Rock-cut Architecture and Underground Cities in Koramaz Valley of Kayseri, Turkey Ali Yamaç,2023-03-28 In this book, rock-cut and underground structures of Koramaz Valley on the Anatolian Plateau in Turkey are described in detail. The valley; located in eastern Turkey near the town of Kayseri, has hundreds of rock-cut structures, in addition to several underground cities, and almost none of them have been studied before. Research conducted by a team from 2014 to 2020, resulted in this overview of all the rock-cut and underground structures in and around seven different settlements in the valley and aims for the physical documentation and inventory of all these structures. The book studies cliff settlements, rock-cut churches, underground cities, and funerary architecture in the valley. These shelters are estimated to have been built between the 7th and 10th centuries and even the smallest of these structures offer rich details for architectural, socio-cultural and historical studies. The rock-cut churches date to the Byzantine Empire period and during the research period, over 400 of these structures were explored, surveyed, and mapped in the region and with all these historical and natural values. Recently, the Koramaz Valley was accepted to the UNESCO World Heritage tentative list. This book is of interest to archaeologists and scholars of built heritage.

Caves and Karst of Turkey - Vol. 1 Ali Yamaç, Eric Gilli, Ezgi Tok, Koray Törk, 2021-01-04 This book comprehensively reviews the historical background of speleology and cave research in the contexts of archeology and natural sciences. It also offers a summary of selected topics related to the karstic terrain of Turkey. Covering 40 % of the country's surface area, Turkey's karstic terrain accommodates thousands of caves. However, understanding the geology, geomorphology, hydrology, biology, and ecosystem dynamics of these caves is still limited. Despite numerous explorations and extensive fieldwork, this is the first comprehensive publication on the topic since 1984. The book presents the 45 most significant caves in Turkey, selected according to several criteria, including esthetical uniqueness. It covers caves of global archeological importance, such as Karain, Yarımburgaz and Üçağızlı, and some of the world's deepest caves, such as Peynirlikönü, Kuzgun, Morca, and Çukurpinar. The book includes a survey and a detailed description of the genesis, geology, geomorphology, and exploration history for each cave.

Frank Wilson and the Twelve Apostles Will Roche, 2016-03-16 Frank Wilson is on a seven-year journey to save mankind from itself. God has reached out to Frank Wilson, a common man to save the world along with the help of God's Twelve Apostles. This is the first book in a series which will take Frank and the Apostles all over the earth delivering God's message. I am God and I love all life. In seven years all of my children with evil and hatred in their hearts will perish. Repent and embrace my love. Frank Wilson finds himself evolving from a South Carolina handyman with very little travel outside of his place of birth to traveling around the world meeting with Presidents and world dignitaries carrying out God's message. Frank is given God's powers to heal and destroy and he learns how to use those powers well. God's Apostles are men and women of many faiths from all parts of the world. They also have powers which they will use and master. The message of this book is simple; love God and your fellow Man with all your might and heaven will present itself to you. God does not require you to go to church, pay tithes, dress or act a certain way, all he wants, like any father, is to have a loving relationship with his children. If you truly have God in your heart you will not want to do evil things. Religions with all their good deeds have done massive amounts of destruction in His name. Man has the choice of free will to decide if he wants a relationship with God or to pursue the path of evil. God has no religion and never asked for one to be created. Frank and the Apostles meet with many evil hearted men and women and with God's power bring them to their end. The adventures of Frank Wilson and the Twelve Apostles – The Beginning is a seven-year journey which will be filled with, of course, Frank Wilson, but also the Apostles who each will have exciting and illuminating journeys.
