Picnics and Tailgates Diane Rossen Worthington, Time-Life Books, 1998 From a lavish summer picnic taken on a scenic alpine hike to an autumn pre-game tailgate party, *Picnics and Tailgates* focuses on meals that are easily prepared at home and pack up well for travel.

**The Tailgate** Elin Hilderbrand, 2014-05-06 A stirring portrait of a relationship at a crossroads, this digital original short story follows two irresistible young lovers as they cope with college life, and invites us into a world we don't want to leave. Clendenin Hughes first kissed Dabney Kimball during a Nantucket snowstorm freshman year of high school. Ever since that moment - God, the rush, the chemistry! - Dabney has known that she and Clen are an unsplittable unit - essentially the same person in two different bodies. Of course, with Dabney now at Harvard and Clen at Yale, those bodies are 140 miles apart. And traveling is a serious challenge for Dabney, for reasons she'd prefer not to discuss, reasons having to do with her mother (or lack thereof). But with the big Harvard-Yale game coming up, Dabney is determined to make the trek to New Haven to see Clen. She's even borrowed a sexy black outfit from a classmate down the hall. But when she arrives at the tailgate to see sparks flying between Clen and Jocelyn, a girl with dark blue eyes and luscious black hair, Dabney fears the collapse of a bond she has never questioned before, a bond so important that she'll be lost without it. To learn the fates of Dabney and Clen, read Elin Hilderbrand's novel, *The Matchmaker*.

*John Madden's Ultimate Tailgating* John Madden, Peter Kaminsky, 1998 Madden takes a witty and tasteful look at two of America's greatest obsessions--sports and food--and how they meet in the purely American phenomenon of the tailgate party. Over 80 recipes sorted by region combine with sidebars explaining regional history and origins, to create a book that is vintage Madden. of color photos.

**Tailgreat** John Currence, 2020-08-25 Bring home all the flavors and excitement of game day thanks to a lifetime of tailgating wisdom from James Beard Award winner and Top Chef Masters contestant John Currence. John Currence is one of the most celebrated and beloved chefs in America, but he's also a tailgating fanatic. For years he has prepared fans to go into battle before football games on his home turf in Oxford, Mississippi, supplying them with dishes that go way beyond the expected burgers and hot dogs. In *Tailgreat* he makes his case that tailgating food can be so much more than sad store-bought dips and chips, as we celebrate the spirit of coming together with friends and family to support a common cause: our team. The dishes are flavor-packed hits like Korean BBQ Wings,

Grilled Corn Guacamole, Sweet Mustard Pulled Pork, and NOLA Roast Beef Po'Boy Bites. With these recipes you will surely lead your team, or at least your next meal, to victory.

There's nothing like day full of football and great food. **The Arena** Rafi Kohan,2018-09-04 Finalist • PEN/ESPN Award for Literary Sports Writing “An inventive, fast-paced look at what have become our modern shrines in a sports-obsessed society.” –Tom Verducci In this “addictive” (Publishers Weekly) romp, intrepid sportswriter Rafi Kohan finagles access to our most beloved fields to find out just what makes them tick: from old-timer Wrigley, creakily adjusting to the twenty-first century, to the oversized monstrosity of Jerry's World in Dallas. Investigating harrowing logistics and deeply ingrained traditions, Kohan employs his infectious “wit and style” (Christian Science Monitor) to expose the realities of building and maintaining these commercial cathedrals of sports worship. “Highly compelling” (Kirkus Reviews, starred review), The Arena is a must-read for superfans, shameless bandwagoners, athletes, groundskeepers, culture junkies, and anyone who's ever headed off eagerly to the ballpark to catch a game.

**Why Do Women Tailgate** Ronald L. Conkle,2019-03-13 So you are suggesting, what? That men do not tailgate? an observer asked. No. He's not suggesting any such thing, another observer interjected. But let's be clear, at least in my opinion, tailgating is failing to have an assured clear stopping distance from the vehicle in front of you. Another observer, a woman, stated that she almost always tailgates in late evenings because it is dark and is often the only one of only two or three vehicles on that dark, lonely roadway. For her it is about a real need to

tailgate, to be close. So why do women tailgate? The simple reason for their tailgating behavior is that they are selfish. The not-so-simple reason for their tailgating behavior is that they are egoistic. The tailgater's desire flowing from her volitional behavior is egoistic if, and only if, it is something that interests her because it is important or affects her and it reasonably benefits her to the exclusion of everyone else. However, the philosopher Spinoza suggested that ethical egoism is a behavior in which everyone ought to seek their own advantage. Why do women tailgate? The philosopher Epicurus suggested that ethics is a form of egoistic hedonism, in that the only thing that is intrinsically valuable is one's own pleasure; anything else that has value is valuable merely to securing pleasure for oneself. Another observer said, Perhaps, because something within her is sending bad or confusing signals. I am suggesting that those tailgating drivers may be getting mixed or confusing cellular signals. That is, in relation to their extracellular matrix, which is a collection of sugars, proteins, as well as other molecules, which is a place where signals affecting cell progression and mental process resurge.

**Crackback!** Fitzgerald Hill, 2012 Every Saturday in the autumn, millions of Americans watch college football. They visit leafy campuses, tailgate with friends, and then sit down to enjoy one of the country's oldest and most beloved sporting traditions. They also witness one of the country's most visible tableaux of racial inequity. Some 120 colleges and universities field teams in the NCAA's top tier of the sport, known as the Football Bowl Subdivision. But only a small fraction of those teams are coached by African-Americans or other minorities. Yet there seems to be little focus on this issue in today's society, even from the African-American community itself. Why is it that the National Football League has advanced so much farther in giving opportunities to minority coaches? Dr. Fitzgerald Hill, along with award-winning sportswriter, Mark Purdy, attack the racial dynamics of the important Crackback syndrome, in which minority coaches are led to believe they actually do have a fair chance at every job opening-only to be blindsided at the last minute by hidden forces that undermine their dreams. There is hope for the future, but first we have to be willing to look closely at a sensitive topic. That is why Crackback is necessary for everyone, especially college football fans-of any color or team.
