For the People James Cameron,St. Francis Xavier University,1996 In *For The People* James Cameron charts the institutional development of St Francis Xavier University from 1853 to 1970 and illustrates how the college has become an integral part of the region's history and culture through

its tradition of service to the people of eastern Nova Scotia on both the mainland and Cape Breton Island.

Young Babe Ruth Brother Gilbert

C.F.X.,2015-11-06 This work contains the heretofore unpublished memoirs of Brother Gilbert (a.k.a. Philip F. Cairnes), the Xaverian brother generally credited with steering the Babe to his first professional contract. Ruth was raised by the Xaverian Brothers, a Catholic religious order, at St. Mary's Industrial School from 1902 (when he was only 7) until 1914. These reminiscences begin with Babe Ruth's departure from St. Mary's and concentrate on his early playing years. An historical introduction by the editor of these memoirs, Harry Rothgerber, details the history and relationship that existed between this organization of Catholic educators and the man who was to become the most influential baseball player and greatest slugger who ever lived. Brother John Joseph Sterne, the book's forewordist, recounts a St. Mary's band fundraising trip in which the band accompanied the Yankees through the American League cities at the end of the 1920 season. Several previously unpublished photos from the Xaverian Order complement the text.

Were You Always an Italian?: Ancestors and Other Icons of Italian America Maria Laurino,2001-06-17

One of the best books about the immigrant experience in America...unique and gracefully written.—San Francisco Chronicle Maria Laurino sifts through the stereotypes bedeviling Italian Americans to deliver a penetrating and hilarious examination of third-generation ethnic identity.

With intelligence and honesty (Arizona Republic), she writes about guidos, bimbettes, and mammoni (mama's boys in Italy); examines the clashing aesthetics of Giorgio Armani and Gianni Versace; and unravels the etymology of southern Italian dialect words like gavone and bubidabetz. According to Frances Mayes, she navigates the conflicting forces of ethnicity with humor and wisdom.

Christian Missions in East Bengal S. M. Tanveer Ahmed,2018-02-08 As the first Bengalee Archbishop of South Asia, Theotonius Amal Ganguly, CSC, made a remarkable contribution in the expansion of Christian missionary activity in Bengal through

all the three political regimes that Bangladesh went through. In the four hundred years of the history of the Catholic Church in Bangladesh, his appointment as the archbishop not only highlights his role in serving the Catholic Church, but also the importance of Catholic missionary activities in Bangladesh. To explore the history of Protestant missionary activities during the last century, research was carried out and books were published. These scholarly activities left a noticeable gap in the area of the history of the Catholic Church in Bangladesh. This book is a bold attempt to fill in that gap, which led to serious research culminating in the publication of this book. What makes this book remarkable and outstanding is the use of unused sources to reconstruct the life and times of Archbishop Theotonius Amal Ganguly in the sociopolitical background of Bangladesh, especially his role in the liberation war of 1971. His heroic role in the liberation war indelibly earned him a place in the mainstream history of Bangladesh.
