Sudden Sex Alison Tyler,2013-04-08 Maybe one of the hidden benefits of everyone being so darn busy is the rise of the quickie! No one writes fresh fiction on quick sex better than Alison Tyler who has probably inspired more time-efficient trysts than any other eroticist. Whether at the office with your boss, in a restaurant restroom or naughty nooners with your long-time love, Tyler's Sudden Sex will have you dialing up a booty call stat! Alison Tyler says: My favorite short stories brand new. Crisp and focused, taut and tight. The pieces in this collection are waiting for you to slide them on, button the fly, then turn and admire how well they fit your kink. Because—as everyone who knows me understands by now—I’m all about the kink. This collection features BDSM, spanking, toys, tools, girls gone bad and men who need it just as bad. I've assembled stories from writers I've worked with for nearly two decades as well as wordsmiths who are new to me. What do the pieces have in common? Each one maxes out at 1500 words. That’s not a lot of small talk. We’ve cut the awkward getting to know you phase and instead parked you right up at the point. We’re past first base, past second, on our way to third. His hand is under your skirt; her palm is on your cock—we’re all adults here—no need to fight the fact that sometimes what we crave is simple: sudden sex. Take a breath. Bite your lip. Get ready to get off.

Sex, Men, and Babies William Marsiglio,Sally Hutchinson,2004-05 This accessibly written collaboration between a sociologist and a nursing teacher is a full account of how young men conceptualize fatherhood.

The Fetishist Katherine Min,2024-01-09 In this hilariously savage, poignant novel by acclaimed author Katherine Min, a grieving daughter’s revenge on the man who caused her mother’s death sets off a series of unexpected reckonings. On a cold, gloomy night, twenty-three-year-old Kyoko stands in the rain with a knife in her hoodie’s pocket. Her target is Daniel, who seduced Kyoko’s mother then callously dropped her, leading to her death. But tonight, there will be repercussions. Following the unsuspecting Daniel home, Kyoko manages to get a rash kidnapping plot off the ground . . . and then nothing goes as planned. The Fetishist is the story of three people—Kyoko, a Japanese American punk-rock singer full of rage and grief; Daniel, a philandering violinist forced to confront the wreckage of his past; and Alma, the love of Daniel’s life, a Korean American cello prodigy long adored for her beauty, passion, and talent, but who spends her final days examining if she was ever, truly, loved. An exuberant, provocative story that confronts race, complicity, visibility, and ideals of femininity, The Fetishist was written before the celebrated author’s untimely death in 2019. Startlingly prescient, as wise and powerful as it is utterly delightful, this novel cements Katherine Min’s legacy as a writer with a singular voice for our times.

The New Gay Teenager Ritch C Savin-Williams,2009-06-30 Gay, straight, bisexual: how much does sexual orientation matter to a teenager's mental health or sense of identity? In this down-to-earth book, filled with the voices of young people speaking for themselves, Savin-Williams argues that the standard image of gay youth presented by mental health researchers--as depressed, isolated, drug-dependent, even suicidal--may have been exaggerated even twenty years ago, and is far from accurate today.
