Digital Publishing with Adobe InDesign CC Sandee Cohen, Diane Burns, 2014-11-19 Print designers or other creative professionals who need to create digital documents for multiple devices, will be thrilled with the powerful new tools in Adobe InDesign CC. Digital Publishing with Adobe InDesign CC examines not just the How of using the tools, but also the When and Why of choosing among the various digital format options—ePub (both traditional Reflowable and the new Fixed-Layout varieties), tablet app, PDF (with or without interactivity), HTML, and so on. Clear explanations and plenty of full-color graphics will guide the reader through the potentially confusing digital publishing landscape. Written by two longtime publishing experts, the book thoroughly covers the theory and best practices for using the revolutionary new layout features in InDesign CC, including the Adobe® Digital Publishing Suite (DPS), the complete digital publishing solution for tablets.

Introduction to Management John R. Schermerhorn, 2011 Completely updated and revised, this eleventh edition arms managers with the business tools they'll need to succeed. The text presents managerial concepts and theory related to the fundamentals of planning, leading, organising, and controlling with a strong emphasis on application. It offers new information on the changing nature of communication through technology. Focus is also placed on ethics to reflect the importance of this topic, especially with the current economic situation. This includes all new ethics boxes throughout the chapters. An updated discussion on the numerous legal law changes over the last few years is included as well. Managers will be able to think critically and make sound decisions using this text because the concepts are backed by many applications, exercises, and cases.
