Silver Lining Scott D. Anthony,2009-06-01 Experts agree: The turbulence triggered by the economic shock of 2008 constitutes the new normal. Unfortunately, too many managers have become paralyzed by it, capable only of slashing costs indiscriminately. Though examining spending during recessions makes sense, the smartest executives do much more. As Scott Anthony reveals in The Silver Lining, these leaders continue innovating--by stopping ineffective initiatives, changing key business processes, and starting more productive behaviors. Result? Their companies emerge from downturns stronger than ever. Providing a wealth of ideas, tools, and examples from diverse industries, Anthony explains how to safeguard your company's profitability during even the toughest recessions. You'll discover how to: -Prune your innovation and business portfolio to liberate resources for more promising initiatives - Adopt a radical new market-segmentation scheme that helps you re-feature your offerings to reduce costs while delivering new value to customers - Reinvent your innovation process to drive fresh growth - Mitigate innovation risks by conducting strategic experiments and forging alliances with customers and other external entities - Appeal to increasingly value-conscious customers to fend off low-cost attackers In today's brutal economic climate, executives must pare costs to the bone while planting and nurturing seeds for tomorrow's growth. The Silver Lining explains how to master this seemingly impossible challenge.

Silver Lining Aleatha Romig,2022-09-02 "Your task is not to seek love, but merely to seek and find all barriers within yourself that you have built against it." ~ Rumi When a wealthy powerful woman's life is threatened, she agrees to one week at a resort. The Consummate Leader Patricia Thompson,2014-07-08 Exceptional leaders inspire others to dream, fill them with a sense of passion, and expertly guide the way to achieving outstanding results; in short, great leaders can change the world. Yet, as we strive to move and motivate people in our given fields, many of us are unsure of how to best develop the untapped potential in others ... as well as in ourselves. In The Consummate Leader, award-winning corporate psychologist and management consultant Dr. Patricia Thompson transforms uncertainty into confidence, drawing on both scientific research and her decade-long experience advising senior leaders. In this holistic and interactive guide to professional development, she illustrates the seven keys to becoming an impeccable leader, including how to: - Achieve heightened self-awareness to affect the way you influence - Build a happiness toolbox to bring joy to yourself and those around you - Care for your whole self first as a hallmark of effecting positive change - Embrace your own authenticity to allow others to embrace their own - Foster positive relationships in the workplace that promote greater productivity - and job satisfaction With her accessible and often humorous style - utilizing notable lessons from Nelson Mandela to SpongeBob SquarePants - Thompson reveals why truly outstanding

leaders not only focus on strategy, metrics, and execution, they also tend to their bodies, minds, and spirits. The Silver Linings Playbook Matthew Quick,2010-04-27 A New York Times bestseller, *The Silver Linings Playbook* was adapted into the Oscar-winning movie starring Bradley Cooper and Jennifer Lawrence. It tells the riotous and poignant story of how one man regains his memory and comes to terms with the magnitude of his wife's betrayal. During the years he spends in a neural health facility, Pat Peoples formulates a theory about silver linings: he believes his life is a movie produced by God, his mission is to become physically fit and emotionally supportive, and his happy ending will be the return of his estranged wife, Nikki. When Pat goes to live with his parents, everything seems changed: no one will talk to him about Nikki; his old friends are saddled with families; the Philadelphia Eagles keep losing, making his father moody; and his new therapist seems to be recommending adultery as a form of therapy. When Pat meets the tragically widowed and clinically depressed Tiffany, she offers to act as a liaison between him and his wife, if only he will give up watching football, agree to perform in this year's Dance Away Depression competition, and promise not to tell anyone about their contract. All the while, Pat keeps searching for his silver lining. In this brilliantly written debut novel, Matthew Quick takes us inside Pat's mind, deftly showing us the world from his distorted yet endearing perspective. The result is a touching and funny story that helps us look at both depression and love in a wonderfully refreshing way.

Ava Dove—the sixth of the seven famed Dove sisters and owner of Ava Dove’s Landscaping and Specialty Teas—is frantic. Just as her new tearoom is about to open, her herbal teas have gone haywire. Suddenly, her sleep-inducing tea is startling her clients awake with vivid dreams, her romance-kindling tea is causing people to blurt out their darkest secrets, and her anti-anxiety tea is making them spend hours staring into mirrors. Ava is desperate for a remedy, but her search leads her into dangerous territory, as she is forced to face a dark secret she’s been hiding for over a decade. Meanwhile, successful architect Ellen Foster has arrived in Dove Pond to attend the funeral of her estranged daughter, Julie. But Kristen has other plans. Desperate to stay with her friends in Dove Pond, she sets off on a quest she’s avoided her whole life—to find her absent father in the hopes of winning her freedom from the grandmother she barely knows.
