Tamara Tamara Tifareth, 2016-10-15 A riveting depiction of one woman's victorious struggle to stake out a unique place in the American Noughties, *Tamara: The Woman Who Conquered Baltimore* captures the intersection of addiction, poverty, sexism, and racism in a way few narratives have managed. Set almost entirely in the city of Baltimore, Maryland, this hybrid of a novel and a memoir recounts the courageous journey of Tamara Tifareth as she transitions her identity through a series of social roles to better understand who she really is and why she exists at all. The pacing and dark humor of the story place it a notch above the sanctimonious style that has come to dominate so much recent social commentary fiction. Born in a San Diego hospital, raised in and around Los Angeles, Tamara Tifareth broke with her family and friends at a very early age, dropping out of high school, then running away from home - though she never made it beyond the desert sands around LA. She continues to spend her life bouncing around the suburbs and communities of Southern California, just as likely slumming it on a couch in an Inland Empire living room as sleeping on a bench in Venice Beach.

Maren's Journey Tamara Mickelson, Darren Croft, 2014-04-25 Join Maren, a 26-year-old flight attendant from Galena, Illinois and her best friend Casey, who embark upon a journey of self-discovery. They both face challenges that will test their strengths, weaknesses, courage, and faith. As Maren searches for answers, and Casey wrestles with a broken heart, both women learn

that people come into their lives for a reason. Along the way, tragedy strikes, leaving Maren with nothing more than a journal to guide her to the truth. Maren opens her heart to a handsome and wealthy lawyer, but her heart may still be in the hands of her high school love. Will Maren finally reach peace with her past? What choices will she make for her future?
