But with so many characters, many of whom were created decades ago, where should a new reader start? How are they to disentangle the best from the anecdotal, the masterpiece from the ordinary? To give someone just coming to the Hexagon Universe a leg up, popular French author and game designer Romain d'Huissier has selected his 100 favorite characters, then takes us on a journey of discovery (or rediscovery) through a very special universe; one not limited to superheroes, but which also offers thrillers, fantasy, science fiction, westerns and swashbuckling sagas.
