

Midtown

Christopher Newman

Midtown North Christopher Newman,1991 A big shot cop from Internal Affairs is found dead in a Hell's Kitchen alley. The official report says the shooter was a local lowlife, but Detective Joe Dante knows that the cops from Internal Affairs have more enemies on the Force than off it. Was the cop murdered by one of his own? As Dante presses his investigation, the department closes ranks, and soon Dante must put his own life on the line to stop the killer from striking again . . .

Kansas City's Historic Midtown Neighborhoods Mary Jo Draper,2015-03-16 The unique character of Midtown—from Thirty-first to Fifty-fifth Streets, State Line to the Paseo—grew out of its development as the streetcar suburbs of an expanding Kansas City. As residents both rich and poor moved out of the crowded downtown area after 1880, Midtown neighborhoods were built. The first wave brought mansions to major streets such as Armour Boulevard, Troost Avenue, and Broadway Boulevard, and later a housing shortage spurred the development of Midtown's unique apartment buildings. Well-known architects and local developers created bungalows, shirtwaists, and tree-lined residential streets. Churches and schools, business districts, movie theaters, and other entertainment venues quickly followed residents in their migration to the "south side." By the 1940s, Midtown's growing residential districts had developed into today's popular neighborhoods, including Center City, Coleman Highlands, Countryside, Crestwood, Heart of Westport, Hyde Park, Manheim Park, Old Hyde Park, Plaza-Westport, Rockhill, Volker, Roanoke, South Plaza, Southmoreland, Squier Park, Sunset Hill, Troostwood, Valentine, West Plaza, and Westwood Park.

Murder in Midtown Liz Freeland,2019-03-26 In 1913, while the women's suffrage movement gains momentum in the nation's capital, the thought of a woman joining the New York City police force is downright radical, even if recent transplant Louise Faulk has already solved a murder . . . Louise has finally gathered the courage to take the police civil service exam, but when she returns to her secretary job at the midtown publishing house of Van Hooten and McChesney, she's shocked to find the offices smoldering from a deadly, early morning fire. Huddled on the sidewalk, her coworkers inform her that Guy Van Hooten's body has been found in the charred ruins. Rumors of foul play are already circulating, and the firm's surviving partner asks Louise to investigate the matter. Despite a number of possible suspects, the last person Louise expects to be arrested is Ogden McChesney, an old friend and mentor to her aunt Irene. Louise will have to search high and low, from the tenements in the Lower East Side to the very clouds above the tallest skyscrapers, to get to the bottom of an increasingly complex case . . .

Midtown South Christopher Newman,1986-07-12 The rich, the poor, and the evil take on two New York cops in a gripping novel that rips the city wide open.

Manhattan's Turtle Bay Pamela Hanlon,2008-01-01 The mid-20th century ushered in a new era for the East Midtown neighborhood of Turtle Bay. The United Nations moved into its headquarters on the East River, and the Third Avenue El--last of Manhattan's elevated rail lines--was dismantled, making way for one of New York City's biggest building booms. The site of large farms in colonial times, Turtle Bay grew into a neighborhood of elegant brownstones in the mid 1800s, only to deteriorate with the arrival of factories and slaughterhouses later in the century. In the 1920s, charming town houses and luxury apartments sparked a renaissance, attracting influential and celebrated residents to this small town oasis in the heart of the city. Manhattan's Turtle Bay tells the story of the past half-century, as the neighborhood recognized its role at the center of the world's diplomatic stage and adjusted to life amid the gleaming high-rise towers all around.

Midtown Manhattan Through Time Richard R. Panchyk,2015-10-29 The concept of New York City's Midtown has evolved a great deal since the first settlers arrived in the early seventeenth century. The center of town moved steadily north over the following centuries. Modern Midtown encompasses everything between 14th Street and 59th Street, and includes three of the city's major transportation hubs - Pennsylvania Station, Grand Central Station, and the Port Authority Bus Terminal. It features the city's finest shopping and entertainment, and most well-known skyscrapers--the Empire State Building and the Chrysler Building. Midtown also includes such landmarks as the United Nations, Rockefeller Center, St. Patrick's Cathedral, and the New York Public Library. The heart of midtown, between Lexington Avenue and Eighth Avenue, has changed the most over the last century, while to the east of Lexington and the west of Eighth, you can still find many original nineteenth century buildings. The writer O. Henry once said about New York City: It'll be a great place if they ever finish it. Midtown Manhattan is a great place precisely because it is ever a work in progress, a dynamic and vital part of the city that offers a colorful and exciting mixture of old and new.

Oklahoma City's Midtown Bradley Wynn ,2014 The story of Oklahoma City would be incomplete without its suburban Midtown, a work-and-play community nearly as old as the city itself. Located along the northern edge of downtown, Midtown has become a surging community of diverse neighborhoods, businesses, and dynamic revitalization efforts within its nearly 387 acres. Among this area's unique attractions are Oklahoma's first hospital, grocery store, and kindergarten, as well as surviving territorial Victorian homes and so much more. These pages contain numerous images--published for the first time--that capture the moments and people from the Midtown community that shaped downtown Oklahoma City. From the first land rush in 1889 to innovations that would change medicine worldwide, this is the story of Oklahoma City's Midtown.

Pronounced Ponce: The Midtown Murders Ray Dan Parker, Suburban homemaker Allison Embry believes she has gotten away with killing her young boyfriend... until she gets a call from his drug supplier with a proposition that threatens to destroy her family and the comfortable life she has built. Atlanta Police Lieutenant Paxton Davis, nearing retirement, must find the Midtown Murderer before he strikes again. For Davis, this case is all too reminiscent of the 1979-1980 child murders that marked the beginning of his career. Widowed newspaper writer Tom Williams plans to pursue his lifelong dream, to travel the US and chronicle his experiences. Then Tom receives word that an unknown assailant has killed a third lawyer nearby. As he ponders what else can go wrong, his daughter, a criminal defense attorney, calls to say she's leaving her husband and moving home with her two sons. For Parker, storytelling is all about the characters. Here we meet an assortment of eccentric people, from the affluent to the destitute, the good, the bad, the unforgettable. Pronounced Ponce, Book Three in The Tom Williams Saga, takes us on a high-speed chase through some of Atlanta's most colorful neighborhoods.

Midtown Sacramento William Burg,2014-09-02 Though once scheduled for demolition, Midtown Sacramento battled back to become the city's geographic and cultural center--a beacon for offbeat artists, progressive thinkers and independent spirits. This eclectic neighborhood made history through social progress and artistic innovation. Through the hippie counterculture of the 1960s, the irreverent power of punk rock in the 1970s and '80s and the social and political consciousness of Generation X in the 1990s and beyond, Midtown always led the way. Now Sacramento historian and Midtown resident William Burg tells the story of the diverse generations of Sacramentans who shaped this trailblazing neighborhood.

It was All in the Cards Michael Evans,2004-02-15 My book is a true-life depiction of a young fifteen-year old growing up on the midtown Manhattan streets from 1979 to 1986, where hustlers, pimps and con men ruled the day. I tell the good, the bad, and the ugly parts of my life and how I eventually made it off the streets.

The Deuce (Midtown Blue Book #1) F. P. Lione,2005-01-01 Tony Cavallucci is a New York City police officer fighting for his life. The crime and corruption he sees on the job combined with a failing family life leave Tony feeling drained, lost, and frightfully alone, causing him to look for happiness in all the wrong places. Just when he is about to give up, Tony is partnered with Joe Fiore, another Italian-American cop who exudes the strength and confidence that Tony has been searching for. Though wary of his new partner, Tony finds that the day-to-day toils of his job force him to swallow his pride and look to Fiore for help. Writing with grit, freshness, and

authenticity, authors Frank and Pam Lione, born-and-bred native New Yorkers themselves, bring to life the loneliness that haunts even New York's finest

Prince of Midtown Jennifer Lewis,2008-09-01 721 PARK AVENUE: Apt. 12B TENANT: Sebastian Stone, Prince of Caspia SCANDAL: Seducing a commoner! Crown Prince, billionaire businessman and globetrotting bachelor Sebastian Stone needs assistant Tessa Banks to hold his life together. From his Manhattan office she organizes his public and private life with ease. So when Tessa gives notice, Sebastian resorts to what he does best: seduction. Ermine and jewels in his sun-drenched palace...sensual pleasures beyond her wildest fantasies. But when the two weeks' notice is up, the prince discovers his plan has backfired. He's fallen for a woman he can never marry....

Skells (Midtown Blue Book #3) F. P. Lione,2006-06-01 The NYPD has a name for the perps who live on the streets. They are called skells, people who cause trouble for cops trying to keep the peace. Night after night of run-ins with the skells takes its toll on NYPD cop Tony Cavallucci, who's just trying to see them as people who need compassion. But with his co-workers mocking his newfound caring attitude, Tony is finding it hard to keep up with a job that too often drags him down. Meanwhile, Tony finds little solace from his family, which is at war with itself, creating wounds that will be hard to heal. Seeing the mess his family has become, Tony's determined not to make the same mistakes. But after he learns of events from his father's past, will Tony change his perspective? Book 3 in the Midtown Blue series, Skells combines grit with an unexpectedly engaging vulnerability to make this story of a rugged cop a captivating read.

Sacramento's Midtown Sacramento Archives and Museum Collection Center,Historic Old Sacramento Foundation (Sacramento, Calif.),2006 As Sacramento's neighborhoods grew eastward from Fifteenth Street to Thirty-first Street (later Alhambra Boulevard), the area evolved into a complex mix of housing and businesses known as Midtown. Sutter's Fort was still popular, and community groups like the Native Sons of the Golden West restored its last remnants for future generations. In 1927, the city built Memorial Auditorium, a tribute to fallen soldiers, as a large central venue that continues to serve as an important setting for graduations, concerts, and conventions. The J and K Street business corridors expanded from downtown, and identifiable neighborhoods such as Poverty Ridge, Boulevard Park, and New Era Park developed as people settled and established businesses in these growing areas. Today's Midtown supports numerous Victorian mansions and Craftsman bungalows, as well as the legacies of such employers as the California Almond Growers' Exchange, California Packing Corporation, Buffalo Brewery, Sutter Hospital, and the Sacramento Bee newspaper.

PRINCE OF MIDTOWN Jennifer Lewis,Mami Ishikawa,2015-09-26

Dispensing Justice Locally Richard Curtis,Brian Ostrom,David Rottman,Michele Sviridoff,2014-01-02 This book shows the significant impact and success that can be accomplished when courts are designed to meet the needs of the community regardless of traditional proceedings. The presentation of this unique approach marks the way for courts and ancillary justice agencies of all sizes to work together to build community confidence and assure not only quality of life but quality of justice.

The Man in the Booth in the Midtown Tunnel Doug Holder,2008-06-02 Main Street Rag-- (S. Craig Renfro, Jr.): Aside from being the founder, publisher, and co-editor of the prestigious and influential Ibbetson Street Press, Doug Holder writes poetry with a passion and insight that deserves prestige and influence all its own. Laurel Johnson (Midwest Book Review): Holder's work is rich with textual imagery... a master poet who sees the world clearly and shares that vision generously with readers. Joe Gouveia (Host of Poet's Corner- Provincetown Radio): A great poet and a Boston legend. For other fine books see <http://www.cervenabarvapress.com/index.html>

Mid-Town North Christopher Newman,2023-03

A Vortal in Midtown Ashok Banker,2018-04-19 It was human instinct to try to grab a ball. Her hand closed on the vortal and had it actually been a ball, her fingers would have captured it in the most normal of human actions. But the vortal was not a ball. Susan experienced a blinding flash and a deafening bang.' Ashok Banker assaults the senses through shock and awe in this powerful, dark story. Exploring overarching themes of equality, social justice and feminism, this tale is refreshingly original.

Route 71, South Midtown Freeway Construction, Kansas City ,1977

This book delves into Midtown. Midtown is an essential topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Midtown, encompassing both the fundamentals and more intricate discussions.

- 1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Midtown
 - Chapter 2: Essential Elements of Midtown
 - Chapter 3: Midtown in Everyday Life
 - Chapter 4: Midtown in Specific Contexts
 - Chapter 5: Conclusion
 - 2. In chapter 1, the author will provide an overview of Midtown. The first chapter will explore what Midtown is, why Midtown is vital, and how to effectively learn about Midtown.
 - 3. In chapter 2, this book will delve into the foundational concepts of Midtown. This chapter will elucidate the essential principles that need to be understood to grasp Midtown in its entirety.
 - 4. In chapter 3, this book will examine the practical applications of Midtown in daily life. This chapter will showcase real-world examples of how Midtown can be effectively utilized in everyday scenarios.
 - 5. In chapter 4, this book will scrutinize the relevance of Midtown in specific contexts. The fourth chapter will explore how Midtown is applied in specialized fields, such as education, business, and technology.
 - 6. In chapter 5, this book will draw a conclusion about Midtown. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Midtown.
