*My Icon Library* Willemien Brand, 2021-04 My Icon Library is an essential collection of impactful images that will empower you to embark on your own journey of visual thinking and storytelling. The collection consists of the most common, interesting, weird and wonderful concepts created during the author's visual thinking workshops. The concepts are grouped into categories that regularly crop up at the workshops: finance, technology, innovation, agile and sales, as well as broader themes such as team dynamics, way-of-working, politics and the world we live in. This is not a definitive list: every story is different and has its own blend of icons and visuals. My Icon Library is a source of inspiration and a go-to reference for whenever you need a visual that's a tad too complicated for your imagination or a Google Images search. It also works as a great companion to author's other bestselling books: Visual Thinking and Visual Doing.

*Bobby Kennedy* Larry Tye, 2017-05-09 “A multilayered, inspiring portrait of RFK . . . [the] most in-depth look at an extraordinary figure whose transformational story shaped America.”—Joe Scarborough, *The Washington Post* NEW YORK TIMES BESTSELLER • Soon to be a Hulu original series starring Chris Pine. Larry Tye appears on CNN’s *American Dynasties: The Kennedys*. “We are in Larry Tye’s debt for bringing back to life the young presidential candidate who . . . almost half a century ago, instilled hope for the future in angry, fearful Americans.”—David Nasaw, *The New York Times* Book Review Bare-knuckle operative, cynical White House insider, romantic visionary—Robert F. Kennedy was all of these things at one time or another, and each of these aspects of his personality emerges in the pages of this powerful and perceptive biography. History remembers RFK as a racial healer, a tribune for the poor, and the last progressive knight of a bygone era of American politics. But Kennedy’s enshrinement in the liberal pantheon was actually the final stage of a journey that began with his service as counsel to the red-baiting senator Joseph McCarthy. In *Bobby Kennedy*, Larry Tye peels away layers of myth and misconception to capture the full arc of his subject’s life. Tye draws on unpublished memoirs, unreleased government files, and fifty-eight boxes of papers that had been under lock and key for forty years. He conducted hundreds of interviews with RFK intimates, many of whom have never spoken publicly, including Bobby’s widow, Ethel, and his sister, Jean. Tye’s determination to sift through the tangle of often contradictory opinions means that *Bobby Kennedy* will stand as the definitive biography about the most complex and controversial member of the Kennedy family. Praise for *Bobby Kennedy* “A compelling story of how idealism can be cultivated and

liberalism learned . . . Tye does an exemplary job of capturing not just the chronology of Bobby's life, but also the sense of him as a person."—Los Angeles Review of Books "Captures RFK's rise and fall with straightforward prose bolstered by impressive research."—USA Today "[Tye] has a keen gift for narrative storytelling and an ability to depict his subject with almost novelistic emotional detail."—Michiko Kakutani, The New York Times "Nuanced and thorough . . . [RFK's] vision echoes through the decades."—The Economist

**Icons from the Museum of Applied Arts and Sciences Collection** Drusilla Modjeska, 2016 Acclaimed Australian author Drusilla Modjeska has collaborated with the Museum of Applied Arts and Sciences, Sydney, on a new MAAS publication, Icons. Published to accompany the Icons exhibition, the book presents more than 70 beautifully photographed objects from the Museum's collection, and considers the notion of 'icon' in all its complexity -- from its origins as a sacred image to a more contemporary definition that equates icons with mass culture and popular appeal. The objects featured in the exhibition and book present various aspects of luxury, celebrity, status, spirituality, value and genius. Through her extensive research, discussions with the curators and handling of the objects, as well as her insights as a creative writer with a deep interest in the processes of making

and human imagination, Drusilla has discovered deeper levels of meaning about particular objects in her essay 'The Wonder World of Things'. The publication also includes essays by lead curator Jacqui Strecker on reimagining the Museum's icons, Jennifer Isaacs on artist Thancoupie's work, and short essays by MAAS curators on selected collection objects, including Marc Newson's Lockheed Lounge, Howard Florey's miracle mould penicillium notatum, a Ming dynasty temple bell and that crochet dress by Romance Was Born and worn by Cate Blanchett. Drusilla Modjeska's collaboration on the Icons project was made possible by a grant from the Copyright Agency Cultural Fund.
