The United Nations and Somalia, 1992-1996 ,1996 The civil war, the consequent famine and the collapse of governmental authority in Somalia led to a United Nations operation in Somalia with no precedent in the history of the Organization. The United Nations and Somalia, 1992-1996 is a comprehensive account of that experience, in which the United Nations Operation in Somalia and the Unified Task Force (led by the United States of America) carried out a broad mandate involving peace-keeping and peace-enforcement as well as the provision of humanitarian aid, the promotion of national reconciliation and assistance in rebuilding Somalia's devastated infrastructure and institutions. This volume includes more than 100 key documents relating to these efforts. An

extensive introduction by Secretary-General Boutros Boutros-Ghali and a detailed chronology complement the texts. The documents reproduced include: Resolutions of the General Assembly and of the Security Council; Reports, statements and correspondence of the Secretary-General; Political agreements reached by the Somali parties; International appeals, plans of action and other materials related to the efforts of the United Nations and non-governmental organizations to provide emergency famine relief and humanitarian assistance.
