**The Perilous Tower** Ian Irvine, 2020-10-18 The terrifying Merdrun are invading – and the world no longer has an army. Karan and Llian fled to the future to save their gifted nine-year-old daughter, but two days later Sulien far-sees the Crimson Gate reopen. The Merdrun are back, this time for good. And Santhenar, after the 160-year Lyrinx War and the decade of chaos that followed, is in ruins. Within days, its greatest cities fall to the most deadly army the world has ever faced. But before the allies can begin the fightback, the Merdrun discover the worst folly of Scrutator Xervish Flydd's long life. The location of the Council's terrible lost weapon, an intelligent killing machine – the spellcaster. A weapon the Merdrun are desperate to find, to cleanse Santhenar of the human race. And only Karan, Flydd and his handful of tormented veterans stand in their way. You won't want to miss this truly epic fantasy series by a million-selling author. Marketing Ethics & Society Lynne Eagle, Stephan Dahl, 2015-09-15 Marketing, while essential to organisational success, is arguably one of the most controversial aspects of business management. Criticisms of marketing's impact range from fostering materialism and unsustainable consumption patterns through to the use of deception, stifling of innovation and lowering of quality, to name but a few. Taking a holistic and international perspective, this book critically examines the ethical challenges marketing faces and explores strategies marketers can use to respond to those challenges. The book examines specific aspects of marketing activities, such as ethical considerations in relation to young consumers, potentially harmful products and criticism of the societal impact of medical, arts and tourism marketing activities. It then combines these with wider discussions of frameworks that enable marketers to respond to ethical challenges, supplemented by discussions of cross-cultural and international perspectives, consumer responses and ethical consumption movements as well as shifting historical perceptions of marketing ethics. The book is accompanied by a companion website including: PowerPoint slides and teaching notes per chapter, links to free SAGE journal articles and online videos selected per chapter by the authors, quizzes per chapter and links to further reading online.

**French Connections** Martin James, 2022-06-15 During the second half of the 1990s, Paris experienced a dance music revolution thanks to groundbreaking artists like Daft Punk, Air, Super Discount, Motorbass, Cassius, Dimitri from Paris, Bob Sinclar and many, many more. It was a scene that became known as French Touch and was heralded throughout the world as the epitome of dance music cool, forever placing Paris on the dance culture map. Journalist and author Martin James was there right from the start, documenting the scene from its inspirations to its earliest moments and onto its global breakthrough. In the process, he inadvertently provided the French Touch moniker that became adopted throughout the world. Drawing on a dazzling array of exclusive interviews with the biggest names in French electronic music history, French Connections explores France's significant contribution to dance music culture that paved the way for the French Touch explosion.

Is it a horrific new weapon to cleanse the world, so they can take it for their own? Only their arch-sorcerer, the sickening, life-drinking magiz, Dagog, knows. Karan, Flydd and their broken allies have only thirty days to find the answer. Thirty days to unlock nine-year-old Sulien’s hidden memory and reveal the Merdrun’s one fatal weakness. But Sulien has been abducted by the magiz, who needs her talent of far-seeing for his monstrous conspiracy.
