**Dear Adventurist** Brandi Marie, 2020 In this collection of original poems, the dreams, desires, and experiences of a young traveller are explored through the lens of a young woman seeking to know herself, the world around her, and the people in it. Using a lyrical free-verse style, these "letters to travellers" acknowledge the fear and trepidation of setting out on your own to find adventure, meet up with kindred spirits, find love, be homesick, discover where home really is, and everything in between. Travellers and adventurers of all ages will discover something of themselves in these pages, including small reminders that they're accomplishing great things even when it doesn't feel like it. They'll also come to understand that as messy as life can be, there is still love and hope for the inhabitants of our little blue planet. "I want to spark people's curiosity, broaden their perspectives, open their minds, and open their eyes to this small world full of too many things for one lifetime." -Brandi Marie

100 Terrible Names For A Baby Johnny Dongle, 2014-04-25 100 Terrible Names For a Child is a vile, profane, painfully hilarious and superlatively offensive rebuke to parents everywhere -- parents who have vomited their self-styled creativity all of the canvas of their children's birth certificates by giving them absurd names. For years, millions of us have murmured under our collective breath about the descent of modern children's names into the depths of the ridiculous, and now those millions have a voice. Teachers, nurses, parents, students: if you've ever rolled your eyes at a child's name and fantasized about ridiculing his/her parents for their self-serving pretentiousness -- or simply their ability to spell correctly -- this is the book for you. Johnny Dongle has done it for you. You're welcome.

**An Incomplete Life** Vijaypat Singhania,2021-10-31 'I'm trying to accept that my life has changed.' In February 2015, an unforeseen setback cost Vijaypat Singhania, the erstwhile Chairman Emeritus of Raymond Group, the work of his life and his cherished family home. One of India's most legendary industrialists, today he is fighting a battle to recover all that he has lost. In his first and only autobiography, he traces his extraordinary life from an anguished childhood to the many dynamic decades he spent at Raymond and the tumultuous years after. Born into the famed Singhania family, Vijaypat was always expected to take up the storied family business. But not one to be deterred from pursuing his own passions, he also nurtured his love for adventure in the skies and broke two world

records as an aviator, served a brief stint as a professor and even became the sheriff of Mumbai for a time. All the while, under his stewardship, the Raymond Group diversified into new segments, with Raymond soon being recognized as one of India's most trusted apparel brands. And then a singular misstep set in motion a grave misfortune ... Intimate, candid and deeply moving, *An Incomplete Life* is in fact a rare glimpse into a life lived to the fullest but marked by the painful sting of regret and heartbreaks.
