What she finds instead is the woman who'll change her life forever: Dahlia Kennedy, celebrity socialite, now widow, covered in gore and the prime suspect in the murder of her husband and child. When Dahlia refuses to talk to anyone but Madison, they begin a dangerous game of cat and mouse that leads the young journalist down a twisted path. **Wounded City** Robert Vargas,2016-04-01 In 2009, Chicago spent millions of dollars to create programs to prevent gang violence in some of its most disadvantaged neighborhoods. Yet in spite of the programs, violence has grown worse in some of the very neighborhoods that the violence prevention programs were intended to help. While public officials and social scientists often attribute the violence - and the failure of the programs - to a lack of community in poor neighborhoods, closer study reveals another source of community division: local politics. Through an ethnographic case study of Chicago's Little Village neighborhood, Wounded City dispels the popular belief that a lack of community is the primary source of violence, arguing that competition for political power and state resources often undermine efforts to reduce gang violence. Robert Vargas argues that the state, through the way it governs, can contribute to distrust and division among community members, thereby undermining social cohesion. The strategic actions taken by police officers, politicians, nonprofit organizations, and gangs to collaborate or compete for power and resources can vary block by block, triggering violence on some blocks while successfully preventing it on others. A rich blend of urban politics, sociology, and criminology, Wounded City offers a cautionary tale for elected officials, state agencies, and community based organizations involved with poor neighborhoods.

**One-Shot Harry** Gary Phillips,2022-04-12 Race and civil rights in 1963 Los Angeles provide a powerful backdrop in Gary Phillips's riveting mystery about an African American crime scene photographer seeking justice for a friend—perfect for fans of Walter Mosley, James Ellroy, and George Pelecanos. LOS ANGELES, 1963: Korean War veteran Harry Ingram earns a living as a news photographer and occasional process server: chasing police radio calls and dodging baseball bats. With racial tensions running high on the eve of Martin Luther King's Freedom Rally, Ingram risks becoming a victim at every crime scene he photographs. When Ingram hears about a deadly automobile accident on his police scanner, he recognizes the vehicle described as belonging to his good friend and old army buddy, a white jazz trumpeter. The LAPD declares the car crash an accident, but when Ingram develops his photos, he sees signs of foul play. Ingram feels compelled to play detective, even if it means putting his own life on the line. Armed with his wits, his camera, and occasionally his Colt .45, "One-Shot" Harry plunges headfirst into the seamy underbelly of LA society, tangling with racists, leftists, gangsters, zealots, and lovers as he attempts to solve the mystery. Master storyteller and crime fiction legend Gary Phillips has filled the pages of One-Shot Harry with fascinating historical cameos, wise-cracks, tenderness, and an edge-of-your-seat thrill ride of a plot with consequences far beyond one dead body.

*Coming Home* Alfred J. Hudon,2015-12-04 It seemed they werent too pleased to have a new man in Bathurst cutting in on their illegal business activities. As for me, there were only two issues I was concerned about, one was their involvement in private security work. Besides Jim I was fortunate to have another friend, Frenchie, a police officer who usually kept me up-to-date as to what was happening around the police station. One evening, after a break-in at a Canadian Tire store, I received a call from Frenchie saying that I should check Sgt. Levines car because he had four new tires on, which he said came from the break-in. I wasnt surprised to hear that because back in the latter part of the seventies and into the mid-eighties, it was said, and not only by Frenchie, that a number of police officers were being accused of some sort of theft. As for me checking out the tires on Sgt. Levines vehicle, I wasnt interested because I had my own problems to concentrate on. Furthermore if the tires had come from a break-in that was a police matter.
