Clippings of Latin American political, social and economic news from various English language newspapers.

Gestión del Conocimiento en Pymes del Valle del Cauca - Colombia Sandra Cristina Riascos Erazo,Adriana Aguilera Castro,Liliana Romo Melo,2024-02-27 La progresiva importancia del conocimiento como apoyo fundamental para la eficiencia y el desarrollo de las organizaciones, ha sido tema de investigación por parte de varios estudiosos a lo largo del tiempo. Es innegable el valor relevante que ha tomado la sociedad de la información y del conocimiento para el progreso, no solo de las organizaciones, sino de los países en materia de competitividad e innovación (Nonaka y Takeuchi, 1999; Donate y Guadamillas, 2009). Es por lo anterior, que se consideró fundamental el estudio de la gestión del conocimiento y sus pilares (organización, liderazgo, tecnología y aprendizaje, según Stankosky et al., (1999) en el campo empresarial, específicamente, su aplicación en las Pymes del Valle del Cauca. Según la investigación teórica realizada, el conocimiento es un recurso intangible que posibilita interpretar el entorno y permite actuar (Canals, 2003), para mejorar el desempeño de las organizaciones en un entorno cada vez más cambiante.

Imágenes sobre la Universidad del Valle Erico Rentería Pérez, 2011-12-05 En el contexto de exigencias institucionales y proyecciones a nivel regional, nacional e internacional, para las instituciones de educación superior, en los últimos 10 años, han surgido una serie de normas y requerimientos relacionados con políticas de certificación o acreditación que implican procesos de autoevaluación y retroalimentación relacionados con los objetivos misionales como formación, investigación y proyección social, en función de la manera como diferentes grupos sociales ven, evalúan o identifican la gestión de las instituciones de educación superior. Este libro presenta, como producto de un estudio amplio en cinco departamentos y 10 municipios, una aproximación sobre la imagen de la Universidad del Valle a partir de versiones o voces provenientes de diferentes sectores y actores de la sociedad, a nivel regional y nacional, teniendo en cuenta beneficiarios directos e indirectos de las actividades de formación en pregrado y postgrado, investigación y proyección social de la misma, en su área principal de influencia: suroccidente colombiano y parte del eje cafetero. Teniendo en cuenta que la Universidad del Valle no se limita a la docencia sino que, cumpliendo con sus objetivos misionales y su estatuto de universidad pública, se caracteriza, entre otras cosas, por altos desarrollos en investigación y producción intelectual, se presentan versiones de personas vinculadas —además de los relacionados con programas académicos de pregrado y postgrado— a otros grupos objetivo de sectores ligados a I+D tales como grupos de investigación o revistas escalafonados por Colciencias, como voces importantes de personas que representan niveles especializados de la academia y la ciencia en el país.

Libros Antiguos en la Universidad del Valle Alfonso Rubio Hernández, 2014-04-11 La Universidad del Valle

conserva en la Biblioteca Mario Carvajal una valiosa colección de Libros Antiguos, algunos incluso manuscritos, que van desde el año de 1497 al año de 1800. Es un patrimonio cultural que la legislación colombiana considera herencia y memoria y que contribuye a la construcción de la identidad de la Nación, y en nuestro caso, hacen parte del patrimonio institucional. Las Bibliotecas son un órgano vital en la vida de las Universidades. Sus distintas colecciones, fondos documentales y archivos son básicos para el estudio y la investigación. La divulgación de estos fondos contribuye a su función social como garante de los derechos ciudadanos de acceso al conocimiento, de allí el compromiso institucional de conservar este patrimonio histórico y cultural acompañado del interés en fomentar su conocimiento y asegurar la existencia de investigaciones futuras. La Universidad del Valle está comprometida con el enriquecimiento de los procesos de producción de conocimiento y a través del uso de estas fuentes documentales, suscitar la reflexión, despertar y avivar el sentido crítico a través de los documentos conservados en su Biblioteca Central. El contacto directo con los libros antiguos (la observación del tipo de letra, la composición tipográfica, el tamaño y la calidad de la encuadernación, la tinta o el soporte textual; el uso de apostillas marginales, las extraordinarias ilustraciones artísticas; los añadidos posteriores de signos como exlibris o sellos, etc.) tiene una gran capacidad motivadora, pues permite la inmersión de la comunidad académica en documentos históricos y artísticos vivos como son estas publicaciones. El libro que ahora tenemos ante nuestros ojos desea contribuir al conocimiento y disfrute de tan valioso acervo, con el fin de potenciar un patrimonio bibliográfico que acreciente la curiosidad por el pasado cimentado en bases científicas por

medio de unos objetos materiales concretos como estos auténticos y maravillosos ejemplares librarios que en su tiempo dieron a conocer y representaron las mentalidades política, científica y religiosa. Hay una relación directa entre patrimonio cultural, conciencia colectiva y educación o aprendizaje. Dentro del total del Patrimonio Bibliográfico que conserva la Universidad del Valle, esta Colección de Libros Antiguos es un significativo testimonio del espíritu humano, del propósito de trascender y de preservar y socializar el conocimiento. Sólo conservamos aquello que valoramos y sólo valoramos aquello que conocemos y reconocemos su valor. Iván Enrique Ramos Calderón

Área metropolitana del sur del Valle y Norte del Cauca
-AMVACA Zaida Liz Hincapié Aristizábal, 2016-01-25 El presente trabajo reúne los elementos necesarios para concretar la conformación de una nueva división territorial, como es el área metropolitana, para el conjunto de municipios que, bajo la influencia de la ciudad de Cali, están inmersos en el proceso de metropolización. En él, se ha realizado una contundente investigación, en la cual, de una parte, se corrobora la existencia del fenómeno de metropolización, y de otra, se aporta una hoja de ruta con posibles procedimientos a seguir para constituir el área metropolitana de sur del Valle y norte del Cauca. Para delimitar tanto la región metropolitana como el área metropolitana propiamente dicha, el área objeto de estudio fue analizada sistémicamente y cada paso de ese análisis se soportó con el uso de los instrumentos técnicos más apropiados.

Yo vengo desde lejos para decirte bella / I come from afar to tell you beautiful Aljure Fortunato, 2020-12-18 Hoy, estoy más orgulloso y más asombrado de mi padre, Fortunato, un médico y cirujano sobresaliente; que salvó vidas de personas y tuvo el alcance universal de la poesía.

Fue capaz de trasladar su mente científica a su realidad poética artística. Le pregunto al lector, ¿cómo puede ser esto posible? La respuesta está dentro de este libro. En los poemas de mi padre, usted, el lector, encontrará pistas de cómo ser capaz de tener esa apertura de pensamiento y ese alcance universal. / Today, I am prouder and more astonished at my father, Fortunato, who being an outstanding medical doctor and surgeon; who saved lives of people, was able to have the universal scope of poetry. He was able to shift his scientific mind to his artistic poetry reality. I ask the reader, how can this be possible? The answer lies within this book. In my father's poems you, the reader, will find clues on how to be able to have that openness of thought and that universal scope.

Ramona ,2001

Embryology human integrated Wilmar Saldarriaga Gil, Carolina Isaza de Lourido, Julián Ramírez Cheyne, 2020-07-29 This edition covers the embryology since the preparation of fertilizing cells in spermatogenesis and the menstrual cycle; fertilization and implantation; including the first weeks of development, placenta development, basic principles of neonatal physiology and adaptation; up to the basics of congenital anomalies and prenatal diagnosis. In the same manner, this text integrates the concepts of molecular induction in human embryology, congenital anomalies and prenatal/postnatal diagnosis. Thus, easing the understanding of complex embryological processes for the medical students in their comprehension of the relation between molecules, embryology processes, organs and systems formation and physiology. Knowledge also valuable for obstetrics/gynecology and pediatrics residents and specialist, that frequently face patients with congenital anomalies found via in utero ultrasound or in extrauterine

life, creating the need of analyzing which processes failed and caused the anomalies during fetal development. This edition of the book Integrated human embryology contains more than 150 improved figures and about 50 new ones. An extra chapter about prenatal diagnosis was also added, this chapter includes updated cell-free fetal DNA concepts regarding the detection of chromosomal abnormalities. Therefore, this edition achieves the integration of different processes of human development, while using illustrative figures that ease embryology and its clinical application.

La reina del valle Lorena Hughes, 2024-01-15 Una hacienda legendaria en Colombia, un terremoto y tres desconocidos, cada uno con sus secretos, que se unen para encontrar a su dueño desaparecido. Otra historia maravillosa de la autora de La hija española. Colombia, 1925. Martín Sabater ha conseguido su sueño; ser el dueño de una plantación de cacao en el Valle del Cauca. Una noche, durante una gran fiesta, desaparece. Con el tiempo, la que un día fue una maravillosa hacienda se convierte en un hospital que atiende enfermos en una pandemia que asola el país. Entre las enfermeras se encuentra «sor Puri», que oculta bajo su disfraz de novicia quiere descubrir la verdad que se esconde detrás de la desaparición de Martín. Un amigo de la infancia de Martín, Lucas Ferreira, fotógrafo de profesión, tiene sus propias razones para colaborar con la bonita novicia. Sin embargo, es alguien que guarda sus propios secretos, que podrían resultar letales. Para sor Camila, la enfermera jefe, Martín era el único hombre del mundo pero... Un error desafortunado lo cambió todo para siempre. ¿Lograrán los tres, Puri, Lucas y Camila, dar con el paradero de Martín? Y, cuando lo hagan, ¿podrán sobrevivir a la verdad que descubran?

selection of free
eBooks in
different genres,
which are
available for
download in
various formats,
including PDF.
Finding specific
Omar.delvalle,
especially related
to Omar.delvalle,
might be
challenging as
theyre often
artistic creations
rather than
practical
blueprints.
However, you can
explore the
following steps to

search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Omar.delvalle, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Omar.delvalle books or magazines might include. Look for these in online stores or libraries. Remember that while Omar.delvalle, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them

from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Omar.delvalle eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on

their websites. While this might not be the Omar.delvalle full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Omar.delvalle eBooks, including some popular titles.

FAQs About Omar.delvalle Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and

device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet,

or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Omar.delvalle is one of the best

book in our library for free trial. We provide copy of Omar.delvalle in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Omar.delvalle. Where to download Omar.delvalle online for free? Are you looking for Omar.delvalle PDF? This is definitely going to save you time and cash in something you should think about.
