*ENYA* Chilly Gonzales, 2020-11-18 Chilly Gonzales is one of the most exciting, original, hard-to-pin-down musicians of our time. Filling halls worldwide at the piano in his slippers and a bathrobe—in any one night he can be dissecting the musicology of an Oasis hit, giving a sublime solo recital, and displaying his lyrical dexterity as a rapper. In his book about Enya, he asks: Does music have to be smart or does it just have to go to the heart? In dazzling, erudite prose Gonzales delves beyond her innumerable gold discs and millions of fans to excavate his own enthusiasm for Enya's singular music as well as the mysterious musician herself, and along the way uncovers new truths about the nature of music, fame, success and the artistic endeavour.

Letting Art Teach Gert Biesta, 2017 In this book, Gert Biesta presents a new approach to contemporary art education by showing the unique possibilities the arts offer to establish a dialogue with the world around us. This approach to art education is based on teaching as a process of showing, where the teacher shows the student what could be good, important or meaningful to master in the world. As a starting point for illustrating this method, the book proposes 'How to Explain Pictures to a Dead Hare' (1965) by Joseph Beuys, which Biesta uses in order to draw out a number of important lessons about teaching--Publisher's website.
