Shopping for Windows 101 Jay Johnson,2020-03-19 Are all window companies liars? Of course not, but there are some that do lie. If I told you that after reading this book you could confidently choose a window company in 20 minutes or less would you believe it? Well it's true. Hi, my name is Jay Johnson and I'm (The Doin It Right Guy). I've been doing window presentations, research, and seminars for over a decade on how to get the relevant information a homeowner needs to make a fair comparison and an educated decision on windows. (If) you know exactly what to look for and what to ask choosing a window company is easy. Gathering tons of information and sitting through long presentations are useless unless you know what's relevant and why. My book is designed to do the following; How to turn a long worthless presentation into a short meaningful one! How to pick select window companies (in advance) so you're not wasting time with ones you wouldn't do business with anyway! How to control the presentation so it benefits (you)! Relevant questions (you) need to ask and why! What (you) need to see and why! How to know which companies have the best windows! Most importantly save you time, money, and frustration! Sometimes you have to be willing to prove yourself wrong to see if you are actually right Jay Johnson

Opening the Doors B. J. Hollars,2013-03-14 Opening the Doors is a wide-ranging account of the University of Alabama's 1956 and 1963 desegregation attempts, as well as the little-known story of Tuscaloosa, Alabama's, own civil rights movement. Whereas E. Culpepper Clark's The Schoolhouse Door remains the standard history of the University of Alabama's desegregation, in Opening the Doors B. J. Hollars focuses on Tuscaloosa's purposeful divide between "town" and "gown," providing a new contextual framework for this landmark period in civil rights history. The image of George Wallace's stand in the schoolhouse door has long burned in American consciousness;

however, just as interesting are the circumstances that led him there in the first place, a process that proved successful due to the concerted efforts of dedicated student leaders, a progressive university president, a steadfast administration, and secret negotiations between the U.S. Justice Department, the White House, and Alabama's stubborn governor. In the months directly following Governor Wallace's infamous stand, Tuscaloosa became home to a leader of a very different kind: twenty-eight-year-old African American reverend T. Y. Rogers, an up-and-comer in the civil rights movement, as well as the protégé of Martin Luther King Jr. After taking a post at Tuscaloosa's First African Baptist Church, Rogers began laying the groundwork for the city's own civil rights movement. In the summer of 1964, the struggle for equality in Tuscaloosa resulted in the integration of the city's public facilities, a march on the county courthouse, a bloody battle between police and protesters, confrontations with the Grand Wizard of the Ku Klux Klan, a bus boycott, and the near-accidental-lynching of movie star Jack Palance. Relying heavily on new firsthand accounts and personal interviews, newspapers, previously classified documents, and archival research, Hollars's in-depth reporting reveals the courage and conviction of a town, its university, and the people who call it home.

Opening the Doors Betsy Teresa Brody, 2012-12-06 Using qualitative research methods and evidence gathered from interviews, this work explores and highlights contradictions between Japanese immigration and immigrant policies as they relate to ethnic Japanese returnees.

Behind Closed Doors Laura Stark, 2012-02 Drawing on extensive archival sources, Laura Stark reconstructs the daily lives of scientists, lawyers, administrators, and research subjects working - and 'warring' - on the campus of the National Institutes of Health, where they first wrote the rules for the treatment of human subjects.
