420 Rob Bell, 2019-10-02 *420* invites you into the world of addiction. For most people marijuana is a recreational drug used for a variety of reasons. It's just fun. People start out as casual users. In some cases, it becomes a part of their daily lifestyle. Most casual users underestimate the power of the disease of addiction. Take Mason for example. He's a young high school kid that experiments with cannabis at an early age. He moves throughout his young life and into adulthood thinking he has his drug use under control only to be lured in and seduced by the insidious disease of addiction. Follow Mason on his journey of self-destruction and cheer for him as he fights his way back.

Revealing worlds of meaning in single paragraphs, these crystalline miniature stories that began as Facebook status updates mark a new turn in an acclaimed artist and illustrator's career. It's High Time We Threw a 420 Party! Sandra Chan,2020-02-24 It's High Time We Threw a 420 Party! As the stigma surrounding the use of cannabis is gradually fading, partaking in the holy herb is becoming mainstream. Across the country, as municipalities legalize the use of weed, people are becoming more refined as to how they enjoy the benefits of marijuana. Sophisticated dinner parties and adult cocktail parties that feature cannabis-infused food and drink are becoming

increasingly popular. When you throw a fun yet classy 420 party, you will be giving your friends an epic experience that they will never forget. There is nothing like a chilled out time together with friends, some fun activities, and luscious cannabis-infused food for munchies. I am a sucker for cannabis cocktail parties. I have always desired that people know more about cannabis and its benefits. For this reason, I chose to plan and hold parties with the intent of changing peoples' perception of marijuana as well as giving them extraordinary party experiences. It has been a dope journey. I have met a lot of good people, earned a bit of income from planning cannabis parties for other people, and also learned so much about CBD. I strongly believe that CBD has a lot more benefits than people give it credit for and that with a little CBD, we can get healthy ways to deal with many issues that life throws at us. My wish is to show you what I know about cannabis and how to make edibles that you can feature during your own party. In this book, we'll talk about: All about cannabis The differences between CBD and THC The history of the holy herb A word about cannabis oil and products on the market Different methods to extract cannabis oil Methods to extract THC Instruction on THC dosages Advice on handling cannabis How to throw the ultimate cannabis party! Including 20 recipes for cannabis-infused cocktails, appetizers, and party food that your guests will love I invite you to take a look at the table of contents for this book to see just what's covered. I tried to include as much helpful information as I could to assist you in your discovery of weed. For a limited time, when you purchase the paperback book on Amazon, you can download the Kindle version of the book for FREE!

The 420 Gourmet JeffThe420Chef, 2016-06-28 The foodie's guide to cannabis: a smart, sophisticated, and beautifully illustrated cookbook for at-home chefs wanting to safely create and experience their own edibles JeffThe420Chef is revolutionizing the world of edibles. He first began

cooking with cannabis to help a close friend's mother manage the pain, nausea, and discomfort from her cancer treatments. Over time, he developed a process for infusing cannabis into butters and oils that neutralizes the smell and taste, leading to a new understanding of edibles and their potential for medicinal use. In *The 420 Gourmet*, JeffThe420Chef combines his fun-loving approach to cooking with practical information about marijuana—including guidelines for safe dosing (along with a comprehensive dosage calculator), summaries of the principal strains and their typical effects, and details on the herb's medical and recreational benefits. Jeff includes step-by-step instructions for his signature "light-tasting" canna-butter and canna-oils, the secrets behind his outrageously delicious and truly unique recipes. Once you create these staple ingredients yourself, it becomes easy to incorporate cannabis into everyday dishes—and the "pot-sibilities" are endless! From brunch and small plates to salads and gourmet dinners—and featuring gluten-free, vegetarian, vegan, and kosher options—*The 420 Gourmet* elevates the edible experience. Jeff's precise dosage guidelines expand the horizons of cannabis cuisine, which will no longer be limited to a few bites of a brownie. These mouthwatering recipes are fully adaptable to your goals, whether you need a full-course meal for nourishment and pain management or a quick snack to help you focus, relax, and enhance your creativity. *The 420 Gourmet* will educate and entertain new and longtime cannabis users alike while serving as the ultimate guide to cannabliss.
