Across the Seven Seas Kamlesh Chauhan, 2011-07-05 The novel tells us very poignantly the story of Sundari, an educated, intelligent, sensitive lady who has imbibed Indian cultural values to the grass roots and struggles in vain to live them in her life. The story begins with the growing up of a girl into a woman; her craving for love that proves to be a mirage for her as the story moves on. A saying goes that The drowning man catches at a straw. It fully applies to Sundari for every firm catch of her turns out to be a straw and she consistently suffers. The initial blow came when she was married off to the uncle of her lover who had a heart of pure gold. The uncle on the other hand is all guilt through and through. Life of Sundari starts going down the hill as all her hopes and dreams are belied despite her best efforts to make her married life a success and life turns into a mockery. The tragedy becomes all the more painful when her lover Akash again makes an entry into her cursed life. She is forced to ride two horses which she can hardly manage, to function as an ideal housewife and an ardent lover. The author introduces a few moments of transitory but suspenseful relief during which too the reader

trembles and is afraid of the next blow that Sundari is bound to receive and he starts sharing the miserable life of Sundari with numerous disastrous compromises in the same way as Sanjay shares the pain of Dhritrashtra in the Mahabharata.

BollySwar: 1991 - 2000 Param Arunachalam, BollySwar is a decade-wise compendium of information about the music of Hindi films. Volume 7 chronicles the Hindi film music of the decade between 1991 and 2000. This volume catalogues more than 1000 films and 7000 songs, involving more than 1000 music directors, lyricists and singers. An overview of the decade highlights the key artists of the decade - music directors, lyricists and singers - and discusses the emerging trends in Hindi film music. A yearly review provides listings of the year's top artists and songs and describes the key milestones of the year in Hindi film music. The bulk of the book provides the song listing of every Hindi film album released in the decade. Basic information about each film's cast and crew is provided and detailed music credits are provided. Where available, music credits go beyond information

regarding music directors, lyricists and singers, and include the names of session musicians, assistants, programmers, arrangers, mixers, recordists, etc. Where applicable, music related awards are listed. Interesting trivia is listed for most films. This includes information about artist debuts, plagiarised or sampled songs, controversies and stories behind the making of the film and its music. This book is primarily meant as a quick reference for people looking for information related to a Hindi film or a song, but readers can also browse through the book to get an overview of the events that shaped Bollywood music in the decade. Given that Hindi films are a reflection of the Indian society, the reader can also glean insights about the country's socio-political and cultural environment from the book.

Farmer's Son Who Dared to Fly HARBANS SINGH SAHOTA, 2020-11-10 Autobiography of an Air Force Officer “Harbans, my friend, I congratulate you for your fine effort. I am confident that all air warriors, the serving, the aspiring, the veterans, as well as admirers of warriors will enjoy partaking of your remarkable journey through life. It is educative, inspirational and motivational. It will be a most welcome addition to the slowly, but steadily growing list of biographical works by veteran air warriors.” Anil Yashwant Tipnis Former Chief of the Indian Air Force Harbans Singh Sahota begins his autobiography, narrating to us fragments of his life's journey by taking us through every stage of his life; his childhood back in the village of Garhdiwala, full of harmless playfulness surrounded by the love of his family; his boyhood, when days seem simpler while helping father find fodder for the Johri or while listening to Dadi Ma's Gurbani or learning the team-spirit in the game of Annar Choochi and Gulli Danda; and his teenage, when discipline, goal and academic sincerity paves the way for the man to make a choice. While he is expected to take over the spade and axe from his father, he seems to grow another wish—a wish quite drastic for a farmer's son. The boy, instead, pursues to touch the sky,

quite literally. From being the farmer's boy from the village of Garhdiwala in the district of Hoshiarpur, he, with years of hard work, dedication and perseverance, chooses to become as an Indian Air force Officer, Group Captain and leader of Squadron, Harbans Singh Sahota—a name that reverberates through the past decades at the Indian Air Force. It is a story told by the man himself, allowing us glimpses of the simple times and simpler rural life in Punjab when mango-picking with a stone was an art and outdoor sports were more essential than hours buried in school textbooks. In fact, the long-forgotten, age-old tradition of learning alphabets on a Fatti or the native games with exceptional strategies will leave you only fascinated. It's a story that will make you want to live in those times in rural Punjab when life, games and studies were much simpler and fascinating, where faith in God and respect for elders was primary. We get to see the gradual growth of brave heart Harbans Singh Sahota, who, with sheer discipline, humility and valour, takes over the Indian Air Force, inspiring every man he has ever met and establishes his name in the country and abroad. With the telling of many enthralling anecdotes and life experiences of an IAF officer, it's a story about a farmer's son who had

dared to fly.

Contemporary Painting (World of Art) Suzanne Hudson, 2021-04-13 This international survey of contemporary painting by a leading author features artwork from over 250 renowned artists whose ideas and aesthetics characterize the painting of our time. The twentieth century brought radical changes in art—including the shift from modernism to postmodernism—which were accompanied by fierce debates regarding the place of painting in contemporary culture. Contemporary Painting argues that the medium has not only persisted in the twenty-first century but expanded and evolved alongside changes in art, technology, politics, and other factors, developing a unique energy and diversity. Renowned critic and art historian Suzanne Hudson offers an intelligent and original survey of the subject, organized into seven thematic chapters, each of which explores an aspect of contemporary painting, from appropriation to the ways in which artists address and engage the body. Hudson's inclusive and compelling text is sensitive to issues such as queer narratives, race, activism, and climate and demonstrates the continued relevance of painting today. Bringing together more than 250

eminent artists from around the world, such as Cecily Brown, Julie Mehretu, Theaster Gates, Kara Walker, Kehinde Wiley, Takashi Murakami, and Zhang Xiaogang, this is an essential volume for art history enthusiasts, students, critics, and practitioners interested in discovering how painting is approached, reimagined, and challenged by today's artists.

Gujarmal Modi Sonu Bhasin, 2022-02-10 The year was 1932, and a young man had just been banished from the state of Patiala. His crime? He had refused a glass of wine in the celebratory party at the Patiala Palace. It had not mattered to the maharaja that the man was a teetotaler. The ban proved to be a boon as the thirty-year-old left Patiala and created one of the largest business empires in India. Looking for a new location to set up his factory, Gujarmal zeroed in on a sleepy village, Begumabad, on the outskirts of Delhi. It is here that the seeds of the Modi Group were sown. Starting with a sugar mill, he established a conglomerate with businesses including tyres, textiles, copy machines, cigarettes, pharmaceuticals, oil and steel, to name a few. This is the story of a resolute, ambitious young man who saw adversity as an opportunity and went on to create history. In the

process, he set up some of the finest factories, created an industrial town that was way ahead of its time, generated large-scale employment and gave Indian manufacturing new wings. Gujarmal's ten per cent allocation from earnings towards social responsibility, long before it became a corporate buzzword, and human resource initiatives became benchmarks in the history of Indian business. A treasure trove of learnings for modern-day entrepreneurs, this book celebrates the man and his vision, grit, determination and spirit of entrepreneurship.

This book is the story of theatre that has become a living legend. This three act book is well conceived and written. It is certainly a welcome addition to the rather sparse collection of books on Indian theatre. - Shyam Benegal in Outlook.

Unladylike Radhika Vaz, 2015 A wildly original and humorous account of growing up as an Indian woman. *Unladylike* is a memoir that spans four decades of the author's life. From stories about a

childhood spent wishing she could change everything about her life (including her parents), to her chronically delayed puberty, and the self-esteem issues that accompany a flat chest, Vaz doesn't pull any punches. She takes us through her college years, where under the vigilance of Catholic nuns she grappled with a major decision-to have or not have pre-marital sex as well as the discovery that the female body is capable of some very strange sounds at very inappropriate times. Out of respect for various ex-boyfriends, she will dwell on just one man-her wheat-eating, milk-drinking Jat husband. From their extra-long courtship (that he didn't tell his mother about), to their wedding day and beyond, there are lessons for every girl who has ever thought 'one day I'd like to be married'. The lesson is: 'Don't say you weren't warned

It Must've Been Something He Wrote Nikita Deshpande,2016-08-20 When obsessive book-lover (ahem, book snob) Amruta – Ruta – Adarkar arrives in Delhi to work as a marketing executive for

Parker-Hailey's Publishing, she learns that the world of books is not as cozy as she'd imagined. Her eccentric taskmaster of a boss expects marketing miracles to happen on shoestring budgets and in record time, and surviving the job (and the city) means she'll have to master the local art of jugaad really fast. Worst of all, she's stuck being a publicist for Jishnu Guha, protein-shake lover, serial selfie-taker, and bestselling author of seven cheesy romance novels, the kind she wouldn't be caught dead reading. As Ruta struggles between work and life in a new city, she finds, much to her annoyance, that she needs Jishnu's help more than she cares to admit. But with her own parents getting a divorce, can Ruta dare to fall in love, especially with someone who's so impossibly different?

The God Market Meera Nanda, 2011-10-01 Conventional wisdom says that integration into the global marketplace tends to weaken the power of traditional faith in developing countries. But, as Meera Nanda argues in this path-breaking book, this is hardly the case in today's India. Against expectations of growing secularism, India has instead seen a remarkable intertwining of Hinduism and neoliberal ideology, spurred on by a growing capitalist class. It is this "State-Temple-Corporate

Complex,” she claims, that now wields decisive political and economic power, and provides ideological cover for the dismantling of the Nehru-era state-dominated economy. According to this new logic, India’s rapid economic growth is attributable to a special “Hindu mind,” and it is what separates the nation’s Hindu population from Muslims and others deemed to be “anti-modern.” As a result, Hindu institutions are replacing public ones, and the Hindu “revival” itself has become big business, a major source of capital accumulation. Nanda explores the roots of this development and its possible future, as well as the struggle for secularism and socialism in the world’s second-most populous country.
