlyEditions™ eBook that delivers timely, authoritative, and comprehensive information about Virology. The editors have built Issues in Life Sciences—Bacteriology, Parasitology, and Virology: 2012 Edition on the vast information databases of ScholarlyNews.™ You can expect the information about Virology in this eBook to be deeper than what you can access anywhere else, as well as consistently reliable, authoritative, informed, and relevant. The content of Issues in Life Sciences—Bacteriology, Parasitology, and Virology: 2012 Edition has been produced by the world's leading scientists, engineers, analysts, research institutions, and companies. All of the content is from peer-reviewed sources, and all of it is written, assembled, and edited by the editors at ScholarlyEditions™ and available exclusively from us. You now have a source you can cite with authority, confidence, and credibility. More information is available at <http://www.ScholarlyEditions.com/>.

*Human Trafficking in Colonial Vietnam* Micheline Lessard,2015-04-24 Examining the widespread phenomenon of human trafficking in Vietnam during the period of French colonial rule, this book focuses on the practice of kidnapping or stealing Vietnamese women and children for sale in Chinese markets from the 1870s through to the 1940s. The book brings to light the fact that human trafficking between Vietnam and China existed prior to more contemporary instances of this trade. It provides information as to the perpetrators, the nature, and the scope of this illicit commerce and its impact on the lives of its victims, who were mainly domestic servants, concubines or prostitutes. The book also examines the ways in which French colonial actors (missionaries, administrators, military officers, adventurers and observers, and consuls) reported, described, and reacted to it, and goes on to analyse the impact of human trafficking on the concept of French 'prestige' and on the French colonial project in Vietnam. Human trafficking in colonial Vietnam illustrates the tensions and the conflicts not only between the French and the Vietnamese, but also between the Vietnamese and the Chinese, as well as between the colons and the French colonial administration, and between the colonial and metropolitan governments. The book will be of interest to students and scholars of Southeast Asian History, Colonial History and Criminology.

Type IV Secretion in Gram-Negative and Gram-Positive Bacteria Steffen Backert,Elisabeth Grohmann,2018-03-13 Type IV secretion systems (T4SSs) are highly versatile membrane-associated transporter machines used by Gram-negative and Gram-positive bacteria to deliver substrate molecules to a large variety of target cells. This volume summarizes our current knowledge of the large variety and structural diversity of T4SSs in pathogenic Escherichia, Agrobacterium, Legionella, Coxiella, Bartonella, Helicobacter, Enterococcus and other species. Divided into 13 chapters contributed by leading experts, it presents findings that significantly enhance our understanding of how various pathogens manipulate host cell functions to trigger bacterial uptake, promote intracellular growth, suppress defense mechanisms and of how bacteria spread antibiotic resistances, thus facilitating bacterial colonization and disease development. The book is an invaluable source of information for researchers and clinicians.

**An Empire Divided** J.P. Daughton,2006-11-02 Between 1880 and 1914, tens of thousands of men and women left France for distant religious missions, driven by the desire to spread the word of Jesus Christ, combat Satan, and convert the world's pagans to Catholicism. But they were not the only ones with eyes fixed on foreign shores. Just as the Catholic missionary movement reached its apex, the young, staunchly secular Third Republic launched the most aggressive campaign of colonial expansion in French history. Missionaries and republicans abroad knew they had much to gain from working together, but their starkly different motivations regularly led them to view one another with resentment, distrust, and even fear. In *An Empire Divided*, J.P. Daughton tells the story of how troubled relations between Catholic missionaries and a host of republican critics shaped colonial policies, Catholic perspectives, and domestic French politics in the tumultuous decades before the First World War. With case studies on Indochina, Polynesia, and Madagascar, *An Empire Divided*--the first book to examine the role of religious missionaries in shaping French colonialism--challenges the long-held view that French colonizing and civilizing goals were shaped by a distinctly secular republican ideology built on Enlightenment ideals. By exploring the experiences of Catholic missionaries, one of the largest groups of French men and women working abroad, Daughton argues that colonial policies were regularly wrought in the fires of religious discord--discord that indigenous communities exploited in responding to colonial rule. After decades of conflict, Catholics and republicans in the empire ultimately buried many of their disagreements by embracing a notion of French civilization that awkwardly melded both Catholic and republican ideals. But their entente came at a price, with both sides compromising long-held and much-cherished traditions for the benefit of establishing and maintaining authority. Focusing on the much-neglected intersection of politics, religion, and imperialism, Daughton offers a new understanding of both the nature of French culture and politics at the fin de siecle, as well as the power of the colonial experience to reshape European's most profound beliefs.

Youth Mobilization in Vichy Indochina and Its Legacies, 1940 to 1970 Anne Raffin,2005 To what extent, and precisely how, are nationalism and patriotism transnational processes? *Youth Mobilization in Vichy Indochina and Its Legacies* analyzes the causes and consequences of state-sponsored patriotic youth associations during World War II in French Indochina. Providing an historical account of the transnational policy process of youth mobilization during World War II, this book describes how officials transplanted French doctrines to Indochina with sensitivity toward the varying local political contexts and cultural traditions the French believed they had found there. Engaging the work of Benedict Anderson on nationalism in the Third World, Raffin details the mechanisms by which a set of French colonial practices and discourses sponsored by the colonial state promoted nationalism among local youth and

helped to lead the countries of the former French Indochina toward militaristic regimes. This well-researched volume provides a valuable contribution to a period of Indochinese history that is still little studied, and is important reading for students and scholars of colonial history who seek a long-term historical perspective on empire and post-empire state building.

**Digital Electronics—GATE, PSUS AND ES Examination** Satish K Karna, Test Prep for Digital Electronics—GATE, PSUS AND ES Examination

**Advances in Cryptology – EUROCRYPT 2013** Thomas Johansson,Phong Q. Nguyen,2013-05-09 This book constitutes the proceedings of the 32nd Annual International Conference on the Theory and Applications of Cryptographic Techniques, EUROCRYPT 2013, held in Athens, Greece, in May 2013. The 41 full papers included in this volume were carefully reviewed and selected from 201 submissions. They deal with cryptanalysis of hash functions, side-channel attacks, number theory, lattices, public key encryption, digital signatures, homomorphic cryptography, quantum cryptography, storage, tools, and secure computation.

SEC Docket United States. Securities and Exchange Commission,2009

**Coercion and the State** David A. Reidy, Walter J. Riker,2008-03-19 A signal feature of legal and political institutions is that they exercise coercive power. The essays in this volume examine institutional coercion with the aim of trying to understand its nature, justification and limits. Included are essays that take a fresh look at perennial questions. Leading scholars from philosophy, political science and law examine these and related questions shedding new light on an apparently inescapable feature of political and legal life: Coercion.

Ggi: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Ggi : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Ggi Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ggi has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ggi has opened up a world of possibilities. Downloading Ggi provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ggi has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ggi. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ggi. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ggi, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ggi has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ggi Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
