China's Publishing Industry Qidong Yun,2018-08-23 China's Publishing Industry presents a portrait of the contemporary Chinese publishing industry in its political and commercial contexts, and analyses how its structures are influenced by the state and by market forces. Starting with an overview of the publishing business in China, this book takes a long view of the profound changes in China's publishing industry, covering a period from the 'socialist transformation' under Mao to the more recent reforms, such as the conglomeration and corporatisation, of the industry. The book investigates the impact of the changing social, economic and ideological environment on the structure and operation of the publishing industry, and explores how the burgeoning digital publishing business is shaped by the broader social context. It reveals that the process of commercialisation in China's publishing industry has been marked by persistent tensions and contradictions, and demonstrates, through case studies, how these tensions have impacted everyday practices. Provides contemporary industry information about China's publishing. Presents a clear overview of trends and explains the fundamental dynamics behind them. Gives an analytic account of China's publishing, demonstrating the interaction between the broader social context and the publishing industry. Explains the legacies of the old system, the predicaments inherent in the current industry, and the limits of ongoing reforms. Illustrates how a typical state publishing group operates and copes with the demands from the party, the pressures from the market and the challenges posed by digital technologies.

**CLICK!** Jagmohan Bhanver,Komal Bhanver,2017-03-25 A sharp study of the evolution of the e-commerce sector in India and how it is reshaping the way we do business. Whether we're hailing a cab or ordering food, buying groceries or shopping for clothes, booking a hotel or finding the right doctor ? our lives today are lived online. For a population with severe trust issues with online payments, Indian consumers have embraced ecommerce with phenomenal enthusiasm in the past few years. In turn, an incredible number of e-commerce companies operate here today, the more successful among them disrupting business paradigms and changing the way products and services are bought, sold and consumed in the country. Just how has this transformation come about? Through the stories of eight players that have experienced the incredible highs and lows that the industry has witnessed ? Flipkart, Snapdeal, MakeMyTrip, Pepperfry, Just Dial, redBus, InMobi, Paytm ? that have experienced the incredible highs and lows that the industry has witnessed, this book unravels the incredible story of the evolution of e-commerce in India. Taking into account the recent rumblings that have shaken the industry ? from competitive pricing and discount wars to devaluation of former star companies to new and stringent government regulations ? Click! presents a long view of where the industry is headed and presents an incisive vision of it that is both inspirational and cautionary.

*Just Thieves* Gregory Galloway,2021-10-19 A CrimeReads Best Noir Novel of 2021 A sucker punch noir that is also a powerful and haunting allegory of work, debt, and power. —Richard Price An unreliable narrator makes this thriller all the more gripping. —WBUR A down and dirty gem of a tale—a twisty and twisted crime novel that evokes the worlds of George V. Higgins, Patricia Highsmith, and David Mamet, destined to be a Neo-noir classic. Rick and Frank are recovering addicts and accomplished house thieves. They do not steal randomly - - they steal according to order, hired by a mysterious handler. The jobs run routinely until they're tasked with taking a seemingly worthless trophy: an object that generates interest and obsession out of proportion to its apparent value. Just as the robbery is completed, the two are involved in a freak car accident that sets off a chain of events and Frank disappears with the trophy. As Rick tries to find Frank, he is forced to confront his past, upending both his livelihood and his sense of reality. The narrative builds steadily into a powerful and shocking climax. Reveling in its con-artistry and double-crosses, *Just Thieves* is a nail-biting, noirish exploration of the working lives of two unforgettable crooks and the hidden forces that rule and ruin their lives.

**Information is Beautiful** David McCandless,2009 A visual guide to the way the world really works Every day, every hour, every minute we are bombarded by information - from television, from newspapers, from the internet, we're steeped in it, maybe even lost in it. We need a new way to relate to it, to discover the beauty and the fun of information for information's sake. No dry facts, theories or statistics. Instead, Information is Beautiful contains visually stunning displays of information that blend the facts with their connections, their context and their relationships - making information meaningful, entertaining and beautiful. This is information like you have never seen it before - keeping text to a minimum and using unique visuals that offer a blueprint of modern life - a map of beautiful colour illustrations that are tactile to hold and easy to flick through but intriguing and engaging enough to study for hours.
