Jill Hicks

Adrift Paul Griffin,2015-07-29 Five of us went out on the water that night. None of us came back whole, and not all of us came back. Best friends Matt and John are spending the summer working: Matt to save money for college, John to kill time before trade school. On the beach, the beautiful Driana stops Matt in his tracks. Dri, Stef and JoJo invite the boys to a party at Dri's Hamptons mansion, and Matt drags John along. When Stef decides it's a beautiful night to go windsurfing, the others race out on the water to make sure she's safe. But with no land in sight and a broken boat engine, it's not just Stef they have to worry about. And as the hours turn into days, the prospect of rescue seems further and further away...

Adrift Charlie Sheldon,2018-09-15 The Seattle Express, a 700-foot container ship bound for Seattle, is on fire in the

Gulf of Alaska. Rescue tugs race to salvage the ship before it is lost to the battering seas, but when the lifeboat of one crew member, William, goes missing for days, his daughter and her friends form a desperate plan. *Adrift* is a sequel the novel *Strong Heart*.

All Adrift Oliver Optic, 2016-05-26 *All Adrift* is the first volume of a new set of books, to be known as The Boat-Builder Series. The story contains the adventures of a boy who is trying to do something to help support the family, but who finds himself all adrift in the world. He has the reputation of being rather wild, though he proves that he is honest, loves the truth, and is willing to work for a living. Having been born and brought up on the shore of Lake Champlain, he could not well avoid being a boatman, especially as his father was a pilot on a steamer. Nearly all the scenes of the story are on the water; and the boy shows not only that he can handle a boat, but that he has ingenuity, and fertility of resource. Adrift K. R. Griffiths, 2014-11-22 For artist Dan Bellamy and his new bride Elaine, a trip on the world's biggest, newest cruise ship represents more than just the honeymoon of a lifetime: it is also a celebration of the progress Dan has made toward beating the agoraphobia that has plagued him since he suffered a horrific knife attack two years earlier. The ship is a perfect floating paradise, but when Dan spots what he thinks is a body being thrown overboard, he begins to suspect that not everybody aboard the Oceanus is there for a vacation. Soon, Dan will discover that there are some things worse than murder, and the body he saw is just the beginning. Because something is coming for the passengers on the Oceanus. Something that isn't supposed to exist...

Adrift Robert Taylor, 2007-11 Life in Nyack, New York had become a repetitive bore for Aaron Adams since graduating from college, weeks turning into months with little distinguishing one from the next. When a personal tragedy changed Aaron's existence, he began to reexamine his life and realized he must make a major change or be forever trapped in a cycle of boredom and depression. So Aaron went away. He chose Italy as his destination by luck and wanted nothing more than a fresh start. He arrived at the Florence airport without knowing the language or culture he was entering and dove further into Italy until he found himself standing on the banks of the Lima in Bagni di Lucca. Once there, he would meet a stranger who would change his life; an unexpected connection bonding them perpetually in ways neither of them could have imagined on Aaron's journey of discovery. Robert Taylor's stunning, witty and emotional debut novel tracks the journey of one man rediscovering who he is and coming to terms with his sexuality against the stunning backdrop of Tuscany in the springtime.

Adrift on the Pacific Edward S. Ellis, 2016-09-17 It was noticed that the engine instantly stopped and the enormous ship gradually came to rest upon the long, heaving swell of the Pacific. In a few minutes it was ascertained that the

steamer had broken the shaft of her propeller, thus rendering the all-important screw useless. This necessitated the hoisting of her sails, and a monotonous voyage to her destination, a return to San Francisco, or a long deviation to Honolulu for repairs. While the necessary investigation was going on, a sail had been sighted bearing down upon them, and in half an hour it came-to, a short distance off, in the hope of being able to afford some assistance--as the sight of a steamer lying motionless on the water meant that something was amiss.
