The German Armoured Cruiser SMS Blücher Marsden Samuel, 2018-11-19 The SMS Blücher was the last armored cruiser built by the German Empire. She was constructed to counter the new armored cruisers rumored as being built by the British. Blücher was larger than preceding armored cruisers and carried heavier guns but was unable to match the size and armament of the battlecruisers which replaced armored cruisers in the British Royal Navy and - later - the Imperial German Navy (Kaiserliche Marine). When the Germans learned of the true details of these new British ships, called Invincible class, and that they were to be armoured with 12 battleship guns, they realized that the Invincible class was a completely new type of warship, soon to be known as battlecruisers. By the time the Germans learned of this it was too late to turn back and construction of the Blücher took place as scheduled. The ship was named after the Prussian Field Marshal Gebhard von Blücher, the commander of the Prussian forces at the Battle of Waterloo in 1815.

*Bread Or Death* Milton Mendel Kleinberg, 2015 The war brought about scarcities of just about everything...except misery. Alle raise, (everybody out), the German soldiers screamed as they pounded on our door with the butts of their rifles. And thus began a 4,500-mile journey from Poland through Russia and Siberia and eventually to Uzbekistan in Central Asia, as the author's family used bribery and darkness of night to flee as the Nazis invaded Poland in 1939. Young Mendel, from age four to fourteen, tells in vivid detail the wretched journey in cramped cattle cars through frigid Russia, the indignities of being forced labor, the shame of begging for bread just to survive, and death of those closest to him. The family's plight includes abandonment, hunger, and separation (and later remarkable twists of fate and reunion) quite unlike other Holocaust stories. This coming-of-age Holocaust memoir is the author's personal account of how-through great sacrifices by his mother-he managed to survive the worst atrocities in human history and his uncertain days in a Polish Children's Home, scrabbling for fallen fruit, and surviving kidnapping and murder on the Black Road, and return to German Displaced Persons camps at war's end. But to what fate? Originally written as a memoir just for his grandchildren, Milton Kleinberg gives a moving account of his family's hardships and eventual immigration with a lump-in-the-throat passage to America past the Statue of Liberty and into a land of opportunity tinged with bigotry yet with a promise to future generations. This book for young adults has been reviewed by the Institute for Holocaust Education and includes a glossary, a book club discussion guide, a timeline, and a Teacher's Guide.

Einsatzmöglichkeiten anhand von Beispielen aus der Praxis werden vorgestellt und ein Ausblick auf zukünftige Fähigkeiten gegeben.
