Inside the Hermit Kingdom George Clayton Foulk, 2008 Navy ensign George Foulk made a 900-mile journey through southern Korea during which he kept a detailed record of everything he observed and experienced. This travel diary, part of the George Clayton Foulk collection in the Bancroft Library at the University of California, Berkeley, has been almost entirely overlooked by scholars and yet is of inestimable value. First, it is an account of a trip no Westerner had ever undertaken before or would ever experience again: a long-distance sedan chair journey in the manner of a Choson-dynasty government official. Containing his private thoughts, penned in the heat of the moment, Foulk's diary is immediate, raw, and honest, laying bare his experience. It gives readers is a superbly descriptive and perceptive record of Korea. Inside the Hermit Kingdom stands unique as a firsthand account of the kingdom of Choson in its pristine condition, before the intrusion of the outside world.

North Korea Henry Marr, 2018-12-14 This new edition of Bradt's North Korea has been completely written from scratch and remains the only standalone guide to what is often regarded as the world's most secretive state, a place never far from media scrutiny but about which very little is actually known in the wider world. Detailed is everything you need to know for a successful visit, from the practicalities of how to get there and who to go with to cultural sensitivities and etiquette, safety, money and travelling around. Amongst the places covered are the supra-centrally planned showcase capital of Pyongyang; Panmunjom, where North meets South face-to-face inside the 4km-wide DMZ - the dividing line between two nations and one people; Kumgansan Tourist Resort, the chiefly South Korean-built resort offering fantastic hikes; and Paektusan, the highest peak in all of Korea and Manchuria. For the intrepid and open-minded traveller North Korea is a truly mesmerising destination with a rich past and fascinating contemporary history. Visitors today are immersing themselves in an unrivalled experience in what is seemingly the last country in the world not to have submitted to globalisation, the last country still clinging on to the 20th century experiment in communism that for all others crumbled away shortly after the collapse of the Berlin Wall. Outside of the showcase socialist paradise of Pyongyang, visitors will find stunning natural scenery, from beautiful coastline and beaches to spectacular mountains, such as legendary Paektusan. Whilst many hold the ill-conceived notion that a visit to North Korea may not be safe, the reality is that visitors are warmly welcomed and still considered more as 'guests of the state' than as mere tourists. Written by expert author Henry Marr, who first visited

North Korea in 2005 and has since been back more than twenty times, Bradt's North Korea is an indispensable guide to understanding and getting to know one of the world's most curious destinations.

My Holiday in North Korea Wendy E. Simmons, 2016-05-03 "You remember Eat, Pray, Love and Under the Tuscan Sun? Yeah, this really isn't like those. It's better" (San Francisco Chronicle). Most people want out of North Korea. Wendy Simmons wanted in. In *My Holiday in North Korea: The Funniest/Worst Place on Earth*, Wendy shares a glimpse of North Korea as it's never been seen before. Even though it's the scariest place on Earth, somehow Wendy forgot to check her sense of humor at the border. But Wendy's initial amusement and bewilderment soon turned to frustration and growing paranoia. Before long, she learned the essential conundrum of "tourism" in North Korea: Travel is truly a love affair. But, just like love, it's a two-way street. And North Korea deprives you of all this. They want you to fall in love with the singular vision of the country they're willing to show you and nothing more. Through poignant, laugh-out-loud essays and ninety-two never-before-published color photographs of North Korea, Wendy chronicles one of the strangest vacations ever. Along the way, she bares all while undergoing an inner journey as convoluted as the country itself. "Much of the humor and poignancy comes from the absurdity of a fun-loving free spirit taking a vacation that's more rigidly scripted and controlled than a presidential motorcade . . . Simmons' photos—including an eerie image of a classroom full of schoolgirls playing accordions—further illustrate the bizarre nature of a country that, whether for good or bad, has been carefully controlled for generations." —San Francisco Chronicle "An irresistible read . . . A rare and fascinating look at the tourist's North Korea in a work that is humorous, appalling, and very sad. A highly recommended and revealing glimpse into a secretive land." —Library Journal

DK Eyewitness Top 10 Seoul DK Eyewitness, 2022-12-13 One of Asia's cultural capitals, Seoul is the perfect blend of traditional and modern, and is both fashion hub and food lover's paradise. The Rough Guide to Korea Norbert Paxton, 2011-10-03 The Rough Guide to Korea is the ultimate travel guide to this fascinating peninsula, with clear maps and detailed coverage of all the best tourist attractions. Discover Korea's highlights with stunning photography and insightful descriptions of everything from Seoul's wonderful palaces and hectic nightlife scene to the fishing islands of the West and South Seas, as well as a chapter devoted to North Korea. Find detailed practical advice on what to see and do in Korea, relying on up-to-date descriptions of the best hotels, bars, clubs, shops and restaurants for all budgets. The Rough Guide to Korea also includes full-colour sections and describes the country's famously spicy food, plus a guide to hiking in its many national parks. In addition, a detailed history section gives a thorough account of the country's dynastic past, while a language guide will ensure that you find your way around this enchanting land. Make the most of your trip with The Rough Guide to Korea.

South Korea Travel Stars, 2018-10-08 Title: SOUTH KOREA Travel Journal (110 Pages, Blank, 6 x 9) South Korea country in East Asia. It occupies the southern portion of the Korean peninsula. South Korea makes up about 45 percent of the peninsula land area. The capital is Seoul (Sŏul). Some people in Korea, especially elders in the countryside do not like having their photos taken. So it's best to ask permission or avoid taking the photo to avoid giving offense. You also should avoid photographing anything that looks like it could be used for military purposes. - This is YOUR holiday of a lifetime or YOUR trip - Travel Journal - SOUTH KOREA - personal book of the traveler - This Journal will be part of your voyage and keep track of all the ups and downs, the things you saw and ate, the things you hated and loved. - Saving all these memories with every page will keep your journey alive for life Who is this book for? - for personal use - for friends of your journey - for family - for colleagues - for a gift for everyone About author: Hi, I'm Natalia. I am from Europe and currently live in Pompano Beach, Florida. I did not think that

someday I would be able to live wherever I wanted but the favorable circumstances and courage made my life look very interesting. I am a lawyer by profession but I always wanted to publish my own books. I am very interested in traveling. I want to share my passion with you. Ask me questions. Thanks to this I will be able to improve my activities. Check my other notebooks and find the perfect one that will suit you, or would be ideal for that special gift for a loved one. My books carry a range of different notebooks and you will undoubtedly find the right one for you by checking through our different and exciting graphic options.

Laughing North Koreans Immanuel Kim,2020-07-15 This study analyzes North Korean comedy films from the late 1960s to present day. It analyzes their role in the culture of the film industry, the subjectivity of the viewer, and the impact popular actors and comedians have had on North Korean society.--Dong Hoon Kim, University of Oregon

Insight Guides' unique combination of beautiful travel photography and focus on history and culture create a unique visual reference and planning tool to inspire your next adventure.

North Korea: Like Nowhere Else Lindsey Miller,2021-05-06 The first photographic exploration of North Korea, from a Westerner who lived in Pyongyang and explored the country beyond for nearly two years. What happens when you travel to a place where even basic truths are ambiguous? Where sometimes you can't trust your own eyes or feelings? Where the divide between real and imagined is never clear? For two years, Lindsey Miller lived in North Korea, long regarded as one of the most closed societies on earth. As one of Pyongyang's small community of resident foreigners, Lindsey was granted remarkable freedoms to experience the country without government minders. She had a front row seat as North Korea shot into the headlines during an unprecedented period of military tension with the US and the subsequent historic Singapore Summit. However, it was the connection with individuals and their families, and the day-to-day reality of control and repression, that delivered the real revelations of North Korean life, and which left Lindsey utterly changed from the woman who had nervously disembarked from her plane onto an empty runway just two years before. This is her extraordinary photographic account, a testament to the hidden humanity of North Korea. 'There was much of the North Koreans and their way of life that I liked and admired, and Lindsey Miller's book brought back those positive feelings. And if we don't acknowledge those we will never begin to understand the country.' Michael Palin Please note this is a fixed-format ebook with colour images and may not be well-suited for older e-readers.

Insight Guides South Korea (Travel Guide with Free Ebook) Insight Guides,2016-11 One of the world's most exciting and cutting-edge countries, South Korea is a fascinating East Asian powerhouse, where ancient temples rub up alongside dazzling technology. Descriptive region-by-region accounts cover the whole country, from pulsating Seoul to the remote islands of the Jeolla Provinces. Detailed, high-quality maps throughout will help you get around and travel tips give you all the essential information for planning a memorable trip. About Insight Guides: Insight Guides has over 40 years' experience of publishing high-quality, visual travel guides. We produce around 400 full-colour print guide books and maps as well as picture-packed eBooks to meet different travellers' needs. Insight Guides' unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure. 'Insight Guides has spawned many imitators but is still the best of its type.' - Wanderlust Magazine

A Concise History of Modern Korea Michael J. Seth,2010 This comprehensive and balanced history of modern Korea explores the social, economic, and political issues it has faced since being catapulted into the wider world at the end of the nineteenth century. Placing this formerly insular society in a global context, Michael J. Seth describes how this ancient, culturally and ethnically homogeneous society first fell victim to Japanese imperialist expansionism, and then was arbitrarily divided in half after World War II. Seth traces the postwar paths of the two Koreas with different political and social systems and different geopolitical orientations as they evolved into sharply contrasting societies. South Korea, after an unpromising start, became one of the few postcolonial developing states to enter the ranks of the first world, with a globally competitive economy, a democratic political system, and a cosmopolitan and dynamic culture. By contrast, North Korea became one of the world's most totalitarian and isolated societies, a nuclear power with an impoverished and famine-stricken population. Considering the radically different and historically unprecedented trajectories of the two Koreas, Seth assesses the insights they offer for understanding not only modern Korea but the broader perspective of world history.

Reading Colonial Korea through Fiction Kim Chul,2018-03-15 Reading Colonial Korea through Fiction is a compilation of thirteen original essays which was first serialized in a quarterly issued by the National Institute of Korean Language, Saekukösaenghwal (Living our National Language Anew) in a column entitled, "Our

Fiction, Our Language” between 2004 to 2007. Although the original intent of the Institute was to elucidate on important features particular to “national fiction” and the superiority of “national language,” instead Kim Chul’s astute essays offers a completely different reading of how national literature and language was constructed. Through a series of culturally nuanced readings, Kim links the formation and origins of Korean language and fiction to modernity and traces its origins to the Japanese colonial period while demonstrating in a very lucid way how colonialism constitutes modernity and how all modernity is perforce colonial, given the imperial crucibles from which modernist claims emerged. For Kim, denying this reality can only lead to violent distortions as he eschews appeals to a preexisting framework, preferring instead to ground his theoretical insights in subtle, innovative readings of texts themselves.

Memory, Reconciliation, and Reunions in South Korea Nan Kim,2016-10-31 Drawing on reinterpretations of melancholia and collective remembrance, Memory, Reconciliation, and Reunions in South Korea: Crossing the Divide explores the multi-layered implications of divided Korea's liminality, or its perceived in-betweenness in space and time. Offering a timely reconsideration of the pivotal period following the inter-Korean Summit of June 2000, this book focuses on a series of emotionally charged meetings among family members who had lost all contact for over fifty years on opposite sides of the Korean divide. With the scope of its analysis ranging from regional geopolitics and watershed political rituals to everyday social dynamics and intimate family narratives, this study provides a lens for approaching the cultural process of moving from a disposition of enmity to one of recognition and engagement amid the complex legacies of civil war and the global Cold War on the Korean Peninsula.

□□□□ ,2008

Tony Wheeler's Bad Lands Tony Wheeler,2011-04-01 Lonely Planet: The world's leading travel guide publisher* A tourist on the Axis of Evil. 'You guys really are the axis of evil', our guide splutters over his stein of beer in the Pyongyang duck restaurant. 'You're always leaning out of the windows and taking photographs when I tell you not to.' In an age of plastic knives on planes, Tony Wheeler can make the extraordinary claim of having visited all the rogue countries currently on newsreaders' lips. Bad Lands is a witty first-hand account of his travels through places often perceived as having some of the most repressive and dangerous regimes in the world: Afghanistan, Albania, Burma, Cuba, Iran, Iraq, Libya, North Korea and Saudi Arabia. Taking into account each country's attitude to human rights, terrorism and foreign policy, he asks 'what makes a country truly evil?' and 'how bad is really bad?' - all the while engaging with a colourful cast of locals and hapless tour guides, ruminating on history and debunking popular myths. Written by the founder of Lonely Planet, this fascinating account of life in these closed-off countries will appeal to anyone with an interest in the state of the world today. With additional excursions to places that are slightly misguided, mildly malevolent, seriously off course, extraordinarily reclusive and much misunderstood. The second version of this popular title is well worth a read! Author: Tony Wheeler About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places where they travel. TripAdvisor Travellers' Choice Awards 2012 and 2013 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) *#1 in the world market share - source: Nielsen Bookscan. Australia, UK and USA. March 2012-January 2013 Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

"korea Travel" Introduction

In the digital age, access to information has become easier than ever before. The ability to download "korea Travel" has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download "korea Travel" has opened up a world of possibilities. Downloading "korea Travel" provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading "korea Travel" has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal

growth. There are numerous websites and platforms where individuals can download "korea Travel". These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading "korea Travel". Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading "korea Travel", users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download "korea Travel" has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About "korea Travel" Books

1. Where can I buy "korea Travel" books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
