A Glimpse of the Chosen Richard J. "Dick" Hill,2016-11-18 A Glimpse of the Chosen challenges readers to ponder the Bibles teaching of the doctrine of election. The writer begins by giving a small glimpse into the domain of the absolute holiness of God, his amazing power, his righteousness, and his love. God, who is the ultimate genius, has a divine purpose for everything that occurs in time and space, both good and evil, in order to ultimately reveal the amazing riches of his glory. A Glimpse of the Chosen unfolds a glimpse of Gods work in calling people to him, beginning in the Garden of Eden, continuing throughout history, and ending with the kingdom of Jesus Christ. The writer demonstrates that we are fallen creatures with a distorted knowledge of life. We can take comfort in the fact that no matter how things appear, God is in control and has a purpose for every human being, both saved and lost, that he creates.

A Glimpse of Paradise Christopher Wingfield,2013-12-01 A Glimpse of Paradise is Christopher Wingfield's story of a unique African childhood. It's a book that shares Christopher's love of Africa, capturing a childhood spent in the bush. Christopher Wingfield is the youngest son of a prominent white hunter based in East Africa. A Glimpse of Paradise is his extraordinary account of his childhood beginning with his family's flight from East Africa in the midst of political turmoil. His father's work took the family to the beautiful and remote camp called Lilau situated on the banks of the Limpopo river in Mozambique. Here they experienced awe-inspiring encounters with wild animals, but also faced adversity – including flood waters and rabies epidemics. Once again political strife drove them on to a new African home – and they settled in the scenic Mazoe valley in Rhodesia, only to find themselves living in a farmhouse fortified against attacks from insurgents. With the deteriorating security situation they moved to an idyllic island on lake Kariba (on the border between Rhodesia and Zambia) to help run a camera safari business. With personal recollections and photos, Christopher's book is a glimpse into a bush childhood in a bygone Africa.

A Glimpse of the Christ Richard J. "Dick" Hill,2016-02-18 The extreme value of what the Lord Jesus Christ accomplished while on earth is based on His true identity. He asked His disciples the piercing question: "Who do men say that I, the Son of Man, am?" His identity continues to be questioned today. The non-Christian community and church members alike struggle to know. Either Jesus Christ is God revealed in human flesh or He is not! This is the very issue that divides the entire human race. Evil powers continue to mount a steady assault upon the character of Christ. To disgrace His character is to destroy the effect of His work on the cross.

A Glimpse of the Christian Richard J. "Dick" Hill,2016-04-13 A Glimpse of the Christian seeks to clarify the true identity and nature of Christians to a world that has become hazy on this subject. In this study, author Richard J. Dick Hill crafts a clear, simple, and easy-to-understand guide to life and ministries of Christians in todays world. Christians are spiritual people connected to Jesus by the supernatural ministry of Gods Spirit. Eleven chapters offer varied glimpses into elements of the Christians life, including possessions, giftedness, security, works, education, and accountability. Each chapter draws upon wisdom from the Scriptures, illustrations from daily life, and insights from Hills own experiences to explain the chapters topic and to provide a fresh perspective from which you may catch a clear glimpse of the Christians life. Hill also provides an appendix that sketches out a method for memorizing key passages from the Bible. Whether you have recently come to faith in Christ and wonder how God may shape your life in the coming years, or you have journeyed to the point in your Christian discipleship where you seek an unobstructed view of your calling as a Christian, A Glimpse of the Christian provides a no-nonsense, plain-spoken, and faithful explanation of the character and mission God grants to people who follow Jesus Christ.

The Glimpse Lis Bensley,2021-06-28 Liza Baker, a rising star in the burgeoning Abstract Expressionist era, finds herself sidelined when she gets pregnant, and decides to have the child. Yet, against conventional wisdom, she's convinced she can have a successful career and be a good mother to her daughter, Rouge. She takes a job teaching at a college and comes up against the harsh realities of the male-dominated art world. Unable to build a successful career, she watches as her former lover, whose work resembles hers, skyrocket to fame. Liza develops a drinking problem and often brings home artist lovers she's met in the city. When Rouge meets Ben Fuller, one of Liza's discarded lovers who subsequently fosters Rouge talent in photography, the complexity of the mother-daughter relationship takes on the added charge of a competition between the two, one that Liza tries to sabotage. THE GLIMPSE is a moving, unsentimental tale of the charged New York art world of the 1950s and the relationship between a mother and daughter as they grapple with their relationship that becomes pivotal to their artwork.

Word Art + Gesture Art = Tone Art Hanns-Werner Heister,Hanjo Polk,Bernhard Rusam,2023-03-06 This book offers a truly interdisciplinary discussion on the relationship between the vocal and the instrumental in music and other arts and in everyday communication alike. Presenting an in-depth systematical and historical analysis of the evolution of word and gesture art, it gives extensive information on the anthropological, biological, and physiological influences and interactions in music and beyond. The book gives a unique definition of the genuinely vocal and instrumental from their generative deep structure: They derive from and are determined in their production by the duality of voice and hands, and in terms of product as the tone or ‘tonal’ on the one hand, and the percussive, that is noise plus rhythm, on the other. This book succeeds in bringing together perspectives from art, and from natural and social sciences, merging them to offer new explanations about the relationship between the vocal and instrumental, and eventually about the origins of music, arts, and language. It offers new perspectives on the intertwining between the vocal and the instrumental, specifically in the context of the expressions of human languages. At the same time, this book aims at clarifying and explaining the role of words and gestures in different contexts, such as society and communication, education, and arts.
