**Tamarack River Ghost** Jerold W. Apps, Jerry Apps, 2012-11-02 When journalist Josh Wittmore moves from the Illinois bureau of Farm Country News to the newspaper's national office in Wisconsin, he encounters the biggest story of his young career—just as the paper's finances may lead to its closure. Josh's big story is that a corporation that plans to establish an enormous hog farm has bought a lot of land along the Tamarack River in bucolic Ames County. Some of the local residents and officials are excited about the jobs and tax revenues that the big farm will bring, while others worry about truck traffic, porcine aromas, and manure runoff polluting the river. And how would the arrival of a large agribusiness affect life and traditions in this tightly knit rural community of family farmers? Josh strives to provide impartial agricultural reporting, even as his newspaper is replaced by a new Internet-only version owned by a former New York investment banker. And it seems that there may be another force in play: the vengeful ghost of a drowned logger who locals say haunts the valley of the Tamarack River.

**Riley's Ghost** John David Anderson, 2022-01-11 From John David Anderson, acclaimed author of *Posted*, comes a ghost story pulled from the darkest shadows of middle school. Riley Flynn is alone. It feels like she's been on her own since sixth grade, when her best friend, Emily, ditched her for the cool girls. Girls who don't like Riley. Girls who decide one day to lock her in the science closet after hours, after everyone else has gone home. When Riley is finally able to escape, however, she finds that her horror story is only just beginning. All the school doors are locked, the windows won't budge, the phones are dead, and the lights aren't working. Through halls lit only by the narrow beam of her flashlight, Riley roams the building, seeking a way out, an answer, an explanation. And as she does, she starts to suspect she isn't alone after all. While she's always liked a good scary story, Riley knows there is no such thing as ghosts. But what else could explain the things happening in the school, the haunting force that seems to lurk in every shadow, around every corner? As she tries to find answers, she starts

reliving moments that brought her to this night. Moments from her own life...and a life that is not her own.
