That's enough to make all the teachers and students look at him and his friends with a constant side-eye. (Although his disruptive antics and pranks have given him a rep too.) When a gun is found at a neighborhood hangout, Thelonius and his pals become instant suspects. Thelonius may be guilty of pulling crazy stunts at school, but a criminal? It isn't about to let that label stick.

I Love You but I've Chosen Darkness Claire Vaye Watkins, 2021-10-05 NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST, VOGUE, ENTERTAINMENT WEEKLY, NPR, ESQUIRE, AND KIRKUS "There's some kind of genius sorcery in this novel. It's startlingly original, hilarious and harrowing by turns, finally transcendent. Watkins writes like an avenging angel. It's thrilling and

terrifying to stand in her wake.” —Jenny Offill, author of Dept. of Speculation and Weather A darkly funny, soul-rending novel of love in an epoch of collapse—one woman’s furious revisiting of family, marriage, work, sex, and motherhood. Since my baby was born, I have been able to laugh and see the funny side of things. a) As much as I ever did. b) Not quite as much now. c) Not so much now. d) Not at all. Leaving behind her husband and their baby daughter, a writer gets on a flight for a speaking engagement in Reno, not carrying much besides a breast pump and a spiraling case of postpartum depression. Her temporary escape from domestic duties and an opportunity to reconnect with old friends mutates into an extended romp away from the confines of marriage and motherhood, and a seemingly bottomless descent into the past. Deep in the Mojave Desert where she grew up, she meets her ghosts at every turn: the first love whose self-destruction still haunts her; her father, a member of the most famous cult in American history; her mother, whose native spark gutters with every passing year. She can’t go back in time to make any of it right, but what exactly is her way forward? Alone in the wilderness, at last she begins to make herself at home in the world. Bold, tender, and often hilarious, I Love You but I’ve Chosen Darkness reaffirms Watkins as one of the signal writers of our time.

Lessons from a Third Grade Dropout Rick Rigsby, 2019-02-05 A USA TODAY and Wall Street Journal bestseller! Learn how to live a life of character and integrity—by following the simple advice of a third grade dropout. Be inspired by the book behind Dr. Rick Rigsby's viral graduation speech. After his wife died, Rick Rigsby was ready to give up. The bare minimum was good enough. Rigsby was content to go through the motions, living out his life as a shell of himself. But then he remembered the lessons his father taught him years before— incredibly simple, yet incredibly profound. These lessons weren't about advanced mathematics or the secrets of the stock market. They were quite straightforward, in fact, as Rigsby's father never made it through third grade. But if this man's instructions were powerful enough to inspire one of his children to earn a Ph.D. and another to become a judge—imagine what they can do for you. While Rick Rigsby's father was a third-grade dropout, he was a man who never hid behind any excuse. A man who never allowed his problems or lack of a formal education to determine his present

or affect his future. A man who realized that destiny was a choice and not a chance. In *Lessons from a Third Grade Dropout*, Rigsby shares the simple lessons from his father that will transform your mindset, including: Remain true to yourself Think the best at all times Give your best regardless of the circumstances Keep standing no matter what Join Rigsby as he dusts off time-tested beliefs and shares his father's impactful, far-reaching story—of how a life can be enhanced, of how a corporate culture can be changed, of how a family can be united—by living the simple lessons of a third-grade dropout.
