Paper Roses (Texas Dreams Book #1) Amanda Cabot,2009-01-01 The future stretches out in front of Sarah Dobbs like the pure blue Texas sky. Leaving the past behind in Philadelphia, mail-order bride Sarah arrives in San Antonio ready to greet her groom, Austin Canfield, a man she has never met but whose letters have won her heart from afar. But there is one problem--he has died. And Sarah cannot go back East. As Sarah tries to reconcile herself to a future that is drastically changed, Austin's brother, Clay, struggles with his own muddled plans. Though he dislikes working on the family ranch and longs for a different life, Clay is driven to avenge his brother's death. But something between them is growing and neither Clay nor Sarah is ready to admit it. Book 1 of the Texas Dreams series, Paper Roses will sweep readers into the Hill Country with a tale of love and loss, closed doors and beautiful possibilities that will leave them wanting more.

Sarey by Lantern Light Susan Beckhorn,2003-01-01 This is a moving story with likeable and vividly drawn characters, simple but important values, and an insightful portrayal of the world seen through the eyes of a child with dyslexia.

Gran'pa Lloyd Harrison Whitling,2001-08-07 Humorous insights you wouldn't expect to find uttered by anyone less than Gran'Pa. All about bugs, boobs, and other offbeat subjects, presented in a way that's guaranteed to elicit more than a little smile. You'll be amazed at what you can do with corset staves, what you'll hear when nobody knows you're there, why poor folks are better off than rich, and why Santa Claus makes his annual rounds (to keep the Earth from tipping over!).

Catching Babies Sheena Byrom,2011-11-24 A midwife's heartwarming and inspirational true story Catching Babies is a moving account of an extraordinary career. It reveals the unique experiences that filled midwife Sheena Byrom's days as she looked after mums and dads and helped to bring their precious babies into the world. From her very first day as a nervous student nurse in Blackburn to the dedicated completion of her midwifery qualifications in Burnley, Sheena has never once looked back, enjoying a thirty-five-year career with the NHS. At the forefront of evolving medical practices, she was the first midwife to oversee a home water birth in her area, but also found herself at the centre of a traumatic delivery that tested her to her limits. Yet, whatever has come Sheena's way, ultimately, there are the strong mothers who taught her so much and the little miracles who have made every single moment as a midwife truly magical.

Escape Your Weight Edward J. Jackowski,2015-09-08 Last year, according to The Institute of Medicine, Americans spent in excess of \$33 billion on weight-loss products and services. However, the economic cost of obesity in the USA was about \$117 billion during this same time period. Obviously a dilemma exists. Why? If all we needed to do was take a magic pill, exercise 10 minutes a day, or eliminate carbs from our diet, as so many Get-Thin-Quick schemes suggest, then why are so many of us still vastly overweight? Because such easy schemes do not tell the whole story about what we need to do to get fit and stay fit. And because we're all different. We think differently, we eat differently, and we exercise (or don't) differently. So we need diet and exercise plans designed especially for us. Whether we're 10 pounds overweight or 25 pounds overweight. Whether we like to exercise or whether we loathe exercise. Whether we can stick to a diet six days a week or 3 days a week. Whether we can exercise every day or twice a week. Escape Your Weight gives you a choice of eating plans and exercise plans that fit you, your likes and dislikes, your strengths and your weaknesses. With expertly photographed exercise plans that are easy even for beginners, along with minimal, inexpensive equipment (no gym required), Escape Your Weight will explain what YOU need to do and what YOU need to eat to become slim and fit.
