**What is e-book?** Nicolae Sfetcu, 2014-05-10 The e-book guide for publishers: how to publish, EPUB format, ebook readers and suppliers. An electronic book (also e-book, ebook, electronic book, digital book) is a book-length publication in digital form, consisting of text, images, or both, and produced on, published through, and readable on computers or other electronic devices. An e-book can be purchased/borrowed, downloaded, and used immediately, whereas when one buys or borrows a book, one must go to a bookshop, a home library, or public library during limited hours, or wait for a delivery. Electronic publishing or ePublishing includes the digital publication of e-books and electronic articles, and the development of digital libraries and catalogues. EPUB (short for electronic publication; alternatively capitalized as ePub, ePUB, EPub, or epub, with EPUB preferred by the vendor) is a free and open e-book standard by the International Digital Publishing Forum (IDPF). Self-publishing is the publication of any book or other media by the author of the work, without the involvement of an established third-party publisher. One of the greatest benefits brought about by ebooks software is the ability for anyone to create professional ebooks without having to fork out thousands of dollars to design and publish a book. People can easily become authors overnight and earn income from selling online ebooks.

SOCIAL ETIQUETTE AND MANNERS Mutea Rukwaru,2020-06-12 Etiquette, the complex network of rules that govern good behaviour and our social interactions is always evolving and changing as society changes. Without etiquette, members of society would show far too much impatience and disrespect for one another, which would lead to insults, dishonesty, cheating, road rage, fist fights and a rash of other unfortunate incidents. Etiquette help us show respect and consideration to others and makes others glad that we are with them. Without proper etiquette, the customs of polite society would soon disappear and we would act more like animals and less like people. Aggressiveness and an “every man for himself” and God for us all attitude would take the lead.
