📖 **AFTERLIGHT** Isa Milman,2021-09-06 A haunting memoir of war, genocide, displacement, and a daughter’s search for the literary works of her mother’s murdered twin. Grieving the death of her mother in 2013, author Isa Milman embarked on a heart-wrenching journey to unravel a family mystery—the whereabouts of her aunt’s long-lost poems, published in Poland in the early 1930s—which evolved into a broader investigation of her family’s life before, during, and after the Holocaust. This powerful memoir chronicles a lesser-known chapter of the Second World War through the story of two sisters: Sabina, Isa’s mother, who survived the war, and Basia, Sabina’s twin, who did not. Exploring themes of loss and displacement, regeneration and resilience, Isa discovers how her own story is woven into the immense yet intricate tapestry of the Jewish experience. As she delves into her family’s history, accompanied by her husband, a native British Columbian, she travels to contemporary Poland, Ukraine, and Germany, and tries to reconcile her shifting appreciation of people and place, in a world where anti-Semitism and other forms of extremism are on the rise once again.

📖 **AFTERLIGHT - A NOVEL** Alice VL,Er Swan,2018-02-08 AFTERLIGHT I - FIRST LIGHT When Misty-Bleu found him many years later on a park bench on the grounds of the Coral Hill Oncology Center, she had no way of knowing that they both were about to step into a first-light, and that nothing afterwards, would ever be as it seems. As Misty-Bleu unwittingly navigates her way through her first-light, William is forced to trick the stars, and deceive the universe into thrusting them both into a half-light existence. He had seized her into a world he had created for them to subsist in when the stars, he was convinced, had made a fatal mistake. He was not ready to let her go. He was not ready to hand his heart over to the stars. He was not ready to lose her in either worlds, and he was not ready for someone else to love her. AFTERLIGHT II - HALF-LIGHT The portal was about to close. William was warned to release her back into her first-light. The implications of lingering in their half-light, would be far too costly. It was a price he was not sure he was willing to pay. When Misty-Bleu slowly began returning to her first-light, she was devastated to learn that she had in fact, lived in the portal with William, only it was all in her mind. When William found one final way to return to her and her first-light through his good friend, Joshua, he returned to her by tricking the stars and deceiving the universe one last time. AFTERLIGHT III - NEW LIGHT The portal had closed. Misty-Bleu had surrendered to the reality that she had lived an entire existence in a world she had conjured up in her mind. Yet, the memories she brought with her, would overwhelm her, and dreadfully taunt and haunt her. She was desperate to cling to what was real, and she was frantic to conquer what never was. As they begin to navigate away from their half-light in a desperate attempt to survive in a world they no longer felt they belonged in, it was the memories of the portal that would not allow them to forget. In the end, it was what would ultimately save them, and bring them home, to their new light.

📖 **DARK LIGHT** Alex Scarrow,2010-06-24 NOW A MAJOR TV SERIES A TERRIFYING APOCALYPTIC THRILLER FROM THE ONE OF THE BRIGHTEST STARS OF THE GENRE... ‘CHILLINGLY PLAUSIBLE’ DAILY TELEGRAPH It seems to be a very normal Monday morning. But in the space of only a few days, the world’s oil supplies have been severed and at a horrifying pace things begin to unravel everywhere. And this is no natural disaster: someone is behind this. Jenny is stuck in Manchester, fighting desperately against the rising chaos to get back to London, where her children are marooned as events begin to spiral out of control: riots, raging fires, looting, rape and murder. In the space of a week, London is transformed into a lawless and anarchic vision of hell. Jenny’s estranged husband, oil engineer Andy Sutherland, is stranded in Iraq with a company of British soldiers, desperate to find a way home to his family, trapped as transport links and the very infrastructure of daily life begin to collapse around him. And against all this, a mysterious man is tracking Andy’s family. He’ll silence anyone who might be able to reveal the identities of those behind this global disaster. It seems that the same people who now have a stranglehold on the future of civilisation have flexed their muscles before, at other significant tipping points in history, and they are prepared to do anything to keep their secret - and their power - safe.

📖 **AFTERLIGHT** Elle Jasper,2010

📖 **AFTERLIGHT** Jaap Robben,2024-05-07 This moving novel gives voice to the silent grief of the mothers of stillborn children The young free-spirited florist Frieda grew up in a strictly Catholic environment in the 1960s. When she steps onto a frozen river on a late winter afternoon, little does she know that everything is about to change for her. On the ice she meets the married Otto. They experience a love that begins stormy and ends fatefully: Frieda becomes pregnant - a scandal in the world in which she moves. And so she must never be the mother of her secret child. For decades she kept her memories of this episode in her life to herself. But the grief for the lost child remains, despite the later marriage, despite the son she still has. At the age of eighty-one, Frieda is suddenly alone again. The silent sorrow returns with force. Only then does she dare to face her story - and to share it. With Afterlight, inspired by true events, Robben not only pulls back the veil on Frieda’s story, but also shines a light on the experiences of countless women between the 1950s and 1980s. The result is an impressive story about buried female trauma, caused by society, organized religion and the dominant social mores.

📖 **AFTERLIGHT** Alice VL,2018-06-11 He was not ready to lose her in either world, so he tricked the stars and conspired against the universe. He loved her in life - he swept her into a portal and loved her in death, and then he sent her back to her world as he continued to linger in his - between life and between death. They told her it was all in her mind. They said that her memories were never real. They locked her away until he found a way back, to her world. Misty-Bleu, through all our lifetimes, across so many universes and dimensions, our souls always know each other. You and I, we've loved before, it's just always our bodies that are new. Still, in each form, each age, each universe, and each lifetime, you leave me here without you. I can't do another lifetime without you. I search for you in each existence, when really, my survival has always been in you, and yours in me. Our worlds collide again and again, lifetime after lifetime, body after body. I need to be in a world where you won't leave me again. I've got to be where you are. Misty-Bleu, the place I go to every time I close my eyes. There where you are. There where I find you again. There where our ancient love comes home to me. There where all other worlds die, and ours lets me live again. With you. There, where we make plans again. There, where you touch my face and hold my hands. There where I can breathe again. There, where you never left, never gone. There where I find you when I no longer want to be awake in my world. The world you sent me back to. The one I've had to live in without you, and hide my tears. The one that crushes my soul and shatters my heart. The world I hate. The one I search for you on empty beaches and crowded streets. The one you've left me in, without you.
