Dot.con John Cassidy,2003 This is a sceptical history of the internet/stock market boom. John Cassidy argues that what we have just witnessed wasn't simply a stock market bubble; it was a social and cultural phenomenon driven by broad historical forces. Cassidy explains how these forces combined to produce the buying hysteria that drove the prices of loss-making companies into the stratosphere. Much has been made of Alan Greenspan's phrase irrational exuberance, but Cassidy shows that there was nothing irrational about what happened. The people involved - fund managers, stock analysts, journalists and pundits - were simply acting in their own self-interest.

The Con Code Shana Silver,2020-08-25 A teen forger and thief forms a criminal crew from her high school friends (and crush) to perform a series of heists leading to the location of her missing mother in this action-packed contemporary YA novel, *The Con Code*. By day, seventeen-year-old Fiona Spangler runs small cons for her ritzy prep-school classmates: getting them out of tests and forging fake hall passes. But by night, Fiona joins her dad on riskier heists: stealing back the clue-filled forgeries her mom scattered across the country before she disappeared. Fiona desperately hopes that her mother will be waiting at the end of the scavenger hunt she left behind. And they are SO close. Just three more heists remain, but then disaster strikes when Fiona's dad is captured by the FBI. Desperate to finish the job and save what's left of her family, Fiona assembles a crew of teen criminals: a master of disguise who can transform into anyone, a talented hacker who only communicates in glares, and a rival con artist with a vendetta against—and possible crush on—Fiona. All they have to do is perform three nearly impossible heists, solve her mother's incredibly complex clues, and evade the FBI. Easy, right? Praise for Shana Silver's *Mind Games*: "An edge-of-your-seat thriller that will keep readers guessing. The complex plot, the occasional twists, and the quick pacing make this a difficult read to put down." —School Library Journal It's a YA Michael Crichton novel, minus the 100-page master class intro on quantum mechanics, biotech, and string theory...*Mind Games* is an absolute blast. If you are a fan of *Memento* or *Strange Days*, this one's definitely for you! —NPR

Dot.con John Cassidy,2002 The Internet stock bubble wasn't just about goggle-eyed day traderstrying to get rich on the Nasdaq and goateed twenty-five-year-olds playing wannabe Bill Gates. It was also about an America that believed it had discovered the secret of eternal prosperity: it said something about all of us, and what we thought about ourselves, as the twenty-first century dawned. John Cassidy's *Dot.con* brings this tumultuous episode to life. Moving from the Cold War Pentagon to Silicon Valley to Wall Street and into the homes of millions of Americans, Cassidy tells the story of the great boom and bust in an authoritative and entertaining narrative. Featuring all the iconic figures of the Internet era -- Marc Andreessen, Jeff Bezos, Steve Case, Alan Greenspan, and many others -- and with a new Afterword on the aftermath of the bust, *Dot.con* is a panoramic and stirring account of human greed and gullibility.

King Con Stephen J. Cannell,2010-11-02 When it comes to creating unforgettable criminal characters, nobody does it better than Emmy Award winner Stephen J. Cannell, the force behind such acclaimed TV hits as *The Rockford Files*, *The Commish*, *Wiseguy*, and *The A-Team*. Now come Cannell's most engaging characters yet—a spirited assortment of clever con artists.*King Con*

vs. The Don Raised in a world of flimflams, come-ons and con-jobs, Beano Bates has done so well he's earned a spot on the FBI's Ten Most Wanted List. But his lucky streak vanishes after a card game in which he scams a cool eighty grand from a notorious Mafia don—who retaliates by having Beano nearly beaten to death. For the first time in his legendary career, Beano wants more than a big score—he wants justice. Aided by a beautiful, no-nonsense female prosecutor and a legion of crafty cousins, all accomplished grifters, Beano, the king of the cons, puts together the ultimate swindle—a well-planned sting of strategy, skill and deception. The target is America's most feared mob kingpin and his psychopathic brother. And in this game, winner takes all!

Dot Con James Veitch, 2020-06-02 From viral comedy sensation James Veitch (as seen on TED, Conan, and The Tonight Show with Jimmy Fallon) comes a collection of laugh-out-loud funny exchanges with email scammers. The Nigerian prince eager to fork over his inheritance, the family friend stranded unexpectedly in Norway, the lonely Russian beauty looking for love . . . they spam our inboxes with their hapless pleas for help, money, and your social security number. In Dot Con, Veitch finally answers the question: what would happen if you replied? Suspicious emails pop up in our inboxes and our first instinct is to delete unopened. But what if you responded to the deposed princess begging for money in your Gmail? Veitch dives into the underbelly of our absurd email scam culture, playing the scammers at their own game, and these are the surprising, bizarre, and hilarious results.

The Big Con David Maurer, 2010-10-27 The classic 1940 study of con men and con games that Luc Sante in Salon called “a bonanza of wild but credible stories, told concisely with deadpan humor, as sly and rich in atmosphere as anything this side of Mark Twain.” “Of all the grifters, the confidence man is the aristocrat,” wrote David Maurer, a proposition he definitely proved in The Big Con, one of the most colorful, well-researched, and entertaining works of criminology ever written. A professor of linguistics who specialized in underworld argot, Maurer won the trust of hundreds of swindlers, who let him in on not simply their language but their folkways and the astonishingly complex and elaborate schemes whereby unsuspecting marks, hooked by their own greed and dishonesty, were “taken off” – i.e. cheated—of thousands upon thousands of dollars. The Big Con is a treasure trove of American lingo (the write, the rag, the payoff, ropers, shills, the cold poke, the convincer, to put on the send) and indelible characters (Yellow Kid Weil, Barney the Patch, the Seldom Seen Kid, Limehouse Chappie, Larry the Lug). It served as the source for the Oscar-winning film The Sting.

Comic-con Ray Bradbury, 2009 Since 1970, when a small group of comic book lovers organized the first show, Comic-Con International has been the place to check out the latest comics creations and connect with legions of fans. Comic-Con documents this cultural phenomenon. Lavishly illustrated pages feature rarely seen photos and images from the Comic-Con archives. Quotes, anecdotes, and profiles of luminaries make for a veritable who's who of the entertainment world.

The Short Con Aleks Sennwald, Pete Toms, 2017-03-28 Top kid detective Pops and rookie Branwell tackle their first case: The mystery of who (or what!) killed Branwell's parents!

The Adventures of Chupacabra Charlie Frederick Luis Aldama, 2020 The adventures of Chupacabra Charlie and his human friend in their first exciting adventure together.

One Con Glory Sarah Kuhn, 2010-08 Diehard fangirl Julie loves Buffy marathons, fighting about comic book continuity, and being left alone. But more than anything, Julie loves Glory Gilmore, a mostly-forgotten C-List superheroine from the world of '80s comics. For years, she's longed to reclaim the precious Glory action figure that's eluded her grasp so many times before. And one fateful weekend, she has the chance to do just that. Of course, no great quest is ever simple. Before she can triumph over the forces of loudmouth nerds and clueless Mundanes everywhere, Julie will have to deal with an avalanche of unexpected obstacles. In the midst of battles for videogame supremacy and frustrating encounters with a supremely irritating TV pretty boy, she'll be forced to reconsider her fandom and reevaluate her life. She might even have to talk to people.

(con)science P. J. Manney, 2021-04-27 PJ Manney concludes her visionary Philip K. Dick Award-nominated series of a world at war, a virtual search for identity, and the future of humanity. Five years ago, bioengineer Peter Bernhardt spearheaded an innovation in nanotechnology that changed the course of evolution. Until everything was taken from him--his research, the people he loved, and finally his life. Uploaded as an artificial intelligence, Peter is alive again thanks to a critical reactivation by fellow AI Carter Potsdam. But a third sentient computer program, Major Tom, is tearing the United States apart, destroying its leaders and its cities. Major Tom's mission: rebuild a new America from the ruins and reign as uncontested monarch. Carter knows that only a revolutionary like Peter can reverse the damage to a country set on fire. Caught in a virtual world between an alleged ally and an enemy, pieces of Peter's former self remain: the need for vengeance, empathy for the subjugated people of a derelict world, and doubt in everything he's been led to believe. To rescue what's left, he'll need to once again advance the notion of evolution and to expand the meaning of being human--by saving humanity.

La Frontera Aldreda Alva Deborah, 2019-02-01 Join a young boy and his father on a daring journey from Mexico to Texas to find a new life. They'll need all the resilience and courage they can muster to safely cross the border – la frontera – and to make a home for themselves in a new land.

The Con of the Con-Con Andy Biggs, 2014-12-15

Con & Conjure Lisa Shearin, 2011-03-29 The fifth Raine Benares novel from the New York Times bestselling author of the SPI Files series. Raine Benares is a seeker who finds lost things and people. Ever since the Saghred, a soul-stealing stone that's given her unlimited power, has bonded to her, the goblin king and the elves have wanted to possess its magic themselves. Which means a goblin thief and her ex-fiancé—an elven assassin—are after her. To survive, she'll need the help of her notorious criminal family. They've run elaborate scams before, but none involving this much money, government officials this highly ranked, or a war this close to starting...

The Con Job Matt Forbeck, Electric Entertainment, 2012-12-31 The rich and powerful take what they want. We steal it back for you. When a disreputable dealer starts swindling aged and ailing comic-book creators out of their wealth—and their high-valued comics and artwork—the daughter of one victim comes to ex-insurance investigator Nathan Ford and his team of counter-crooks for help. Their scheme: run a con at the Comic-Con International, where the crook intends to sell the goods. But there's more going on than simple theft. An arson plot is in motion that will not only destroy countless rare

collectibles, but may end up costing lives. With time short, the team must take down a ruthless mark whose true motives have yet to be revealed...

The Love Con Seressia Glass,2021-12-14 A LibraryReads Pick! One of... Popsugar's Best New Romances Bustle and Bookish's Most Anticipated Books of December Library Journal's Best Romances of 2021 He's cosplaying as her boyfriend but their feelings for each other are real in this romantic comedy from Seressia Glass. Sometimes Kenya Davenport believes she was switched at the hospital—how else could a lover of anime, gaming, and cosplay come from STEM parents? Still, Kenya dreams of being able to turn her creative hobby into a career. She finally has a chance to make it big when she joins the reality show competition Cosplay or No Way. There's just one catch: the challenge for the final round is all about iconic pairs, and the judges want the contestants' significant others to participate. Unfortunately, Kenya is as single as can be at the moment. Luckily her best friend, Cameron Lassiter, agrees to be her fake boyfriend for the show. Roleplaying a couple in love will force them to explore what they're hiding under the mask of friendship. Can Kenya and Cam fake it until she makes it, or will she be real about her feelings, knowing it could cost her the best friend she's ever had?

How Con Games Work M. Allen Henderson,Marjorie Henderson,1995 Don't learn about the con artist the hard way: With *How Con Games Work*, spot him and his tricks before he can relieve you of your cash!

In Waves AJ Dungo,2019-06-04 A tale of love, heartbreak and surfing from an important new voice in comics. In *Waves* is Craig Thompson's *Blankets* meets William Finnegan's *Barbarian Days*. In this visually arresting graphic novel, surfer and illustrator AJ Dungo remembers his late partner, her battle with cancer, and their shared love of surfing that brought them strength throughout their time together. With his passion for surfing uniting many narratives, he intertwines his own story with those of some of the great heroes of surf in a rare work of nonfiction that is as moving as it is fascinating.

The King of Con Thomas Giacomaro,2018-09-25 A Jersey boy with a knack for numbers, a gift for making people trust him, and an all-consuming hunger to rule the business world, Tom Giacomaro could convince anyone of anything. As a teenager, Tom Giacomaro began working in the mob-laden New Jersey trucking industry. A charming, brash-talking salesman with a genius-level IQ, he climbed the ranks and let his lust for money and relationships with New York, New Jersey, Philadelphia, Detroit, and Chicago crime families send him spiraling into a world of drugs and violence. And that's only the beginning. In *The King of Con*, Tom details how he hashes out a deal with the FBI, agreeing to become a crime informant in an effort to avoid jail time—only, he continues his high-finance, white-collar scheming, luring celebrities and other high-profile contacts to invest multimillions in his new business ventures. When it all comes crashing down, Tom is thrown in prison for over a decade, yet, even behind bars, he's able to get what he wants from anyone . . . and he eventually finds a way to get released early. Cowritten by journalist Natasha Stoyneff, *The King of Con* is the unforgettable true story about a man who became hooked on living life to thrilling and dangerous excess, until he was humbled by the FBI, by the US Attorney, and by life itself. Now, Tom is back in his old New Jersey neighborhood. His old business cronies and mob contacts are calling, his palms are itching to make billions again, and the US Attorney's office is watching. Will he stay on the straight

and narrow, or will he steal back his crown of crime as the King of Con?

The Theocons Damon Linker, 2007-09-04 An essential history of the influential men who have spearheaded the movement to erode the wall separating church and state. Beginning as far-left radicals during the 1960s, the theocons in Damon Linker's book (including Richard John Neuhaus, Michael Novak, and George Weigel) gradually transitioned to conservatism when they grew frustrated with the failures of the decade's revolutionary goals. Linker shows how, starting during the Reagan administration, they worked to forge a Christian alliance between Evangelical Protestants and Conservative Catholics. By injecting the language of faith into political life, this movement appealed to a wide swath of voters and ultimately played a central role in the election of George W. Bush. The Theocons is an absorbing and revelatory look at an ideological crusade that every American needs to know about.

Eventually, you will categorically discover a supplementary experience and achievement by spending more cash. still when? reach you allow that you require to get those all needs next having significantly cash? Why dont you attempt to get something basic in the beginning? .con Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and

platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free .con PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within

seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free .con PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of .con free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the

vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About .con Books

What is a .con PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a .con PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. **Print to PDF:** Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. **Online converters:** There are various online tools that can convert different file types to PDF. **How do I edit a .con PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a .con PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a .con PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or

editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
