Jon Bon Jovi flew Rob to each of his shows on a private jet for the primary purpose of escorting out press before his fabulous hair flopped. Rob was responsible for making sure an Asian pear was within feet of Jennifer Lopez at any given moment, per her very specific demands. Four Small Words Jarrett Stevens,2016-01-12 In a world addicted to headlines and sound bites, where technology has taught us how to say more with less —Jarrett Stevens, a popular pastor and speaker, helps readers understand the deep meaning of their own story, written within the Story of God. And all in just Four Small Words. When it comes to a story as theologically thick and rich with history, metaphor, and meaning, as the Bible, the thought of trying to understand or communicate that story can be overwhelming. However, Stevens believes the essence of the Story of God can be understood, applied, and shared in just four small words. Of. Between. With. In. Using a simple, fresh, and memorable approach to the good news of God's story, Four Small Words not only gives us a better framework for the Bible, but for our everyday lives. Seeing God's big story through these small words allows it to sink deeper into our own lives and to be shared with others in a way that is more memorable and less intimidating.
