Lg V20: An Easy Guide to the Best Features Michael Galleso,2016-10-12 The LG V20 is one of the latest Android smartphones that is manufactured by LG Electronics. It is the upgraded version that succeeded the LG V10 as the new flagship model in the LG V series. It was first released in South Korea on September 29, 2016. It was also noted as the first smart phone that came preloaded with Android 7.0 Nougat out of the box. The LG V series are considered to be a high end Android device that leads the way with great design and new features. These features have seen vast improvements in the display, audio and performance of the device. The coupling of the Android 7.0 platform with the LG innovation has truly created a phone that is truly enviable. It is a great player in the competitive smart phone space. This book will seek to explore many of the options that are available on this device.
