Life of My Life Vincent Cardinale,2000-07 Life of My Life is the tale of young Salvator Cavriaghi, a Sicilian-American butcher living in Oakland, California, who, though he did not plan it this way, falls in love with one Anna Toscana, the daughter of two people Salvator's father quite simply does not like. Unfortunately for Salvator, it would seem Anna doesn't like him either...even when he starts to sing ancient Italian love poetry to her in an Italian operatic accent. Oh, but how he perseveres.

Enchanted Flordelisa Mota,2007-07 Enchanted, the complete stories of Flordelisa Mota is a literary event. They are brought together for the first time in a single volume. Here are nine outstanding fictional stories written to please the readers of this new millennium.Poems of Nature has established her, with others, in the front category of the century's poets. Now her stories arouse out of a mosaic of different races, languages and beliefs. Chasing a Fiend open the door of enchantment and mystifying events in the life of General William Williams. A veteran of the Vietnam War he fell in love with Summer: she is an illusion. To be with her for ever, General Williams must defeat the evil fiend Winter. In Quebec City, the monster appeared. The ending is explosive in human feelings. Bushwick's Street Tales is the story of Santos, whose tranquility is disturbed by the appearance of Nora; the shabby building in Brooklyn is the scenery where love, delusion and a battered wife make the perfect balance for an intensified drama. Santos' schizophrenia makes the story human and intangible at once. The Parrot Without Wings is the story of an international thieves' organization planning a robbery from the Metropolitan Museum of Art in New York City. A Moroccan looks through the majestic façade of the building, trying to figure out how to get inside. Beatrice is the key, also the victim. To be Free is a hilarious love affair between two lighted candles. Flame and Fire fall in love. They live in the palace of Countess Frances. They plan to escape from the palace, but before they can they have to pass through Starry Light, a priceless Vincent van Gogh Masterpiece. The readers will be driven into fantasy by the tenderness of the characters. Museum of Sand is a story deeply connected with emigrants. For those who have left their homeland, this story will bring tears and joy. Angela Maria's vision of the Egyptian Lady is moving. The brutal assassination of Mexico's Police Commissioner impelled her to leave her country abruptly. It is a story about the few, to the delight of many. Miss John a beautiful girl's destiny is changed by her father when he chose a masculine name for her. This name molds her character and makes her vulnerable to blackmail. Miss John is an emotional story. Its beauty and ending is unsuspected. The Secret this story involves a mystery. With the background of 34th street and 6th Avenue, the plot reveals a homeless woman's dark life, and her insanity. Tanzia emerges as a princess from a foreign country. What a surprise for her when the dummy in a department store opens its eyes and lips become alive, speaking Tanzia's dialect. Amazing in beauty yet extravagant in details. Santa a story of tradition and superstition. Mr. Peralta, a patriarchal and powerful tyrant of his family. Santa, a delicate girl in love with a man who wants an impossible dream to have a son. The double face of truth becomes visible, and the strength of their characters makes it powerful. The story explores passionately the universal themes of love, betrayal, and survival. They Were Amphibious is based on a true story. The narrative is a trip to the past when airplanes landed on water. The readers, and specially the baby boomers, will feel the nostalgia of Pan Am Clipper the Sikorsky S40 and how aviation started in the Caribbean with tragedy. The sacrifice of a man, who was determined to be part of an effort of bringing civilization to a remote island, will motivate the readers' emotions. An exciting story about survival in an inhospitable surrounding. Robert runs to save his niece's life. He gives it all.

The Weight of Sin Simon Vincent,2015-03-11 The Weight of Sin By Simon Vincent Written in a highly visual style, The Weight of Sin is the story of four people. A man and woman from totally different countries and cultures, a jilted wife who refuses to forgive and becomes an FBI agent, and a priest with a sinful past who brings faith and healing to those in need. A disillusioned young man, Alexander Garcia begins a life of crime after his beloved father is murdered and his mother kills herself. Years later, he visits their family home, terrorizes the new occupants, and leaves his wife, disappearing into a world of conspiracy and terrorism. Illapa (in the mold of Lisbeth Salander) a young Peruvian woman, marches through the Andes with a group of Shining Path guerrillas. She excels as a crack terrorist. She finds and comforts her dying father. Her story is revealed in the words of her father. He is an army colonel who fell in love with an Incan princess and kidnaps her, ultimately marrying her. Politics and realities of power force him to abandon his family in the Andes. The abandoned mother and

daughter languish in despair and poverty, drawing the young girl into the peasants' struggle for a better life. A visit to her dying grandfather and the ancient city of Machu Picchu connects her to her past answers many questions about her family and her race and who she is. Meanwhile back in America Alexander joins a terrorist revolutionary group and becomes involved in horrific acts: bombing the Disney Castle, sinking an oil freighter in Venezuela and an assassination attempt on the President. Guilt weighs heavily on his mind as he struggles with his new life; he saves the life of the President. His life is a constant struggle to do right and still fight for a cause. Ultimately he must flee to save his life. He faces the consequences of his brutal past, a harrowing secret is revealed and he begins a new journey of awareness, faith, and love in the mountains of South America. In this journey he is joined by Illapa, who is also forced to flee for her life. In the highlands they find each other and redemption with the help of a Priest. Fr. Crewes' painful and sinful past lead him to this place and time for the purpose of saving his fellow man, as he was saved. Linda Garcia-Vitale, abandoned wife and newly-minted FBI agent, pursues her target zealously. When she finds him a totally different person, she has to make a difficult decision. The story and the lives of the four people come into final focus in the Epilogue.

Vincent Pinto Vincent Pinto,2018-07 In 2012, Pinto was chosen for a Visiting Artist program at the Brooklyn Navy Yard. He worked on that historic 300 acre site for a year producing a suite of watercolors and oil paintings and numerous ink sketches. Critic John Perrault first gave his paintings notice in the early 1980s; some of these can be found in the collections of First Boston Corporation, Lloyd's Bank International and Bank of New York, as well as private collections in New York and elsewhere. Pinto was a director of The Artists Project, a public art effort funded by New York City that included painters, poets, dancers, photographer, and others in the 1970s. Pinto's work has been in numerous New York galleries over the years, including Barbara Gladstone, Forum, and Bernaducci, as well as Paul McCarron Fine Prints and Drawings. He served as a vice president and secretary of The Federation of Modern Painters and Sculptors until recently. He took professional instruction first from Biagio Pinto (no relation) at Philadelphia College of Art, then continued in New York at Pratt Institute, and School of Visual Arts.

Undeniable Janet A. Mota,2015-08-14 Tucker Blythe is a broken man. His father mentally abused him. He carried and lived with all the ugliness his father has pounded into his brain. He wants a wife and children but fears that his father has been right. He just isn't good enough to have that. He didn't go to college and feels like he is in a mediocre job. He believes he has nothing to offer a woman, especially the one he has wanted since he was ten years old. Kayla Vincent is the girl next door. She comes from a loving family. She went away to college and is coming back to open the only dental practice in the small town. Although she loved going away for college, she always knew that she would come back to the place she grew up in. The man she wanted was also back home. She knows everything about him and knows that it will be a long road to get him to love her back. Will she be able to convince him that he is all she wants?

Get Lost and Never Come Back Vincent Smarra,2019-04-23 Not everything is easily found.

Panama Editor Paquito Montañez,2012-06-21 Just as the United States and Panama prepare to sign a Commercial Agreement, Muriel Lomas, Panamas Attorney General sends an e-mail containing a secret code and alluding he is marked for death. The next morning, news correspondent Kasper Giralt visits Lomas for an interview that will not happen. While he waits alone in the conference room, Giralt notices the office will throw a lunch birthday party for Lomas. After Kasper leaves the building, Tony Mota, a motorized delivery boy brings more goodies for the celebration. By three oclock, the police cordons off the Public Ministry complex. Muriel Lomas and

six others are dead, poisoned in the conference room. From here on, more murders ensue, apparently, to erase the tracks. Sam Cordell, a hardcore Panamanian Judicial Inspector and Humphrey Cooper, an American ICE Special Agent team up with the Giralt family to decipher the code and follow a trail of intrigue and espionage behind a massive conspiracy with irreversible strain in American-Panamanian relations. In dissecting a powerful organized crime network, the extreme measures of eavesdropping and the shadow of deception unveil the historic footprint of a particular American-made surveillance system.

The Tub Hugh V. Clarke,2012-03-22 MOTA KOI Slowly Tony walked to the edge of the platform. The Jap they called Rat-face made a long speech. Patiently, Tony listened. Suddenly Rat-face kicked him violently in the stomach-a silly thing to do, Tony thought in a detached way, to a man suffering from dysentery. Bent double with pain, Tony fell against the opposite bed platform and fouled the hut. At this there were angry outcries from the other Japs, who leapt from their beds and showered more blows and kicks on the now helpless Australian. Bruised and bleeding, Tony staggered out . . .It had been another normal day.
