This book covers fascinating state facts and meets state standards.

The N*O*VO Nostalgia Movie Quiz and Information Book David Cameron Dunn, Ph.D.,2017-02-10 The N*O*VO Nostalgia Movie Quiz and Information Book by David Cameron Dunn, Ph.D. The N*O*VO Nostalgia Movie Quiz and Information Book was written as a labor of love by a cinephile. Its intended audience is the kindred spirits out there who not only relish the “good, old films and players,” but who also enjoy being asked questions about them. The book goes a step further by quantifying the difficulty of the questions, providing the readers with the opportunity to record their “scores” and “batting averages.” Not only may the individual assess his or her personal expertise in the realm of motion picture lore, but also in the competitive way with family and friends as a game. In addition to the quiz section, which comprises the pronounced majority of the book, the readers will also find several interesting informational appendices. In view of the above, the reader will find this work to be set apart from the many other similar entries on the shelves!

I Am Amelia Earhart Brad Meltzer,2014-01-14 We can all be heroes. That's the inspiring message of this lively, collectible picture book biography series from New York Times bestselling author Brad Meltzer. Kids always search for heroes, so we might as well have a say in it, Brad Meltzer realized, and so he envisioned this friendly, fun approach to biography - for his own kids, and for yours. Each book tells the story of one of America's icons in an entertaining, conversational way that works well for the youngest nonfiction readers, those who aren't quite ready for the Who Was series. Each book focuses on a particular character trait that made that role model heroic. For example, Amelia Earhart refused to accept no for an answer; she dared to do what no one had ever done before, and became the first woman to fly a plane all the way across the Atlantic Ocean. This book follows her from childhood to her first flying lessons and onward to her multi-record-breaking career as a pilot. This engaging series is the perfect way to bring American history to life for young children, and to inspire them to strive and dream.
