

Lazy Son Eve Langlais,2017-09-26 I am the Son of Perdition, foretold by legend and feared by all of mankind. One day I will rule the world with my army of darkness. At least that's what Christopher was told as a kid by the satanic group worshiping him. They raised him with visions of grandeur, and spoiled him rotten - until his mom got arrested for murder. Life went down hill after that. I'm the antichrist. Where is the glory? The minions? The women? All he has is his job as a gravedigger and the weed he grows behind the mausoleum. And then it happens. A chance encounter with a hot chick is followed by the dead rising, and he meets some mysterious force claiming to be his mother. Can this lazy prince in waiting rise to the occasion and embrace destiny? Genre: Urban fantasy, demon romance, shapeshifter, witches and wizards, hell story, dark fantasy, action and adventure paranormal, humorous paranormal, paranormal romance, romantic fantasy

Lazy Son Eve Langlais,2020-09-15 *** Large print edition. Being Lucifer's only son shouldn't be so much work. Christopher might be the Antichrist, but taking over the world and leading the minions of darkness sounds like a lot of work.

Lazy Son Eve Langlais,2017-09-26 The problem with being born with expectations is the failure to live up to any. Christopher might be the antichrist but taking over the world and leading the minions of darkness sounds like a lot of work. And while slacking is a sin his supposed dad Lucifer approves of, his lack of goals is a problem. Personally, Christopher would rather just work hard enough to make ends meet--and maybe buy a six-pack. But fate is conspiring against him. For some reason the dead won't stay in the ground, apparently he's not an only child, he has sisters and this hot chick he met in the cemetery refuses to sleep with him. It's time for this lazy prince in waiting to rise to the occasion and embrace destiny--or at least make out with it.

The Critical Thinking Toolkit Galen A. Foresman, Peter S. Fosl, Jamie C. Watson, 2016-08-29 The Critical Thinking Toolkit is a comprehensive compendium that equips readers with the essential knowledge and methods for clear, analytical, logical thinking and critique in a range of scholarly contexts and everyday situations. Takes an expansive approach to critical thinking by exploring concepts from other disciplines, including evidence and justification from philosophy, cognitive biases and errors from psychology, race and gender from sociology and political science, and tropes and symbols from rhetoric Follows the proven format of The Philosopher's Toolkit and The Ethics Toolkit with concise, easily digestible entries, "see also" recommendations that connect topics, and recommended reading lists Allows readers to apply new critical thinking and reasoning skills with exercises and real life examples at the end of each chapter Written in an accessible way, it leads readers through terrain too often cluttered with jargon Ideal for beginning to advanced students, as well as general readers, looking for a sophisticated yet accessible introduction to critical thinking

Truck Shot Jim Stinson, 2007-02-01 Stoney Winston is teaching a film workshop at low-rent Angeles Commercial Design College when the college president is literally blown away. To pry loose the insurance transfusion needed to keep the dying college alive, Stoney has to prove it wasn't suicide. Stoney follows the trail into a labyrinth of embezzlements, real estate hustles, and suspicious moves by a mysterious multinational company. Before he emerges, he has to fight fires and foil attempts on his life. Through all this, he has to help his class finish their pretentious student film, which involves a woman and a goldfish, both of them symbolic, naked, and pregnant. Meanwhile, his prettiest student wants him in bed, his friend Tina, the new college president, leans on him for help and maybe more, and a surprise from his past adds romantic complications. In the end, Stoney's glad to retreat to the routine madness of Hollywood and resume his eternal struggle to rise above the bottom level of the Industry food chain.

Playing By the Rules Morgan Hach, 2014-04-01 When Gabriel Clarke makes a deal with the Devil, he believes that his wish has finally been granted. He is given the ability to live forever. This deal, however, comes with three simple rules: don't tell anyone, don't get killed, and don't fall in love. As time passes, Gabriel realizes that these rules are harder to follow than he thought, and the consequences are greater than he could have ever imagined.

Belial's teachings Vlad Tudosie, 2017-10-26 Living alone and forgotten by almost all those he loved, life does not seem to have much in store for a depressed writer. That until one day, when a mysterious apparition from outside the physical world decides to show him new ways of thinking through intelligent and sometimes humorous observations that challenge the status quo, which will bring change to his life forever. A change that, as he will soon learn, comes first and foremost from within himself. About the Author: The author has had his fair share of life disappointments and obstacles, which inevitably led to him questioning human relationships, society and even life itself. In an effort to regain control over himself, he resorted to reading books on psychology, spirituality and self-improvement and as a result, his own philosophy of life was born, which he would adopt and follow forever since that moment. A philosophy comprised of ideas the author wishes to share with others through the creation of this book.
